From (Name) Dr. S.R.U. Savoor, M.A., D.Sc., I.E.S.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATION AND PUBLIC HEALTH Department.

Sir,

In submitting proposals regarding the revision of the book, "Syllabus of Physical Activities for Secondary Schools and Manual of inspections for teachers", I have the honour to state that the book was last reprinted in 1938 with reference to the orders in G.O. No. Ms. 2697-Edn., dated 12-11-37, and in 1940 - Vide G.O. No. Ms. 618 Edn., dated 9-4-40. All these copies were exhausted even by the end of 1941; but further printing was deferred on account of the shortage of paper owing to war conditions. The book is prescribed as one of the text books for the students of the Y.M.C.A. College of Physical Education. There is also a large demand for this book from many Physical Education teachers and others.

institutions. There have also been other changes regarding the concept of a satisfactory programme of Physical Education work which renders the present syllabus out of date. Under these circumstances it is necessary to revise the syllabus urgently, and I consider that this revision work should be done by an expert committee, including some experienced teachers in Physical Education, a Headmaster of a high school and a District Educational Officer, besides the Principal of the Y.M.C.A College of Physical Education, Saidapet and the chief Inspector of Physical Education. The Principal, of the Y.M.C.A. College, Saidapet, who was consulted by the chief Inspector of Physical Education, agrees with me that the revision work is best done by a committee and this is in consonance with the practice in advanced ~~compies~~ Countries in similar cases.

3. I therefore recommend that Government may sanction the formation of a committee and the following persons be requested to serve on the committee:-

- (i) The chief Inspector of Physical Education Madras, (convenor)
- (ii) Mr. C.S.Moffat, B.Sc., Principal, Y.M.C.A. College of Physical Education, Saidapet.
- (iii) Sri T.P.Santanakrishna Naidu, B.A., L.T., District Educational Officer, South Guntur.
- (iv) Rev. D.Chellappa, B.A., Headmaster St.Pauls High School, Vepery, Madras.
- (v) Sri K.Narasimhachar, B.A., Physical Director Teachers' College, Saidapet, and supervising Physical Director of the Model High School, Teachers' College, Saidapet.
- (vi) Sri S.Sampath, Physical Education Teacher, C.C.C. High School, Perambur.
- (vii) Sri K.J.Viswanathan, B.A., L.T., Physical Director, Ramakrishna Mission High School, Tyagarayanagar.

The Official members will get their Travelling Allowance and Dearness Allowance at the usual rates; the non official members may be allowed a conveyance allowance of Rs.5/- each for every day of the meeting and a daily allowance of Rs.5/- each per day.

4. I may inform Government, in this connection that the book was formerly priced Rs.3/- (Rupees three) per copy.

It is stated that all the non-official members of the Committee are residents of the City. E.P.H. propose to pay them daily allowance ~~of~~ at Rs 4-8-0 and in addition ~~of~~ a conveyance allowance of Rs 5 on the days they attend meetings of the Committee.

p. 4 above

The following remarks are called for.

p. 26 of 'Manual of Spl. Pay & allowances' (not put up)

2. Daily allowance. According to rule 33 of the M.T.A.rules, ~~xkxx~~ daily allowance is a uniform allowance for each day of absence from headquarters which is intended to meet the ordinary daily charges incurred by a Govt. servant in consequence of such absence and it is admissible only for journeys or halts in the course of journeys on tour. The non-official members in this case are not therefore eligible to draw daily allowance. In G.O.No.13 Edn dated 4-1-47 the non-official members of the Provincial Advisory Board of Education who reside in the city of Madras were allowed an allowance equal to the daily allowance to which they would have been eligible had they been non-residents of the city. This Department may therefore suggest that an allowance (not daily allowance) of Rs 4-8-0 per day may be paid to the nonofficial members for attending the meetings of the Board.

Conveyance allowance. E.P.H state that charges for conveyances are rather high in the city and as some of the members will probably experience difficulty in attending the meetings, a conveyance allowance of Rs 5 per day also may be allowed as a special case. It would be seen from sub para (1) above that the grant of an allowance equal to the daily allowance is in itself a concession for which they are not eligible under the rules. ~~Apparently~~ This is intended to cover the incidental charges such as conveyance charges, charges for light refreshments etc. Similar officials in the Provincial Advisory Board of Education ~~xkxx~~ are not given any conveyance allowance.

In the circumstances stated above this Department may advise against the proposal.

- Constitution of a Committee.

M/PHC Government in their order 169 Edn., dated 30-1-1947 approved the proposal for the constitution of a committee of 7 members for the revision of the syllabus of physical education for boys in secondary schools and manual of instructions for teachers. Though the syllabus has been revised, the subject matter for the manual of instructions has not been prepared by a few members who were allotted the work. Sri J.P. Thomas, Lecturer, Y.M.C.A.College, Saidapet has already published a book 'Physical Education lessons' which contains all the instructions to be included in the manual proposed to be brought out by this Expert Committee. As the work for which this committee was formed has already been fulfilled by the publication of the above book and further continuance of the same is superfluous, I request that the Committee may be dissolved.

Yours faithfully,

I submit that the Committee constituted ~~for constituted~~ for the revision of the syllabuses of Physical activities for boys in secondary schools, met eleven times in connection with that work. It is now reported that a total expenditure of Rs.675/- (not Rs.737-1-0 as stated in my letter Rc.No.1216 J3/52 dated 12-5-1953) was incurred on all the eleven meetings of the Committee. A major portion of the expenditure viz., Rs.581-12-0 was incurred in connection with the meetings of the Committee devoted to the revision of the syllabuses of physical activities for boys in secondary schools. This work, mainly for which the Committee was constituted, was completed by it. The revised syllabuses prepared by the Committee were approved by the Government in G.O.Ms.No.648 Education, dated 1-3-1950 and published in Supplement to Part I-B of the Fort St. George Gazette dated 5-6-1950. The revised syllabuses have also been introduced in the schools. The balance of expenditure viz., Rs.93-4-0 only was incurred on the last two meetings of the Committee taken up mostly for the work connected with the preparation of a mannual of instructions for the proper working of the revised syllabuses. It was this work that could not be proceeded with and was eventually given up. Even this small expenditure was incurred at a time and in circumstances when it could not be foreseen that the work would have to be abandoned halfway. In the circumstances, I submit there was no avoidable waste of expenditure on the Committee.
