To The Secretary to the Government of Madras,
EDUCATION AND PUBLIC HEALTH Department.

Sir,

I have the honour to submit for the consideration of Government a proposal for keeping in abeyance the Junior B.A. Class in the Government Muslim College for Women, Madras. This question has been taken up at the suggestion of the Hon'ble Minister for Education.

2. The strength of the B.A. Classes in the current year is as follows:

Junior Group IV(b) ... 9 (1 Muslim and 8 Non-Muslims)
Senior ... 5 (2 Muslims and 3 Non-Muslims)

I consider that the strength of the classes is very low as not to warrant their retention. As a first step, I would suggest that the Junior B.A.Class alone be kept in abeyance

this year. This does not require the permission of the University. The University regulations only require that an intimation should be sent to them and that any class may be kept in abeyance for a period not exceeding three years.

2. The abolition of the B.A. Class was also considered last year - vide D.O.No.49434 A/46-2 Education, dated the 16th October 1946 and this office reply RC.No.6318 K.2/46 dated 12th November 1946. There was some justification for the continuance of the class last year as the poor strength was, it was thought, due to the late opening of the college. But actually this year, there is only one Muslim student as against two last year.

4. There are also difficulties. No women with the requisite qualifications are available to teach Urdu and the Islamic History and the posts have been kept vacant. The one student who was admitted into the college last year for Group IV(d) has not received any instruction in the subject.

5. In the above circumstances, I recommend that the Junior B.A. Class may be kept in abeyance in the current year and that the 9 students be transferred to the Queen Mary's College, Madras. I have ascertained from the Principal, Queen Mary's College that the Junior B.A.Class there is not full and that these students can be admitted. I have also ascertained that permission of the University is not necessary for the transfer of these students; but that such permission is necessary in the case of senior students.

for Director of Public Instruction.

KAN.9/8

Secy., E.& P.H.

In view of the figures given above, I think, in justice, we must abolish the B.A.Classes in the Muslim Women's College. The staff that we are maintaining for these girls is about 15 and the students are only 14. Out of these, Muslim girls are only 3. In these circumstance it is a colossal waste of public funds to maintain these 2 classes. These classes may be ~~abolished~~ kept in abeyance and these girls admitted in the Queen Mary's College.

Sir,

REF:- G.O.No.1796, Edn., dated 9th August 1947.

In my letter R.O.C.No.6318 K.2/46 dated the 9th August 1947, I recommended that only the Junior B.A. Class in the Government College for Muslim Women, Madras, be kept in abeyance in the current year, but Government have ordered that the Senior B.A.Class also to be kept in abeyance and that the students may be transferred to the Queen Mary's College, Madras. I submit that there is a difficulty in keeping in abeyance the Senior B.A.Class. There are at present in the Senior B.A. Class two Muslim Students = one taking Gr.IV(d) Islamic History and Culture and another Gr.V. Urdu. As the Queen Mary's College is not affiliated in these subjects it is not possible to transfer these two students to that college. It is not also possible to get the college affiliated in the subjects in the current year. I would, therefore, suggest that the present Senior B.A.Class may be continued this year.

2. If, however, the above proposal is not acceptable to Government, I suggest that the 2 Muslim students referred to above may be transferred to the Government Muslim College for Men where there is provision for these groups and where Muslim girls are studying now in the Honours class and where there is also provision for purdah. The three Non-Muslim students who have taken Group IV(b) Economics and History may be transferred to the Queen Mary's College, along with the Junior students.

3. I request the favour of very urgent orders in the matter. On receipt of orders, I shall submit my proposals for the reduction of staff in the college.

H.M. (Edn.)

I have seen the note of the D.P.I. I have had an informal talk over this matter in the meeting of the Standing Finance Committee. They also think that the B.A. classes in the Muslim Women's College may be abolished and these girls admitted in the Queen Mary's College as far as possible. I understand there are one or two girls whose groups are not provided for in the Queen Mary's College. These girls may be admitted in the Muhammadan Men's College and arrangements made in the College, so that, if the girls choose so, they may have their instruction in purdah. In this connection, I may also state that I have informally consulted Mr. Md.Ismail, Leader of the Opposition in the Assembly, and he was also not disagreeable to the proposal, provided we arrange to open the higher classes when we get proper strength. In fact, the orders are not for abolishing these classes but to keep them in abeyance, so that if and when Government consider it necessary, they may be re-opened.

Orders about keeping the B.A. Classes in the College in abeyance may be issued after the holidays in connection with the Independance Day Celebrations, on the 19th or 20th of this month.

Sir, Govt. College for Muslim women, Madras - Abolition of PH classes.

—

With reference to your letter No. 9/47-47 dt 13.8.47 on the subject mentioned above I am directed to forward a copy each of the orders mentioned below: —

(1) Go No: 1796 Edn dt 9.8.47
(2) Memo No: 65267A-1 dt 13.8.47

The reasons which induced the Govt. to keep the classes in abeyance is that the strength of the PH classes in the College was so low as not to warrant their retention, employing a staff of about 15 members for the sake of 14 Students. The Govt. have not abolished the classes but have only kept them in abeyance so that they can be revived when there is proper strength. They have also made adequate arrangements to give the Students instruction in other colleges.

I have to add that the Hon'ble Minister for Edn had an informal talk with Mr. Abd Samad, Leader of the Opposition

Dear Sir,

I understand that the Government are intending to reduce the Government College for Muslim Women, Madras from the status of a first grade to that of a second grade institution. Such a step, if taken will indeed, be a retrograde one, and will greatly wound the feelings of the Muslims. At a time such as this when the need is imperative for more Colleges and when more and more Colleges are being established, to reduce the existing first grade Women's College to the position of a second grade institution is very undesirable.

If you will look into the history of other institutions, you will find that every new institution has begun with small numbers. The Government Muslim College for Boys, I learn, had but a handful of students on its rolls when it started, but its strength increased rapidly and to-day it has a very large number of students in each class.

Though the number of students in the B.A. Classes in the Government College for Muslim Women is not large, I wish to emphasize that is sufficient to warrant the existence of these classes and the abolition or the temporary suspension of these classes is not at all justified.

The paucity of numbers in the above mentioned College in the B.A. Classes, I may point out is due to the fact that the Government did not provide this College with a Hostel, though I have been drawing attention to this matter time and again on the floor

of the Assembly. Had a Hostel been provided when the College re-opened after the summer recess, as I earnestly requested, the result would have been different. Muslim girls from Vellore, Malabar and other places were anxious to join the Government College for Muslim Women at Madras for their Degree courses, but they were prevented from doing so for lack of Hostel facilities. As a matter of fact even some girls who had joined the institution left the College because there was no Hostel. Besides, it must be remembered that this College is not affiliated in the Science groups. This is due to the fact that the Government have not constructed the promised building for the institution . As soon as this building is put up and the

Dear Sister,

Let me thank you for your letter of the 14th instant which I was able to see only yesterday. The Government have not abolished the B.A. Classes but they have only kept in abeyance. No girl of any community suffers because of this arrangement as all of them have been admitted in other colleges. The Government will be prepared to consider favourably the matter of opening these classes whenever there is sufficient strength. You will understand the position clearly when I say that there are about 14 students and the staff forthem are about 15 and the money saved for Government will be about Rs.20,000. I hope in these circumstances, you will kindly appreciate the position of Government in these days when we are running at very heavy deficits.

Yours sincerely,
