 (Designation) DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

To The Secretary to the Government of Madras,
 EDUCATION AND PUBLIC HEALTH Department.

Sir,

I have the honour to state that Sri V. Krishnamurthy,
 Assistant Professor in Botany, Presidency College, Madras,
 requested me permission to do research work in the college
 in order to qualify himself for the Ph.D. Degree. With
 reference to G.O. No. 704, Education, dated 15th April 1930
 research students should pay a fee of Rs.100/- when their
 subject is Botany, but as Sri Krishnamurthy is on the staff
 of the college, I consider that no fee should be collected
 from him especially in the interest of research. He will

however, be responsible for breakages and loss of articles sustained by Government on account of his research work. I request Government may be pleased to approve my recommendation. I am permitting him to use the laboratory as stated above.

I have the honour to be,

In view of A m.p. 108, the draft order on p. 1 above may be accepted and the case returned to E.P.H. Dept.

The reasons given by the Director of Public Instruction for the sanction of the exemption are not convincing. Because Sri Krishnamurthy is on the staff of the Presidency College, it does not seem that he should be exempted from the payment of fees prescribed by the Government in the G.O. at (W). It may also become an inconvenient precedent. In the circumstances, this Department may advise against the proposal.

From p. 5 m.p. of (W) it appears that the fee represents the value of materials used to a large extent. But we may assume that the acquisition of a Ph.D. degree would increase the usefulness of the officer to the dept. & need not be object to the proposal.
