Dear Sri. Gopal Reddi,

You may very well remember that we from the Hindustan Scout Association met you in deputation in April last, and presented a copy of the memoranda which we have presented to the Hon'ble the Minister for Education, requesting to give us a grant of Rs. 3000/- as done to the Girl Guides section, and also to give us some Rs. ~~26000/-~~ and odd for further improving the the scouting in this Province. I learn that consideration of new proposals for expenditure is likely to come up before the cabinet early in June. I hope and wish that you will find your way to get our request granted. We are anxiously awaiting your kind help for the appointment of a Woman Assistant Organising Commissioner to build up the girls section well, and this will require not less than Rs. Rs. 3000/- As the Girl Guides is getting that sum, I think that there cannot be any difficulty for you to extend the same treatment, though we deserve better treatment, being a national organisation. Any help that is rendered to our Association will be greatly appreciated. As you yourself was exercising the responsibility of the Provincial Commissioner, I need not say much in this behalf. I earnestly solicit your kind efforts in this behalf.

Trusting to be obliged, and thanking you,
 With best regards,

Yours sincerely,

Hon'ble Sri. B. Gopal Reddi,
 Minister for Rinance,

Subject : Government Grant to Hindustan Scout
Association for 1947-48

We have made an application on 17-4-47
for a small grant of Rs 3000 to enable us to appoint
a Girl Scout Organising Commissioner to attend to the
immediate demands of the Girl Scout section which is
also part of the Hindustan Scout Association.

We pointed out in our application that since
we have a Girl Scout section also included in our
organisation, we should be given the same grant that
is given to the Girl Guides Association. This applica-
tion is pending with the Government.

We request you to kindly consider this applica-
tion favourably and help us to organise the Girl Scout
section which is even more important than the Boy scout
section.

2. In April last a representation was received from the Association in regard to the enhancement of the grant to the association. It was considered and decided that the question of enhancing the grant to the association could be taken up for consideration only after the association had been satisfied; and that there was no case for enhancing the grant ^{immediately} and that in view of the financial stringency, it was not possible to undertake further commitments. The Provl. Commissioner was accordingly informed vide the letter on pp 91-92 of and pp 15-17 of of Gov. no. 752 Edn of 16.4.1947. In the circumstances, there ^{seems to be no need} to reopen the question now for the enhancement of the grant.

May have been asking for an extra grant to the women's section. May may be given an extra grant of Rs 1000/-

22-6-47

Boys section of Boy's Scout movement gets Rs 7000 and girl guides get Rs 3000.

Hindustani Scouts have both the sections and get only Rs 5000. Their number is much more than the Boy Scouts and girl guides.

They have a scheme ready to expand their activities on the girls' section, but for want of funds, they are unable to take it up.

We have turned down their bigger demand.

Their present prayer is that they must get Rs 10,000 on a par with the other movements.

In Bombay, they get a much larger sub from the Govt. In L.P. too.

In Madras, we are following a policy of drift and states go.

Our G.P.I. and G.E. do nothing for the Scout movement.

I would request H.R. (Eds) to take up the matter and bring some light to the aspect of our students' discipline.

In the present case, they may be given an additional Rs 3000 earmarked for their girls' section.

H.R. (Eds) may please see B.P.A. 27/6

Please see the minutes of H.M. (Eds)

and H.M. (Finance) on pp 1-2 above. It is presumed that the additional grant of Rs 3000 for the girls' section of the association should be paid from the current year onwards. The file may be re-permeated to H.M. (Eds) with ref. to the minutes of H.M. (Fin) above.

This should be Rs 7500 - Sep-228 of the CM-49946B1/47

Please see the orders in circulation on pp 1-2 ante. The proposal is in effect to increase the grant payable to the Hindustani Scout Association, Madras, in the current year from Rs 7,500 to Rs 10,500, the addition of Rs 3000 being earmarked for the girls' section. It seems unnecessary to treat this as a new service & obtain a supplementary estimate of expenditure. The D.P.S. may be asked to submit proposals for reappropriation of funds to meet the additional expenditure in the current year. His proposal for grants for 1948-9 will normally be dealt with as a part of the scheme for that year.

The remarks of Finance may be invited before orders sanctioning the payment of the addl grant is issued.
