From (Name) SRI D.S. REDDI, M.A., (OXON) M.B.E.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

I have the honour to request that Government
may kindly sanction the employment in the current year
of a Demonstrator in Geography and two attenders - one
for Physics and the other for Chemistry - in the following
circumstances:-

There are at present two members for the teaching
of geography in the Intermediate and B.A. classes - one
Lecturer and one Assistant Lecturer. There are 45 students
in the 4 classes and the work consists of 24 hours of
lecture, 8 hours of practical, 3 hours of tutorial and
the correction of 45 note books. Besides, the students

p.t.o.

the students are expected to do surveying and field work for a minimum of 64 hours per term. The Principal states that with the introduction of Practical examinations for the Inter and B.A. classes, it has become necessary to increase the number of working hours for surveying and field work in the subject which will make the work of the present staff heavy and that a demonstrator is essential. I agree with the Principal that it will not be possible to carryout the increased surveying and field work without additional staff. The employment of a demonstrator is therefore necessary.

2. There are at present 3 attenders in each of the Physics and Chemistry laboratories. The Principal states that these attenders are unable to help the lecturers in their lecture hours for arranging demonstration experiments as they have already heavy work in the laboratories. She requests that 2 additional attenders may be sanctioned. I support her request.

3. I request the favour of early orders.
