Station MADRAS, Dated the 17th JUNE 19 47.

From (Name) SRI D.S. REDDI, M.A. (Oxon), M.B.E.,
 (Designation) DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

To The Secretary to the Government of Madras,
 EDUCATION AND PUBLIC HEALTH Department.

Sir,

I have the honour to state that the Divisional Inspector of Schools, Coimbatore Division, has represented to me the need for the opening of a separate hostel for the High School boys of the Government Training School for Masters, Mettur Dam. The main reason for recommending the opening of a separate hostel for the secondary school is to prevent the young boys of high school section mixing up with the adult students of the training school. Further it is reported that the food that the students under training desire to have is different from that desired by the high school boys.

The number of boys likely to join the hostel if one is opened will be about 25.

The Divisional Inspector reports that there is a Government building near the school in which the telephone exchange office was once located and that the Executive Engineer was requested to assign the building to this department for locating the hostel. Hence no expenditure under rent need be incurred if this building is secured for the hostel. No expenditure need also be incurred during the current school year in regard to Deputy Warden's allowance as the Headmaster of the school is willing to appoint an Honorary Deputy Warden for the Hostel. In regard to utensils and furniture, the Divisional Inspector reports that the utensils released as a result of the closure of the Midday meals scheme, now available with the District Educational Officer would be used and that a sum of Rs.250/- may be sanctioned for utensils required in addition to those available. Under furniture a sum of Rs.500/- is required (for 25 armless chairs and 25 teapots).

In the circumstances I request that Government may be pleased to accord permission for the opening of a separate hostel for the high school boys of the Government Secondary and Training School, Mettur Dam during the school year 1947--48 and to sanction a non-recurring expenditure of Rs.250/- for utensils and Rs.500/- for furniture.

The working of the hostel may be watched under a Honorary Deputy Warden during the school year 1947--48.

SCHOOLS - Government Training School for Masters, Mettur - Opening of a separate hostel for high school students.

From the Director of Public Instruction, R.C.No.620-K3/47 dated the 17th June 1947.

The Director of Public Instruction requests that sanction may be accorded for the opening of as an experimental measure, of a separate hostel for 25 boys of the Government Secondary and Training School, Mettur, during the school year 1947-8. It is reported that a non-recurring expenditure of Rs.750/- (- Rs.250 on the purchase of utensils and Rs.500 on the purchase of furniture) will have to be incurred.

2. The main reasons urged for the establishment of a separate hostel is that the young boys of the high school should be prevented from mixing up with the adult teachers undergoing training and allowed to have a mess suited to their standard. It is doubtful whether this can be considered to be a sufficient justification for incurring the additional expenditure. Further, although it is now proposed to place the hostel in charge of an honorary Deputy Warden, it will be necessary eventually to pay some allowance to the teacher who is appointed as Deputy Warden.

In the circumstances, it is for consideration whether the Director's proposal ^{shall} be supported. If so, the file may be sent to P.W.D. and Finance for remarks.

There is no strong case for the opening of a separate hostel for the high school boys. What has been done till now may be continued.
