I have the honour to invite the attention of Government to their Memo. above referred to and request that early orders on the compilation and printing of Volume II of the Report on Public Instruction may be passed. I may point out in this connection that Volume II of the Report consists of two parts and Part II of the same contains subsidiary tables which give particulars for each college, secondary school for Indian boys and girls and training schools for Masters and Mistresses and European Schools and districtwar particulars of Elementary Schools under each management. This Part II used to be printed for supply to the departmental officers alone, but was suspended with reference to Memo.No.43523-A.6 dated 23rd February 1946, for the duration of the War. Even prior to its suspension Government in 1932 consider the desirability of condensing this part of the report in view of the paper and labour involved in it - vide Government Order No.1509 Ms.Law Edn. dated 14-10-32.

I consider that Volume II Part II is not so very necessary as an annual publication. But still in view of the fact that it will serve as a documentary report of the progress made in education I wish to print and publish it once in 5 years along with the publication of the quinquennial Report. As the report for 1946-47 is a Quinquennial Report I propose to print Part II of Volume II along with it.

To my request to sanction one more clerk for the work relating to the Report on Public Instruction, Government in their Memo No.1121 Edn., dated 5-6-1946 stated that this question would be considered when the matter of Printing Volume II of the Report was taken up. I therefore request that the question of sanctioning an additional clerk for compilation work, if Volume II is revived may also be considered. In case Government approve of my proposal to revive the printing of Part II of Volume II as a quinquennial publication, I further request that in view of the labour involved in collecting, compiling and printing of this part, one more additional clerk may also be sanctioned once in 5 years for a period of 8 months beginning from May.

P.T.O.

Since statistics have to be collected before the closure of the schools and colleges for the summer vacation, instructions for the preparation of the Annual Returns have to be issued to my subordinate officers even now. I therefore request that Government may be pleased to pass early orders.

ABSTRACT.

ESTABLISHMENT - OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION -
ADDITIONAL LOWER DIVISION CLERK SANCTIONED.

-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-V-

From the Director of Public Instruction, Re.No.472 -F/45 dated
18-4-46.

ORDER:

The Director of Public Instruction is informed that the staff of one Superintendent, one Upper Division clerk and three Lower Division clerks sanctioned in G.O.2141 Education dated 18-12-45, was not solely for the formation of a new section as presumed by him. The one Upper Division clerk sanctioned was for strengthening the B.Section (Elementary Education Section) of his office and the new section was to be formed with the remaining staff, the existing Upper Division clerks in other sections being distributed among the ten sections having regard to the nature of work in each. The orders in para 3 of G.O.No.662 Education dated 26-3-46, do not, therefore, require any modification.

2. The Government consider that, for the preparation of volume I of the Report on Public Instruction, it will be sufficient if one Lower Division clerk assists the permanent Upper Division clerk.

They accordingly sanction the employment, till 2-4-48 (inclusive) of one Lower Division clerk, on Rs 37-70, plus dearness allowance, in the office of the Director of Public Instruction.

The Assistant Secretary to the Govt. of Madras,
Education and Public Health Department,
Fort St. George, Madras.

With reference to your enquiry made on the phone to Mr.

R. Narasimhulu Naidu, Personal Assistant to the Director of Public Instruction regarding particulars of clerical staff employed for P-I.R. work, I furnish below the information.

I. STAFF FOR THE LAST QUINQUENNIAL REPORT:

No special clerical staff are sanctioned for the preparation of the quinquennial Report. The normal strength of the section employed to prepare the Report on Public Instruction, both volumes including Part II of Volume II is 1 Permanent Upper Division clerk and 4 temporary lower division clerks.

In this connection kind attention is invited to G.O.No.

- (N) Ms.523-Education dated 24.3.1942 sanctioning a lump sum amount of Rs. 2,200/- for the employment of these four lower division clerks. This was later sanctioned permanently in the time scale of pay in (V) G.O.No.Ms.1847-Education dated 30.12.1942. But as already explained to Government in my letter R.C.No.472-F/45 dated 15.3.1946 disposed of in G.O.No.Ms.663-Education dated 26.3.1946, two of the four clerks assigned for P.I.R. work has been taken away to the Elementary Education Section. Kind attention is also invited to my letter R.C. No.472-F/45 dated 18.4.1946 disposed of in G.O.No.Ms.1121-Edn., (Y) dated 5.6.1946.

II. Existing Staff for P.I.R. Work:-

Two clerks (One Upper Division clerk and a Lower Division clerk). *pp 7-8 d (Y)*

III. Need for extra staff:-

The existing staff is enough for preparing Volume I of the Report only. If Part I of Volume II is revised one more clerk will

P.T.O.

be required and if both the parts of Volume II are revived an addition of two more clerks will be absolutely necessary.

Report on Public Instruction - Printing
of Vol II

The Public Instruction Report consists of Vol I (narrative portion and General Educational Tables) and Vol II, Part I (supplemental statistics) and Part II (Subsidiary Tables). In 1943 on account of the very serious shortage of paper the Govt decided that the preparation of the report should be stopped for the duration of the war. Subsequently on a representation made by the Govt of India the Govt resumed their previous decision and ordered the preparation of Vol I of the report for 1942-43 together with the usual general tables, the question of preparation of Vol II of the report being left to be decided later. Last year the D.P.S. raised the question of preparation and printing of Vol II of the report. As the paper position was not satisfactory he was asked to renew the proposal this year. He has accordingly renewed the proposal.

In this connection the Director has pointed out that Vol II, Part II is not so very necessary as an annual publication and that this part may be published once in five years. The Director ^{proposes} ~~suggests~~ that as the report for 1946-47 is a quinquennial report Part II may be printed this time.
