We had authorised admission of about 50 extra students in the Queen Mary's College in Arts subjects in the intermediate class this year and promised to give them the necessary staff for it. In calculation it seems, the pay that we receive from the students will be more than the expenditure we incur. I understand the D.P.I. has sent us proposals for the appointment of extra staff viz., 2 Tutors and 1 Asst. Lecturer. The College has reopened a few weeks back and it is necessary that we should sanction the staff. The matter may be expedited.
