To

The Secretary to Government,
Public Works Department
Madras.

Letter No. 1037 A2/47-2 dated 4-6-47.

Sir,

Sub:-- DISTRICT BOARD INDUSTRIAL SCHOOL AT TANJORE --
ASSISTANT ENGINEER (HIGHWAYS) TANJORE TO BE
CORRESPONDENT -- REGARDING --

Ref:-- Para 1 of my letter No.1498 E/47-HR dated 8-4-47.

I enclose a copy of the letter from the Special
Officer District Board Tanjore, requesting permission to
utilise the services of the Asst. Engineer (Highways) Tanjore
as correspondent of the District Board Industrial School,
Tanjore along with a copy of the remarks of the Superintending
Engineer (Highways) IV Circle in the matter.

2. Consequent on the re-organisation of this
Department from 1-2-47, there is a general complaint about
the inadequacy of Asst. Engineers since the jurisdiction has
increased. With the present difficulty to cope with the regular
Engineering Works of the department (both Government and District
Board) if additional works are allotted to the Asst. Engineer
(Highways) Tanjore, the result will be that neither the regular
work of the department nor the work as correspondent of the
Industrial school will be attended to in the proper way and
delays are likely to result. The utmost that can be expected
under the above circumstances, I request that the special
Officer, District Board Tanjore may be informed of the position
and directed to relieve the Asst. Engineer (Highways) Tanjore
of the work of correspondent of the Industrial School. This
work as correspondent may be attended to by some officer of
the District Board like the Secretary.

Encl:-- 1 copy of S.O's letter
2. copy of S.E's letter
with enclosure.

Sub:-- EDUCATION -- SPECIAL SCHOOLS -- DISTRICT BOARD INDUSTRIAL SCHOOL TANJORE ASST. ENGINEER -- HIGHWAYS, TANJORE --CORRESPONDENTSHIP PERMISSION SOUGHT.

The District Board, Tanjore, is running an Industrial School at Tanjore from 1936 and it has been recognised by Government. The School is imparting instruction to several pupils in various vocations and it is a great boon in these days of post war unemployment.

Besides the staff of the School detailed in the margin with the Superintendent at the head there have to be a manager and a correspondent for the School. The President, District Board is the Manager. As the Deputy Director of Industries desired the appointment of a technical man as Correspondent, the Assistant Engineer at Tanjore has been all among the correspondent of the School. His duty is to check all indents, visit the School whenever he happens to be at headquarters, give advice on technical matters and countersign all bills of the School.

The Divisional Engineer (Highways) Tanjore now requests that the Assistant Engineer (Highways) Tanjore may be relieved of the duties of correspondent of the School as the work he has to attend in connection with Engineering have become considerably heavier after the recent re-organisation. But there is no other official of the District Board to whom this work can be entrusted. It would be impossible for the President of the District Board or the Collector and Special Officer who is temporarily assisted by a Personal Assistant to take up this correspondent-ship. I have arranged for the transfer of one attender from the District Board's Office, Tanjore, to the Office of the Assistant Engineer (Highways) Tanjore for attending to clerical work and there will not be much difficulty or inconvenience to the Assistant Engineer (Highways) Tanjore in continuing to be the correspondent of the School.

I therefore request permission to utilize the services of the Assistant Engineer (Highways) at Tanjore, as correspondent of the District Board, Industrial School, Tanjore.

Sub:-- EDUCATION -- SPECIAL SCHOOLS - DT. BOARD INDUSTRIAL SCHOOL -- TANJORE -- ASST. ENGR. TANJORE -- CORRESPONDENTSHIP REMARKS FURNISHED.

Ref:-- Your Memo 1037.A.47.1. dated 29-3-47.

With reference to your above memo, I submit herewith a copy of letter F.Dis.3485/47.A.10 dated 15-5-47 from the Divisional Engineer (Highways) Tanjore West division for information and orders. In the circumstances stated by the Divisional Engineer (Highways), it will be inadvisable to add more work to the Asst. Engr. who is already overburdened with his regular duties.

Sub:-- Education-Special Schools -Dt. Bd. Industrial school Tanjore -- Asst. Engr. -- Tanjore -- correspondentship-- Remarks - Furnished.

Ref:-- Suptg. Engr's Rc.3650/47.A1 dated 15-4-47.

I enclose herewith a copy of this office Rc.A7.1098/47 dated 12-2-47 to the special officer, Tanjore Dt. Bd. in the matter. I agree with the special officer that a technical man as correspondent of the Industrial school will be very useful to give advice on technical matters and countersign bills. In the beginning the president Dt. Bd. wanted the assistance of the Engineering department in regard to selection of timber. This was being done. Later, the president Dt. Bd. desired the Asst.Engr. and the Divl. Engr. to take up many more miscellaneous work of the Industrial school and to assist him in the best administration of the Industrial School. With some difficulty, these were then attended to. Because there were 16 supervisors and one taluk less than the present jurisdiction of 6 taluks. Moreover the president Dt. Bd. was then the administrative head. Now with the re-organisation, the jurisdiction is increased by one taluk, the supervisors reduced to 13 and the volume of work and correspondence has increased twofold. With the change of ~~highways administration~~ administration, even the President Dt.Bd. has begun reporting to the higher authorities the cases of delays.

It will be futile to add more work to the Asst. Engr. who is already overburdened. The special officer may kindly be intimated that attempts are made to secure 4 Asst. Engrs. and 16 supervisors to this division which on achievement will reduce the work of the Asst. Engr. Tanjore and the work of the Industrial school, will be taken over by the Asst. Engr. Tanjore then.

To The Secretary to Government, Local Administration Department, Fort Saint George, Madras

RC.No.A7.5781/47 dated 1.10.47

Sir,

Sub: EDUCATION - Special schools - Dt.Bd.Industrial School - Tanjore duties of Correspondent

Ref: G.O.No.Ms.1757.Edn., dated 5.8.1947

It has been ordered in the above Government Order that the Secretary of the District Board should be asked to perform the duties of the Correspondent of the District Board Industrial School, Tanjore.

As there is a Special Personal Assistant now working under me and as his services can be utilised, I propose to appoint him as Correspondent of the school as long as his post lasts. I request that Government may be pleased to accord their approval to this proposal.
