From (Name) Sri D.S.Reddi, M.A. (Oxon), M.B.E.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

The sanction accorded in G.O.No.1607-Edu dated 19-8-46 for the continuance of the posts of the temporary staff of one Junior Superintendent and 2 temporary upper division Clerks employed in my office for work connected with the war expires on 31-7-1947. I have the honour to submit my proposal for the further continuance of the posts from 1-8-1947 in the circumstances stated below:

2. The number of papers received and dealt with during the years 1944-45, 1945-46 and 1946-47 is noted below:-

Year	Total
1944-45	6225
1945-46	6338
1946-47	7560

It will be seen from the above figures that the work connected with the War has not decreased but on the other hand shows an appreciable increase over that of the previous years, justifying the need for the continuance of the Establishment.

3. in this

3. In this connection, I submit that the Government were pleased to sanction the employment of an additional clerk temporarily for a period of one year from the date of appointment for work connected with the scheme for the Further Education and Training of Demobilised personnel in the G.O. referred to in para (1) above. The need for the continuance of this post is also felt for the reasons stated below:-

The constitution of the Further Education Board was sanctioned by Government in their order No.508 Edn dated 14-3-1947. The work relating to the scrutiny of the applications and the award of the concessions to eligible candidates, the sanction of book allowance and the submission of the quarterly Progress Reports to Government in connection with the Further Education of the Ex-services personnel etc. is done by the establishment sanctioned by Government. The staff has to attend to the work connected with the issue of circulars, conduct of meetings of the Board, the writing of minutes of meetings and the sanction of maintenance allowance to candidates who are declared eligible by the Board for the award of concessions. I, submit also that the work connected with the Further Education scheme will naturally continue to be heavy for some more years even after the demobilisation is completed.

4. ~~It~~ It may not be out of place to point out, in this connection, that the work of the War section, as a whole, has further increased on account of the following:-

(1) Collection and compilation of Statistics for furnishing the Government monthly with a statement indicating the employment position and fore-cast of the likely net-increase or decrease during the next 3 months in form W.W.11 (Vide Appendix to G.O.189 (Public) Co-ordination Department dated 25-1-1946) and

(2) Correspondence relating to the question of the ~~Sex~~ Scrutiny of priority catalogues and the indents on Military surplus stores for the use of the three colleges of Engineering at Guindy, Coimbatore and Cochin.

5. In the circumstances, I request that the Government may be pleased to sanction the continuance of the posts of one Junior Superintendent and the 2 upper Division Clerks and also the continuance of the post of the Upper Division Clerk sanctioned for work connected with the further Education Scheme, all for a further period of 2 years ending with 31-7-1949

6. necessary provision has been made in the Budget Estimate for 1947-48.

7. I request the favour of early orders.
