Sir,

* Sub: Soldiers - Board Fund for purposes of Educational concessions to children of Ex-armymen (Great War of 1914-18.)

ENCLOSURES _____

SPARE COPIES _____

In connection with the award of Educational concessions to the children of Ex-army men of the Great War of 1914-18, a sum of Rs.5200/- invested on 3% loan of 1962-65 belonging to the Soldiers Board Fund, is at present, being administered by me and is kept in the safe custody of the Manager, Reserve Bank of India, Madras. The interest that accrues therefrom viz. Rs.77-12-0 per half year is credited to my personal deposit Account and is utilised for the award of the sa concessions. This half-yearly interest alone is not at present sufficient to meet the entire claim of concessions. Until last year the entire demand was met from the amount in my personal deposit account which included the half yearly interest; but this year the amount standing in my personal deposit account has dwindled down to Rs.78-1-10. The total claim of concessions to be awarded this year is Rs.700/- approximately inclusive of an arrear claim of Rs.292/- relating to last year. It is not therefore possible to meet the entire demand of concessions this year from the amount standing in my personal deposit account and this difficulty will recur year after year.

In the circumstances, I consulted the Manager, The Reserve Bank of India, Madras, as to whether I could draw upon the security of 3% loan of 1963-65 an amount equal to the sum required for meeting the concessions and that the amount required every year might be transferred to my personal deposit account and amounts drawn from it as and when sanctions are accorded and cheques issued every year. The Manager suggests, in his letter Sec.12/2956 dated 30-10-46 (copy enclosed) that for meeting the entire demand of the concessions to be awarded under the above fund, I, as the administrator of the fund, can effect a part sale of the securities and transfer the proceeds so

sold to the credit of my personal deposit account with the bank. I endorse the suggestion of the Manager.

As has already been pointed out in para (1) above a sum of Rs.700/- is required for meeting the arrear and the current years' demands. I therefore propose to effect a part sale of the securities to the extent of Rs.700/- and credit the proceeds of securities so sold to my personal deposit account with the Bank. I request that Government may be pleased to approve of my proposal.

Soldiers Board Fund for purposes of Educational concessions to children of Ex-army men (Great War 1914-18).

With reference to your letter C.No. 9384 W3/46 dated the 22nd October 1946, we have to advise that the entire demand of concessions on account of the above may, if the administrator of the fund so desire, be met by the part sale of the securities of 3% loan 1963-65 for Rs.5,200/-, held by us on your behalf on that account. The proceeds of securities so sold, will be credited to your personal deposit account with the Bank.

2. For that purpose a requisition for sale of securities of the above loan for the required face value should be sent to us signed by you personally to enable us to do the needful as stated above. The 3% loan 1963-65 quotes today at Rs.105/-%, which rate is subject to daily fluctuations.

3. Please note that the Bank charges a commission of annas two per cent on sale of securities in addition to any other outlay on brokerage, as laid down in paragraph 111 of the Govt. Securities Manual, 3rd Edition.

Expenditure to be met from Soldiers' Bd. Fund.

G.O. 111 Rev. (94)
15.3.199
In 1919, the Government constituted Madras Soldiers' Board to deal with the question affecting the interest of serving discharged and deceased Indian soldiers and non-combatants and their dependants belonging to the Madras Presidency. This organisation was more particularly expected to deal with, among other things, Educational Concessions for their children. In 1930 the Madras Soldiers Board reported that the reasons for the perpetuation thereafter did not exist. The Govt. agreed with the above view and directed the Madras Soldiers' Board to be abolished with effect from 1-5-30. The fixed and current deposit to the credit of the Madras Soldiers' Board on the date of its dissolution were transferred to the Indian Soldiers' Board. The unspent balance of the Mil. grants made under G.O.No. 755 Public dated 22nd October 1924, was placed at the disposal of the D.P.I. and was continued to be utilised at his discretion for providing free schooling for the children of the Indian Soldiers' Board on the active list of the army between 4-8-1914 and 11-11-18. A sum of Rs 5200 invested on 3% loan of 1962-65 belonging to the Soldiers' Board fund was being administered by the D.P.I. and is kept in the safe custody of the manager the Reserve Bank of India, Madras. The interest that accrues therefrom is credited to the personal deposit fund account of the D.P.I. and it is utilised for the award of Educational concessions, to the children of those who served in the 1914-18 war. The D.P.I. now says that the personal deposit account which includes half yearly interest has dwindled down to Rs 78-1-10. He further says that the total amount of concessions to be awarded this year is Rs 700/- and since the amount standing in the personal deposit account is only Rs 78-1-10. It is not possible for him to meet the entire demand of concessions amounting to Rs 700/- from the amount of Rs 78-1-10 standing in his personal account. This difficulty is expected to occur year after year.
