R.O.C.No. 582-B1/47.

Station M a d r a s., Dated the 10th M a y 1947.

From (Name) DR. S.R.U. SAVOOR, M.A., D.Sc., I.E.S.,  
(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,  
EDUCATION AND PUBLIC HEALTH Department.

Sir,

In order to provide facilities for the training of  
of Women teachers on basic lines, a reference was made to the  
Correspondent of the Grama Sevika Training Centre, Seetha-  
nagaram, requesting her to state whether she would be willing  
to have ~~aided~~ her school recognised and aided by the Depart-  
ment. The Correspondent is not anxious to get her institution  
recognised by the Department since the institution has been  
recognised and aided by the Hindustani Talimi Sangh, but she  
is willing to take 50 trainees if deputed under certain  
conditions. A copy of her letter dated 24-4-1947 is enclosed.  
It is therefore suggested for the consideration of Govern-  
ment whether women candidates from the Telugu area may be

p.t.o.

deputed for training on basic lines in the above institution.

2. The following points may also be considered in this connection:

- (1) That the teachers who are deputed for training shall be allowed a stipend of Rs.18/- p.m. during the period of training.
- (2) That the local bodies and private agencies who depute teachers for training should disburse to the teachers during the period of training the pay and allowances to them to which they are eligible; Grants will also be assessed from provincial funds on behalf of teachers selected from aided schools.
- (3) That the charges on ~~meds~~ equipment, etc. should be met by the trainees themselves;
- (4) That the fees charged viz. Rs.10/- per mensem per pupil shall be met from the provincial funds and
- (5) That a special grant shall be paid to the school authorities for the construction of temporary sheds to accommodate the trainees deputed.

It is submitted that the conditions (1) & (2) mentioned above are ~~analogous~~ <sup>analogous</sup> to the concessions granted in the case of trainees of the Basic Training Schools, Perianaickenpalayam & Vinayashramam. Regarding condition (4) the fees charged by the Wardha school for the trainees deputed were recommended to Government for payment. The same procedure as was adopted in the case of Wardha trainees may be adopted in respect of the trainees that are deputed to the Seethanagaram school also. Regarding (5) it may be stated that the construction of temporary sheds will be necessary for providing lodging for the trainees, - the amount of grant that may be required to be paid towards the construction of sheds will be ascertained from the Correspondent and reported in due course if Government approve of the proposal to depute Women candidates to this institution for training on basic lines. The Syllabus followed by the institution is the one followed at the Wardha School.

Ref: Your letter dated 16-4-47.

I am sorry I don't have a <sup>nted</sup> private copy of the syllabus followed by us at present. I shall send it to you at my earliest convenience. Our syllabus is same as that of the Hindustani Talimi Sangh.

The information which you sought is given below:

- 1) I can reserve 50 seats for the trainees deputed by you. Please see that all the 12 firkas are equally represented. I may also inform you in this connection that we have no spare houses to provide lodgings for your deputees. So the Govt. will have to make a special building grant for that purpose.
- 2) Yes. We charge 20 Rs. Food charges per student per month. In addition to this, miscellaneous expenses such as craft equipment, cotton, note books, ink, oil soap etc. will come to Rs.10/- per month. So all in all a stipend of Rs.30 should be sanctioned per student per month.
- 3) Yes. 10 Rs. per student per month.

The Institution will be closed for summer vacation from May 1st to June 16th. So you may carry on your correspondence with me to the address given below:-

4. Taking everything into consideration, it is best to convert one of the Government Training schools for mistresses in the Andhra area into a Basic Training School from the beginning of the next school year. Proposals have already been submitted to Government for the conversion of seven Government Training Schools in the Presidency into Basic Training Schools, for consideration, in connection with the Part II estimates for 1948-49. A suitable place for locating a Basic Training School for the Andhra Women teachers will be selected and a further report submitted to Government.

possible. So I am sorry to inform you that unless you decide to send 30 students I won't be in a position to undertake to train the Government Deputies this year. Any number less than that can be accepted only at the beginning of the next session in June 1948.

I would also like to state that if the Government ever wants to send its deputies to this place it may do so only after making the necessary hostel arrangements at their own cost within the premises of the Ashram. I request you to refer to my letter dated 24-4-47 in which it was made plain that there are no spare houses at my disposal and that the Government have to make a special building grant for providing the trainees with hostel accommodation. May I know the Government decision with regard to the sanction of the building grant.

C.No. 40373 From the D.P.I. Rec No. 582-B1-47 dated 10th May 1947.

Sub: Training of Women teachers in Basic Education in Andhra Desa.

The D.P.I. has submitted proposals for the deputation of 50 <sup>women</sup> teachers for training in Basic Education in the Grama Sevika Training Centre, Seethanagaram (Kistna District). The following expenditure <sup>add</sup> according to the D.P.I., ~~should~~ be incurred from Provincial funds on behalf of the trainees.

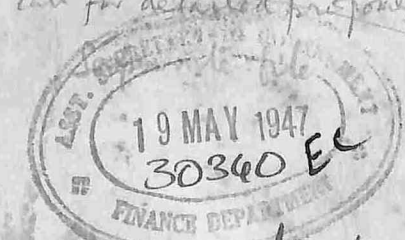

- (1) Payment of stipend at Rs 18/- a month per trainee;
- (2) Payment of subsidies and grants to ~~Local Bodies and~~ managements of schools, who depute teachers for training; <sup>[if local bodies depute teachers, subsidies may also have to be given]</sup>
- (3) A fee of Rs 10/- per mensem per trainee payable to the institutions;
- (4) A special grant to the institution towards the provision of accommodation for the trainees to be deputed.

The Director has not specified the period of training. Presumably it will be for 9 months. On this basis the expenditure to Government under items (1) (2) & (3) above will be Rs 30,000 <sup>as per report</sup>. The extra cost under item 4 ~~cannot be determined~~. The Director says that the extra cost under item 4 will be ascertained and reported to Govt., if Government sanction the deputation of <sup>12</sup> teachers for training.

2. Recently, the Director proposed that <sup>Konchikuram</sup> Basic Training School conducted under private management at ~~Konchikuram~~ might be taken over by Government and utilised for training women under the Basic scheme. He has since withdrawn the proposal.

3. Under orders of H.M., a basic training section (a Higher Elementary Grade) is to be opened at Cuddalore for training Women teachers in the system of Basic Education <sup>for</sup> the Tamil Nad. The proposal of the Director aims at training Women teachers in Basic Education for the Andhra Area. It is for orders whether Director's proposals may be accepted.

4. The file may be sent to Finance <sup>for remarks</sup> before circulation.

2. The proposal is to depute 50 women teachers for training in Basic education in the Grama Sevika Training Centre, Seethanagaram (Kistna District). As the cost of the scheme is roughly estimated at Rs.29,900/- (excluding the cost of temporary sheds), it should be treated as on a 'new service'.

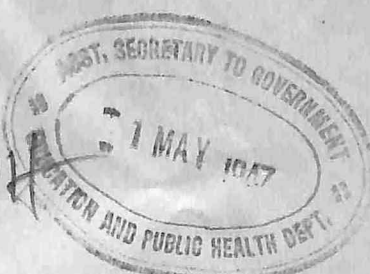

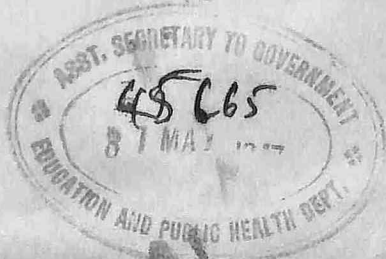

3. It is submitted that the necessity <sup>for</sup> and the urgency of the scheme has not been clearly explained. Schemes involving new expenditure, such as the one under consideration, can be sanctioned for introduction in the course of <sup>a</sup> the financial year only when they satisfy one or other of the criteria laid down in para.2 of Finance U.O. Note No.21735-B.G.-1, dated 19-5-1947. In the present case, it cannot be said that the scheme satisfies any of the criteria referred to above. In view of the above and of the large cost involved in the proposal, Finance may advise that the scheme <sup>may</sup> be brought forward for consideration as a Part II scheme for 1948-9, after obtaining a detailed estimate of the extra cost involved from the D.P.I. & H.M. (Finance) ~~may also be obtained as to whether this may be treated as a Part II Scheme for 1948-9.~~

4. If, however, it is finally decided by Government to introduce the scheme in the current year, E.P.H. may be requested to follow the instructions issued in para.3 of Finance the U.O. Note dated 19-5-1947.

the teachers. Assuming it is to be for nine <sup>months</sup> years, the expenditure on account of this proposal works out to <sup>nearly</sup> Rs.30,000 besides, the govt may have to meet the expenditure connected with the provision of sheds for the lodging of trainees at Seethanagaram. The Director has promised <sup>to furnish</sup> a more accurate <sup>estimate</sup> expenditure of the extra cost after the govt decide on the question of deputation.

2. The Finance dept suggests that the proposal may be considered as a part II scheme for 1948-1949. If it is considered that the scheme should be introduced this year itself, then the matter should have to be placed before the Standing Finance Committee and necessary funds provided by presenting a supplementary estimate of expenditure before the Legislature. <sup>As been</sup> <sup>discussed</sup> this procedure <sup>is</sup> gone with, the deputation of trainees can be sanctioned.

3. The file may be circulated to H.O. (Edn) for orders whether the proposal to depute teachers to Seethanagaram <sup>may</sup> be treated as a part II scheme for 1948-49 or to be placed before the Standing Finance Committee and further action taken.

A reference will be made to the D.P.I. <sup>for further details</sup> <sup>Only</sup> after the decision of govt is known.
