C2 OD IV dated 21.5.47

Overseas Scholarships - 1946-47.

Jan 23, p 3/5

Mr. T. Rajagopal Rao was selected in 1946-47 for the award of an overseas scholarship in Leather Chemistry and treatment of leather. The Dept. Dept to whom the subject relates, had suggested the scholar's admission in Leeds University, U.K. But as admission was not possible for the candidate either in Leeds University or in any other institution in the United Kingdom his papers were transferred to the U.S.A. for admission there in a suitable institution. Now admission has been secured for him in Lehigh University, U.S.A. The admission may be accepted.

Jan 4, p 2/5

Mr. M. Muthukrishnan was selected last year for the award of a scholarship in "Electrical Engineering - Generation, transmission and utilisation of electric power". His admission was first tried in the U.K. in vain and his papers were transferred to the U.S.A. Admission has now been secured for him in Brooklyn Polytechnic. As Brooklyn Polytechnic is one of the institutions recommended by the D.P.D. for the admission of a student to be selected in 1947-48 for the same subject, admission in this institution now secured for Mr. Muthukrishnan may be accepted.

A draft memo. to Messrs. Rajagopal Rao and Muthukrishnan to get in touch with the Travel Agents and to accept the first passage offered to them is put up for appl. Dept. may see before.
