Sub:- Exhaust fans - Purchase of - Sanction for -

50827 I have the honour to state that three exhaust fans in the Mono Casting Department of this office have become very old and are beyond economical repairs. These fans are essential for this department to drive out the unhealthy fumes emanating from the metal pots of the Monotype machines. Quotations were accordingly called for from the General Electric Company, Crompton Engineering Company and Gordon Woodroffe & Company, Madras for the supply of three such fans. The General Electric Company offers exhaust fans single phase 24" sweep 230/250 V, 50 cycles fitted with 4 way heavy duty blade and starter type regulator at Rs.437/- each, while the other two Companies are unable to quote. I request that Government may be pleased to accord sanction for the purchase of three exhaust fans from the General Electric Company (India) Ltd., Madras at a total cost not exceeding Rs.1400/- including Sales tax etc. in the interest of health of the employees. The expenditure will be met under "56 Stationery and Printing (d) Government Presses (Madras) F. other expenditure, 3 "Renewals and Replacements from Depreciation Fund".
