Sir,

As you are aware, I am a Candidate selected by the govt. of Madras last year for overseas training, and admission having been secured, Govan Bros, New Delhi were asked by the govt. of India to make the necessary passage arrangements.

2. The Govan Bros had offered me provisionally passage on "Marine Adder" scheduled to sail from Bombay on June 29 and I had written acceptance of their offer. On June 18, I had confirmation of the offer from them, a berth having been allotted to me in the Dormitory class, which corresponds to second class. On the morning of June 19, however, I have a telegram from them saying that as no dormitory class berths were available, they could only offer me either a first or third; and asking whether I would accept either. In case, I accepted the first, it was said that the extra charge had to borne by ~~him~~ me. Since I had been waiting for a year for admission & passage, and since it was intimated that there was no other transport which would enable me to catch the fall session, I reluctantly accepted the

Sir,

Ref — Memo No 58296 C/2/47-1 Edn dated 2.8.47.

Sub — Claim for Rs 299 being the difference in fares of the I class Passage actually availed of for want of the II class accommodation and II class Passage on behalf of Vepa Ramakrishna, an overseas Govt Scholar on board S.S Marine Adder which sailed from Bombay on the 1st of July to San Francisco.

ASSISTANT SECRETARY TO GOVERNMENT
11 AUG 1947
EDUCATION AND PUBLIC HEALTH DEPARTMENT

I have the honour to state that in strict adherence to the reply which my son Vepa Ramakrishna was required to give the Travel agents intimating to them forthwith, in response to their wire dated 19th June (Copy enclosed) to him, his decision to take I class only under the circumstances agreeing to first pay them the difference of Rs 299 between the First Class fare and the Second Dormitory Class fare normally allowed by the Govt to their stipendiaries, he duly paid up this amount in question to the Travel agents at Bombay and purchased a I class passage and then only took his seat in the ship. He thus had actually to make the payment of this amount to the Travel agents at Bombay as per their wire before he could have his passage in the ship. It is therefore surprisingly strange how they could now present the bill to you for the whole I class fare when they are entitled only for the balance or Second class fare of Rs 1694-8-0 and if you pass it, they will be in receipt of this difference amount twice over. I don't think they can now dare deny the receipt of this amount from the passenger himself.

I therefore request you to kindly ascertain from Messrs Gavan Sons Ltd, to make your own position clear whether they were or were not already in due receipt of the excess amount of Rs 299 for the passage fare as per their wire from the passenger himself and if they admit this receipt, why they have now presented the bill for the whole amount. According to the letter which my son Vepa Ramakrishna addressed you on the 19th June explaining to you the circumstances under which he has been obliged to choose the I class option when he is normally entitled only to the II class and requesting you to kindly allow him this amount also he was obliged to advance, which you have since graciously sanctioned, You will have to arrange the payment of this amount to me on behalf of the scholar, passing the bill of the Travel agents for Rs 1694-8-0 only - the usual II or Dormitory class fare allowed to students. I wonder why this slip on the part of the Travel agents has now arisen at all, when the passenger incurred this

Re: Passage arrangements to Mr. Vepa Ramakristna sponsored by the Government of Madras sailed on the s.s. "Marine Adder" of July 1st, 1947 - Your letter No.62689 C2/47-6 Edn. dated 26th August, 1947

pp11-12 ante

The difference between first class and Dormitory class passages were collected from certain candidates sponsored by the various Provincial Governments and the Central Government and it was sufficiently explained to the candidates that they will be reimbursed with this amount no sooner they inform us that they approve of first class accommodation to their candidates and pass our bills for first class accommodation for payment. As such the suggestion implied in Mr. V.V. Narasimham's letter that we should be paid only for Dormitory class accommodation though we have billed for first class is wrong and it is up to the Government either to approve first class or Dormitory class accommodation. The candidates have given the addresses to which this amount is to be sent when their respective Government pass bills for payment as they are i.e. at first class passage.

Now that we are told by you that our bill has been passed on to the Director of Public Instruction, Madras sanctioning first class passage for this candidate, we are reimbursing Mr. V.V. Narasimham with the difference collected as soon as payment is received from the Director of Public Instruction.

I already addressed you on the 25th ultimo a letter stating that as I was duly assured by Messrs Gowan Bros Ltd, Booking agents to the American Express Co Inc, New Delhi in their letter of the 21st instant to me that they would themselves arrange for the payment of the money due to me immediately on their receipt of their ~~du~~ bill duly passed for encashment, you might now unhesitatingly pass their bill. The amount due is Rs 300 only and not Rs 299. as their receipt itself which is with me indicates and this I have pointed out to Messrs Gowan Bros. If the bill is now ~~help~~ held up on this ground without being passed, it would lead to unnecessary delay in payment while all agencies concerned viz the Madras Govt, & Messrs Gowan Bros on behalf of their Bombay agents the American Express Coy have all agreed to pay up my dues as soon as they are paid up in full by the Madras Govt. I am enclosing herewith copies of the letter of the 25th ultimo to me from Messrs Gowan Bros and the receipt issued by the American Express Coy Inc Bombay dated 25-6·47 for Rs 300 to my son Mr Ramakrishna Vepa

Dear Sir,

I am one of the candidates selected by the Government of Madrss for higher technical studies in U.S.A. DUring 1946-47 and I came to this place as per the instructions from the Government to study in Oregon State College, Corvallis Orgon. I travelled to this country by s.s. "Marine Adder" which started from Bombay on the 30th of July '47.

The Government travel AGents, Messrs. Goven Bros. of Delhi advised me of this Passage and they informed me that a dormitory passage was available. But just before our departure from Bombay they said that dormitory passage was not available and only first class was available. ~~But just before our departure from Bombay they said that dormitory passage was~~ and I had to pay an extra sum of Rs.299/- rupees two hundred and ninety nine and get my passage. Because the Government strongly advised me not to reject a passage offered by the travel agents (because it was uncertain when the next ship would sail to this country and because the travel agents also advised me on similar terms I had no other alternative except to accept the passage and to inform you the same. I wrote one letter from Bombay informing you about this and requesting you to arrange for the payment of this sum of Rs.299/- to me. In that letter

The Govt. of India have now made a modified proposal. The suggestion to offer third ~~[illegible]~~ class passages for those candidates who may not accept first Class accommodation, ~~[illegible]~~ on the condition that they will bear the extra expenditure, does not appear to be in keeping with the promise held out to the Scholars at para 4 of "P". In their original telegram the Govt. of India stated, that in view of the lack of accommodation and of the desirability of the candidates sailing to the U.S.A. by the boat which is expected to sail on 29th June 1947 so ~~so~~ that they can join the September course, the travel agents may be permitted to book first class accommodation to the Central Govt. scholars. Please see the notes on pages 1-4 above. The Govt of India have been asked by telegram to agree to allow first class accommodation to all scholars and to share the extra cost involved. (p6 cf) It is not known whether the Govt: of India would agree to this. The steamer is due to sail on 29. 6. 47 and there is very little time left. In the mean time two candidates who have been asked to go by "Marine Adder" have requested Govt. to bear the extra cost involved. (pp 7-13 cf) Sri C.D. Srinivasan has stated his inability (p11 cf) to ~~sail~~ pay the difference ⊗ in fares from his pocket. ~~The only option left before~~

⊗ Rs 300/-

Shipping facilities to the U.S.A. are rare now owing to the Seamen's strike. Marine Adder alone ~~was~~ is the passenger ship going to and from U.S.A. for the past few months and it is understood that this ship is making its last trip now leaving Bombay on 29th June 47.

So, if the scholars miss this boat they will not be able to reach the States in time for the Septr 1947 Session. Admissions are difficult to obtain now-a-days and the admissions ~~now~~ secured already for the scholars should not be lost because of ~~by~~ their inability to afford first class travel by paying the difference in fares. Scholars will be reluctant to go by third cl.

It is for consideration whether this Govt. may agree to bear the entire extra cost involved in respect of Prov. scholars proceeding to the U.S.A. by Marine Adder irrespective of the fact whether the Govt. of India agree to ~~bear~~ share the extra cost or not. in modification of this Dept's proposal at 'X' on p.3 ante. Nine scholars have been asked to go by "Marine Adder". The addl extra cost to Govt. involved in the present proposal is Rs. 1350/-. Finance may see for remarks. They may be requested to treat this file as very special.

I think we should do this - for the reasons indicated above.

2. Nine scholars have been asked by the Govt. to proceed to America to join the college session in September 1947. A boat is due to sail for the U.S.A. on 29-6-47 from Bombay. On 18-6-47 the Govt. of India modified their original arrangement and asked the Travel Agents to offer first class accommodation to scholars who would pay the difference in rates between second and first class, and to offer third class accommodation to those who could not pay the difference. As the modified arrangement would not be in keeping with the promise held out in para 1 above and as it is unfair to ask some candidates to travel in third class while their colleagues who can afford to pay the extra cost travel in first class and others for whom accommodation has been secured travel in second class, this Govt. have asked the Govt. of India to adhere to their original arrangement and agree to allow first class to all scholars, Central and Provincial sharing the extra cost involved.
