No. 370/47-5 dated 30th April '47.

Sir,

Subject : Public Services - Subordinate Services -
Allocation of War reserved vacancies among
war service candidates and temporary
Government servants.

Reference: G.O. No. 821 Press, Public (Services) dated
15-3-1947 and this Office letter No. Q. 155-6/
7-1-47.

I have the honour to state that, on page 5 in the
Appendix to the G.O. read above, in Column (B) under the
heading "Superintendent, Government Museum", '3' is entered
as the number of substantive and temporary vacancies
existing in the Museum, whereas, the actual number of
vacancies available in this office, of Curators is 4 as
detailed below :-

(a) Curator, Archaeological Section	 1
(b) Curator, Botany Section	 1
(c) Curator, Chemical Conservation Section	.. 1
(d) Curator, Numismatic Section	 1
Total.	4

2. Of these 4 posts, the Botany Curator's post was
filled up on 1-1-1947 by a war service candidate recommen-
ded by the Collector of Madras. As no suitable war service
candidate was available for the post of Numismatic Curator,
it was filled up by appointing a permanent Government servant
as a part-time Curator with effect from 1-3-47. For the
posts of Curators, Chemical Conservation Section, and
Archaeological Section, no suitable war service men were
available. The appointments were therefore filled up
temporarily on the 14th January 1946 by selecting civilian
candidates for these posts. This was reported to the Collector
in this office letter No. 520-1/46 dated 11-3-1946 and the
Collector's instructions were solicited as to whether these
two temporary appointments might be regularised. In his
reply No. S.A. 1155/46 dated 9-5-46 the Collector reported
that "the two appointments cannot be regularised now as
demobilization is not yet over". I have the honour to
request to be informed whether the position has since
changed, with regard to the posts (a) & (c) and also (d)
above.

(sd.) A. Aiyappan.

Sir,

1947 and Government Memorandum No. 39696 C2/
47-1 Edn., dated 22nd May 1947.

I have the honour to state that before fill-
ing up the vacancies in the posts of Curator, Archaeolo-
gical Section and Curator, Chemical Conservation section,
an advertisement was published in the Fort St. George and
in the leading Dailies of the City inviting applications
from candidates possessing the following qualifications:-

1. Degree in Sanskrit with a
knowledge of Dravidian languages
and Ancient Indian History or a
degree in Archaeology with high
qualifications in Sanskrit and
knowledge of Dravidian languages
and scripts and Ancient Indian
History.

Section.

degree with Chemistry (Main) and
Physics (Subsidiary) and Electro
Chemistry as special subjects
plus research experience with
Scientific publications.

for the post
of Curator,
Chemical Con-
servation
Section.

In spite of the publicity given and though it was
made clear that the posts were reserved for war service
candidates as detailed above, there was no response from
qualified war service candidates. A copy of the adverti-
sement was also sent to the Collector of Madras (Resettle-
ment) with the request that names of suitable war service
candidates might be suggested. There was no response
to this either. In these circumstances, there was no
other go but to appoint the best among the civilian can-
didates who responded to the Advertisement, to item 1
above. In the case of item 2, the position was still
worse. Only one civilian candidate applied and he had
be appointed on a temporary basis.

2. In view of the great difficulties experienced
in getting suitable war service candidates for Curators'
posts, I have the honour to request to be informed whether
I may be permitted to reserve the Caretaker's post (which

The Superintendent, Government Museum is informed that the selecting authority for the post of Curators in the Govt. Museum is the Superintendent, Govt. Museum and not the Collector. He need not therefore address the Collector in regard to the reservation or de-reservation of the vacancies in the post of Curators nor should he send any intimation to the Collector on the subject.

2. The proposal of the S.G.M. to reserve the caretaker's post in lieu of a Curator's post for war service candidates cannot be accepted. The post of Curator, Chemical conservation may stand reserved for a war service candidate and the

-2-

post of Curator, Archaeological section may be dereserved for civilians.

3. The two posts of Curators which stand reserved for war service candidates - Posts of Curator, Chemical Conservation Section and Curator, Numismatic Section - should now be advertised inviting applications from ex-servicemen including Indian National Army men and those still serving with the Forces.

Copies of the advertisement should be sent to the Govt. of India, Defence Dept. (Army Branch), Central Employment Exchange, New Delhi, Director of Resettlement and Employment, Madras and all Collectors so that they may bring to the notice of prospective applicants the vacancies advertised.

The advertisement should state specifically that ex-servicemen should submit their applications through the Special Assistants to Collectors (Ex-Servicemen's Resettlement).

Allocation of war reserved vacancies

With reference to forbin marked 'A' on p 1 of of Govt

(C) P.S. (Pub Ser) d. 15-3-47, the S.G.M. after scrutinizing the appendix to the G.O. has intimated the necessary corrections in respect of the posts of Curators in the Museum, i.e. 3 & 4, to the Selecting authority viz, the Collr of Madras and sent a copy to Govt in the Pub Ser Dept. Para 1 of the letter of the S.G.M. is for Pub (Ser)

2. With reference to forbin marked 'B' on p 1 of of the G.O. at (C), the S.G.M. should decide which of the posts of Curators should be reserved and which shall be dereserved and intimate his decision to the Selecting authority viz, the Collr of Madras, and to the Govt in the Pub Ser Dept.

X

Para 1 of the Superintendent's letter on p.1 ~~of~~ c.f.

Necessary corrections have been made on p 5 of

G.O.No.821 Pub.(Ser.) dated 15-3-47.

The Selecting authority for the posts of Curators in the Govt. Museum is the Supdt. of the Museum and not the Collector of Madras as stated at X on p 1 above. In the Subordinate Services Pamphlet issued by the Govt. of India in 1945 the ^{number} ~~of~~ reserved vacancies in the category of Curators in the Govt. Museum is stated to be 'nil'. This is apparently the reason why war service candidates have not applied for these posts so far. The ~~Curator~~ ^{Superintendent} may be asked to advertise these vacancies allotted to war service candidates now. In view of the reported difficulty in getting suitable candidates applications may perhaps be invited both from ex-servicemen (including I.N.A. men) and those still serving with the Forces. Copies of the advertisement may be sent to the Govt. of India, ~~in the~~ Defence Dept. (Army Branch); Central Employment Exchange, New Delhi; Director of Re-settlement and Employment, Madras and all Collectors so that they may bring it to the notice of prospective applicants.

The file may be returned to ^{the} E.&P.H./for necessary

action.

Please see the note of Pub (Ser) above. The S.H.M. may be informed about the correct position re: the appointing authority for the posts of Curators in modification of the Memo on pp 3 & 4 cf. He may also be asked to take steps to advertise the posts of Curators as suggested by Pub.

The S.H.M. has not taken action in respect of this. Of the four posts of Curators (b) has already been filled by a war service candidate. (d) is reserved for a war service candidate and the question of filling it up regularly is being given till a war service candidate becomes available. The question therefore now is which of the posts (a) & (c) is to be reserved. (As there are four vacancies 3 should go to war service candidates). The S.H.M. may be asked to take necessary action in this respect. A draft is submitted.

3. After the issue of the memo, the case may be

in reply to the Memo on pp 3-4 cf. The advertisement made for the two posts of curators is not sufficient and it should be made afresh in the lines suggested by Pub on p 3 ante. Demobilisation is not yet complete and war-service candidates may become available in the final stage of demobilisation. The question now to be decided is which of the posts of Curator Archaeological Section and Curator Chemical Conservation ^{- vide the Memo on pp 3-4 cf.} Section is to be reserved for civilians. The S.G.M. has not given a solution but suggests instead that the post of Curator in the Museum may be reserved for war-service candidates instead of curators' posts. This is not ^{acceptable} for two reasons:

- (1) The Curator's post has been allotted to civilians in the G.O. as E₅ presumably as being not susceptible of allotment according to the proportion laid down in the G.O. being a single post.
- (2) The requirements of the Govt (C) will be frustrated if a reservation required in a particular category, viz, curators is not done in that category.

Since according to the report of the S.G.M. in para 1 of his letter on p 5 cf, a ^{civilian} candidate has been appointed on a temporary basis to the post of Curator, Chemical Conservation Section and the post of Curator Archaeological Section may be reserved for civilians. The best among the civilian candidates ^{who applied} has been

appointed to the post of Curator Archaeological Section by the

S.G.M. The S.G.M. may be informed accordingly. It does

not appear necessary that S.G.M. should intimate this formally to Govt in the Pub. Ser. Dept. A copy of the memo to the S.G.M. in this respect may be sent to Pub. Ser. Dept. for information.

3. A draft order is submitted. It may be seen.

The S.G.M. has no choice to make as he appoints the candidate available on a temporary basis. Hence the post of Curator Chemical Conservation Section may be reserved for war-service candidates.

It is always open to the Superintendent to consult the Collector about the availability of suitable ex-servicemen and, if the Collector recommends any names, to consider them along with those of others, who may apply in response to the proposed advertisement.
