Subject: Inter-Provincial Board for Anglo-Indian and European Education Contributions for 1947-48 - Payment.

Sir,

I am directed to refer you to your letter No. 1691 - Edn, dated the 3rd September, 1946, to the Chairman, Inter-Provincial Board for Anglo-Indian and European Education and in particular to the proviso contained therein that the Government of Madras would only be prepared to increase their contribution towards the expenditure of the Board by 20% in and from the current financial year, 1947-48, provided the other Provincial Governments and the Government of India agreed to do so as well. I am now to report that all the other Governments concerned have agreed to increase their contributions except the Government of India and the Government of Bihar, who, in spite of several reminders, have not come to a decision as yet whether or not to increase their contributions. So far as the Government of India are concerned it has been unofficially ascertained that the delay in arriving at a decision is due to their pre-occupation with work arising out of the decision to partition India. It is probable that a similar reason is the cause of the delay in the Government of Bihar making their decision. As however it is now well into the current financial year and the funds of the Board are running low, I am to ask the Government of Madras to pay their old contribution of Rs.6,952/- (Rupees six thousand nine hundred & fifty two) immediately and the difference between this and the increased contribution of Rs.8,342/-/- if and when the Government of India and the Government of Bihar agree to the increase asked for in their respective contributions.

As regards the second paragraph of your letter under reference, the question raised therein was considered by the Inter-Provincial Board at their meeting on the 6th and 7th March, 1947, and I give below the relevant resolution passed by the Board at that meeting:-

(XXV) "That the Government of Madras be informed that their

P.t.o.

QUERY as to whether in view of the existence of Provincial Inspectors and Inspectresses of Euro ean Schools it is necessary for the Board to employ an Inspector as well, is based on a misunderstanding of the work of the Board's Inspector which primarily is not the inspection (in the ordinary sense this word in used by Provincial Education Departments) of Anglo-Indian schools but rather the visiting of such schools to obtain for the Board information regarding recent developments in Anglo-Indian education in provinces of India, and such other information as may be of value to them in carrying out their function as an advisery body. This important work must be performed by him no matter whether he, their only executive officer, is called merely "Secretary" or "Secretary and Inspector". The Board is satisfied that no reduction of his work and responsibilities will result from the omission of the two words " and Inspector" in his title, nor, hence, will such omission justify the lowering of his scale of salary."

I enclose for your information a copy of the provisional statement of the Board's accounts for the year ended 31st March,1947.

The Examiner, Outside Audit Department of the office of the Accountant General, Central Revenues, audited the Board's accounts for the year 1945-46 and confirmed the provisional statement, a copy of which was submitted to you with my letter No.6542/42-45 dated the 7th May,1946.

I have the honour to be,

Sir,

Your most obedient servant,

N. W. M. Sadleir

C. No. 5863 A/47 European Education - Inter Provincial Board for Anglo-Indian and European Education - Provincial contribution for 1947-48- Payment.

From the Secretary, Inter Provincial Board, No. 1712/31-47 dated 12-7-47.

The funds of the Inter-Provincial Board for Anglo-Indian and European Education is made up of contributions from the Provincial Governments and the Government of India, the amount of contribution being calculated on the basis of the Anglo-Indian and European children in the European schools in each Province in 1931-32. The total expenditure of the Board was estimated at Rs. 30,000 a year and the contribution payable by this Government was fixed at Rs. 7,045 on the above basis. Any excess payment made in a year would be adjusted towards the contribution for the succeeding year.

2. In letter No. 1691 Edn., dated 3-9-46 the Chairman of the Board was informed that this Government had no objection to increase their annual contribution towards the expenditure of the Inter-Provincial Board for Anglo-Indian and European Education by 20% from 1947-48 provided other Provincial Governments and the Central Government also agreed to a similar increase in their contributions and he was asked to report the action taken by the other Governments in this regard. In the circumstances now reported by him in para 1 of his letter at p 1 c.f., the Secretary to the Board requests that the old contribution of Rs. 6,952/- only may be paid immediately and that the difference between this amount and the increased contribution if any sanctioned might be paid afterwards if and when the Govt.s of India and Bihar agree to increase their contribution. A provision of Rs. 8,400 has been made for this purpose in the B.E. for 1947-48. The old contribution may perhaps be paid now as requested. A draft order is submitted for approval.

3. In connection with the question of increasing the grant to the Board, the D.P.I. raised the point as to whether a separate Inspector to the Board was necessary and the suggestion was commended to the Inter-Provl. Board for consideration. The Board in its resolution No. XXXV has expressed the view that no reduction of the work and responsibilities of the present Secretary and Inspector will result from the omission of the two words "and Inspector" in his title, nor as a consequence will such omission justify the lowering of his scale of salary. ~~For orders whether the remarks of the Director on the resolution may be called for. If so, the draft endorsement below is for approval.~~ A copy of the letter may be sent to
