Reference:--Government Memorandum No.50720-B1/46-1 Education dated 5th September 1946 to the Director of Public Instruction transferred to me for action.

The Secondary School-Leaving Certificate Text-books are printed and published by the Madras and Andhra Universities. Heads of High Schools recently brought both to my notice and the Registrars of the Universities that copies of text-books have either been received long after the reopening of the schools or not received till the time of writing. On investigation, it has been found out that the delay was due to the postal and Railway strikes and inadequacy of the number of copies originally printed. Arrangements have been made for reprinting the books.
