SECRETARY, EDN. AND P. H. DEPT.
25 MAR 1947
GOVERNMENT OF MADRAS

1/2

Board of Revenue,
Chepauk, Madras.
Dated: 24th March, 1947.

From
Sir Gerald Priestley, KCIE., ICS.,
Chairman, Technical Selection Committee,
Madras.

To
The Secretary to Government,
Education & Public Health Department,
Fort St. George, Madras.

Sir,

Overseas Scholarships - 1947-48 - Selection of candidates - Recommendations submitted.

----

I have the honour to enclose the list of recommendations made by the Committee which was appointed in G.O. Ms.No.71 Education, dated 16-1-1947. (C) The Committee had a preliminary meeting on the 26th of February at which it settled its procedure, and it met for interviewing the candidates from the 11th of March to the 21st of March. On the 22nd of March it met again to consolidate its recommendations and to prepare its report. The Committee was able to recommend candidates for all subjects and its recommendations will be found in the enclosed appendix.

1 p 3 – 11 infra

para 4 of note at (R)

The Committee bore in mind the Government's instructions with regard to observing some degree of communal and linguistic representation, but this was only done where qualifications were substantially equal. In no case did the Committee place any man with lower marks above one with higher.

The number of candidates who were interviewed was 473.

cf. p 9 infra

In the case of Mr. J. Dorai of Tanjore (who had applied for scholarships for Appendix II-N Navigational Research) who is a distant relation of Mr. T.M. Narayanaswami Pillai, one of the Members of the Committee, he took no part in the examination of the candidate, and the decision was arrived at by the other two members of the Committee.

I have the honour to be
Sir,
Your obedient servant,

24/3/4
Chairman.

Chairman,
Technical Selection Committee,
Madras.

# NOTES.

1. Method of selection:

The candidates were selected taking into consideration their educational qualifications, their bearing, personality, their reaction to questions of common interest and also their practical experience.

2. Any other comments:

The Committee suggests that scholarships be given for advanced studies in other countries only to persons who have completed an adequate course of training here in Madras in a College or other Institution and have done further work for at least one year either occupied in some substantial research or employed in the industry for the study of which the scholarship is required. Such a foundation is required if they are to derive the full benefit from the course for which they are sent.

In this present examination it was noted that quite a large number of persons appeared who could never have had any real hope of being selected.

It was also noted in this selection that in some cases Government servants with long experience of 10 or more years appeared, to compete against boys fresh from College. This obviously means a waste of effort. The Committee was bound to select the more experienced persons as obviously they were the better men; but inexperienced persons from Colleges should not be asked to attend examinations in which they have to compete with experienced men of the world in this way. It is suggested that the examinations be divided up in some way so that this very unfortunate kind of competition may be avoided. It is because of this that in the list of recommendations submitted will be found recommendations to the effect that some of the persons proposed for selection would be better dealt with by being deputed for training at Government expense.

SUBJECT: Scholarships for Advanced Studies Overseas 1947-48 - Madras Provincial Government Scheme.

Sir,

While acknowledging the receipt of your letter No.24551/C2/47-2, dated the 23rd April, 1947, together with the applications and other documents of the candidates recommended by the Provincial Government for the award of Provincial Overseas Scholarships in 1947-48, I am directed to inform you that the Central Selection Board, Overseas Scholarships 1947-48, has now dispersed after concluding its work.

pp 15-22 ante

It is regretted that the Provincial Government could not send their recommendations by February 28th, 1947, as they were requested to do so vide this Department letters Nos. F.5-15/46-O.D.IV., dated the 25th October, 1946, and F.1-1/47-ODIV, dated the 4th/6th November, 1946. The Provincial Government were further requested telegraphically vide this Department telegrams Nos. F.1-1/47-ODIV, dated the 26th February, 1947, F.1-1/47-ODIV, dated the 3rd March, 1947, F.1-1/47-ODIV, dated the 6th March, and of even number, dated the 17th March, 1947, to send their recommendations without further delay. The recommendations have, however, been received in this Department only on 30th April, 1947.

Separate file

The Government of India will endeavour to have the recommendations reviewed by the Central Selection Board, as early as possible, but it cannot yet be said with any certainty when it will be possible for the Board to meet again. It is in any case feared that the delay which has already taken place has very seriously jeopardised the chances of any candidates who may now be selected securing admission to Universities abroad during 1947-48.

I have the honour to be,
Sir,
Your most obedient servant,

M. H. Rahman
for Secretary.

pp 25-27 cf

I am directed to state that of the 35 scholarships allotted by the Govt. of India to this Province, this Govt. originally proposed to earmark one scholarship for "Food Technology with special reference to bakery and biscuit making." The Govt. have subsequently modified this proposal and have decided to allot the scholarship to "Educational administration with specialisation in various aspects e.g., recreation and social activities and Juvenile employment", and to select a woman for the scholarship. Accordingly, the Govt. have selected Miss A. Swarajya Lakshmi (District - East Godavari: Community - Hindu Brahmin) for the scholarship. I am directed to recommend her name to the Govt. of India for their approval. Her application and other documents are forwarded herewith.

~~I am also directed to state mention that.~~

2. Two Scholarships have thus been proposed now for the Subject "Educational administration with Specialisation in various aspects e.g., recreation and Social activities and Juvenile employment" – one to be awarded to a man and the other ~~to~~ a woman. For the first scholarship, recommendations have already been forwarded to the G. of I ~~made~~ in my letter No. 24551C2/47-2 dated 23.4.47.

3. In your telegram dated 9th ~~April~~ May 1947 you have called for the applications of Messrs. M. A. Aleem and C. R. Bhaskara Naidu. As already stated in my letter dated 23.4.47, Mr. O. L. N. Reddi, a Provincial Govt. servant eligible for Study leave has been finally selected ~~for~~ by this Govt. for the particular subject. The entire expenditure on the candidate's training will be borne by this Govt. As the approval of the Govt. of India is not necessary for the selection of Provincial Govt Servants, whose cost of training will not be shared by the Central Govt, the applications of Messrs O. L. N. Reddi, M. A. Aleem and C. R. Bhaskara Naidu have not been forwarded to you. The applm. of Mr. Reddi will however be sent to you shortly for making arrangements for his admission and passage.

Sir,

1. I am directed to refer to this Department letter of even number dated the 2nd May, 1947, and to say that while the consideration of names recommended by the Provincial Government must await a meeting of the Selection Board, the Government of India agree, ~~in~~ subject to what is stated in paragraph 2 below, to pay half the total cost of training in respect of the following two candidates who have already been interviewed and approved by the Selection Board, Overseas Scholarships, in connection with the award of Central Scholarships:-

| Name. | Subject. |

| p18 ante 2. Mr. Chitpadi Shrinivasa Ballal. | II-L Mercantile Marine Engineering- Engineering Side. |

The above two candidates were recommended by the Selection Board for the award of Central Scholarships, but, in accordance with the general policy of the Government of India in this regard these candidates will not now be awarded Central Scholarships and are made available to the Provincial Government. It is requested that the Provincial Government may kindly inform the candidates concerned that they have been awarded scholarships by the Provincial Government and not by the Central Government.

2. In this connection the attention of the Provincial Government is invited to paragraph 3 of this Department letter No. F. 5-15/46 ~~/~~ O.D.IV, dated the 25th October, 1946. Notwithstanding any thing contained in this letter, the Government of India will not pay any portion of the cost of training in respect of those candidates selected by the Provincial Government who are either permanent Government servants or temporary Government servants eligible of study leave. The concurrence of the Government of India for the selection of such candidates is not necessary. It is therefore, requested that this Department may kindly be informed immediately whether any of the two candidates mentioned in paragraph 1 above are in the permanent employ of the Provincial Government or are in their temporary employment and entitled to study leave.

## MEMORANDUM.

*Subject;*—Overseas Scholarships (Central), 1947-48,—Provisional Award.

With reference to his/her application for an Overseas Scholarship (Central), 1947-48, and in continuation of this Department Memorandum No. F. 5-7/47-O.D. VI., dated the 3rd March 1947, distributed at the time of the interviews,____________________is hereby informed that he/she has been *Provisionally* selected by the Government of India for the award of an Overseas Scholarship for advanced studies in the subject and the country noted below:—

Subject____________________

Exact branch of the subject____________________

Country where admission is being tried____________________

This *Provisional* offer is subject to the conditions that (i) admission can be secured to a suitable institution abroad for the course of study for which the candidate has been selected, (ii) a passage to the country of study is available and (iii) the candidate passes in the medical test to be conducted by a special Medical Board. In the event of either the admission or the passage not becoming available or the Medical Board declaring the candidate physically unfit for the award of an Overseas Scholarship, this provisional offer of the scholarship will be withdrawn.

2. While every endeavour is being made to secure admissions as well as passages for students selected for the scholarships, candidates are warned that the position in regard to passages continues to be uncertain and that, on account of the increasing pressure on their accommodation due to demobilisation and other causes, educational institutions abroad are experiencing great difficulty in finding places for all the students who require places. GOVERNMENT CANNOT, THEREFORE, GIVE ANY GUARANTEE WHATEVER AS TO WHEN THE SELECTED CANDIDATES MAY BE ABLE TO GO ABROAD AND THEY CANNOT ACCEPT ANY RESPONSIBILITY FOR THE DELAY, NOR WILL THEY ENTERTAIN ANY CLAIM FOR COMPENSATION OR FOR MAINTENANCE OR ANY OTHER ALLOWANCE. UNTIL, THEREFORE, THE CANDIDATES ARE TOLD BY THE GOVERNMENT OF INDIA THAT ADMISSION AND PASSAGE ARRANGEMENTS HAVE BEEN MADE FOR THEM THEY SHOULD NOT RESIGN ANY POST WHICH THEY MAY BE HOLDING AT PRESENT OR TAKE ANY OTHER STEPS WHICH MAY CAUSE THEM ANY LOSS IN THE EVENT OF THEIR NOT BEING ABLE TO GO ABROAD.

3. This offer is also subject to the conditions laid down in the brochure "Information for Students desiring to proceed Overseas for Advanced Studies in 1947-48". If____________________ accepts the scholarship on these conditions he/she should convey his/her acceptance *immediately* to this Department on the Acceptance Form attached. In the case of a Government servant, the Acceptance Form must be submitted through the Head of the Department under whom the candidate is employed.

4. **Bond**. Each selected candidate should also furnish to this Department *Very Urgently*, and in any case within 20 days of the issue of this letter, three copies of the Bond (enclosed herewith), duly completed and signed in the presence of a Gazetted Officer, by him/her and his/her surety or sureties who, in conjunction with the candidate, will undertake to refund the amounts paid if that should be necessary under the terms of the Bond. The rank of the Gazetted Officer attesting the execution of the Bond must be given and his official seal affixed on each copy of the Bond. *The condition requiring a surety also to sign the Bond cannot be dispensed with.*

5. **Roll No.**____________________has been allotted Roll No.____________________ for facility of reference. It is to be noted that in all correspondence to this Department or to the Travel Agents, *this number should invariably be quoted.*

6. **Medical Test.** All selected candidates will be medically examined by a special Medical Board before they leave India and a separate communication will be addressed to them in this connection. Candidates declared physically unfit by the Medical Board will not be awarded a scholarship.

If a scholar while abroad falls seriously ill or contracts a disease resulting in the interruption of his studies, the Government of India reserve the right to discontinue the scholarship.

7. **Admission.** The names of the selected candidates have been forwarded to the authorities abroad for securing admission. The detailed course of study, its exact duration and the institution in which it is to be pursued will be decided later in consultation with the authorities concerned. Each candidate will be informed as soon as intimation of his/her admission is received from the authorities abroad. *It should be clearly understood that the selected scholars will be required to pursue courses of studies as directed by Government and at institutions where admission is secured for them.* Scholars selected for a particular subject or admitted to a particular institution cannot be allowed to change either the subject or the institution without the prior approval of Government. No efforts to secure admission abroad must be made by a scholar without previous permission having been obtained from this Department. It might also be explained here that while practical training, in varying measure, forms an integral part, and in some cases it may form a very considerable portion, of the courses arranged under the Overseas Scholarships Scheme, practical or factory training by itself is not within the purview of the scheme.

8. **Passages.** As soon as it is known that admission has been secured for a selected candidate, this Department will arrange "Passage Priority" with the Civil Passage Controller, instruct the Travel Agents concerned to book a passage for him/her, and will at the same time inform the candidate who must *immediately* contact the Travel Agents. The date of departure and the date on which the candidate should reach the port of embarkation will be intimated to him/her by the Travel Agents whose instructions in this connection must be strictly followed. *Any candidate refusing a passage when it is offered will be liable to forfeit his/her scholarship.*

The following Travel Agents have been appointed by the Government of India to look after the travel arrangements of the scholars :—

(a) *For the United States of America, Canada and China* :

Messrs. The American Express Co. and their accredited agents, Messrs. Govan Bros. Ltd., Scindia House, Connaught Circus (Telegraphic Address 'GOVBROS'), New Delhi.

*Branch Offices—Telegrams—AMEXCO—*

(i) Calcutta ... "Pollock House", Brabourne Road,
(ii) Bombay ... "Navsari Building" Ist Floor, 240 Hornby Road,
(iii) Karachi ... Oriental Building, McLeod Road,

(b) *For the United Kingdom, Australia and New Zealand*:
Messrs. Thomas Cook & Son, Hornby Road, Bombay 2.
(Telegraphic Address COUPON).

*Branch Offices—*

(i) Calcutta ... 4 Dalhousie Square East,
(ii) Madras ... 4/5, First Line Beach,
(iii) Lahore ... The Mall,
(iv) Delhi ... Queensway, New Delhi,
(v) Simla ... The Mall,
(vi) Karachi ... Finlay House, McLeod Road.

The academic session in the institutions abroad normally starts late in September or early in October and it is, therefore, not likely that the selected candidates will be called upon to leave before July 1947. Candidates must, however, themselves complete all the necessary arrangements including equipment, passport, visas and inoculations etc. as quickly as possible in order to be ready to leave at short notice. They must, immediately on receipt of this letter, get into touch with the Travel Agents concerned for all arrangements to be made in connection with the voyage. The candidates' addresses as given by them, have been furnished to the Travel Agents concerned. Any change in the address must *at once* be communicated to this Department and the Travel Agents, referring at the same time to the Roll No. indicated in para. 5 above.

9. **Passports.** Selected candidates have to make their own arrangements for securing passports in the normal manner. They should apply to the District Magistrate of their district and may produce, if necessary, this letter, as evidence of their selection for a Central Government Overseas Scholarship, in support of their application for a passport.

10. **Visas.** The possession of a passport is not by itself sufficient to ensure entry into countries outside the British Commonwealth. Students proceeding to the United States of America, Canada through U.S.A., or to China must obtain the required visas in addition to their passports. Such candidates should get an endorsement on their passports from the passport issuing authorities (i.e. Provincial Governments, Chief Commissioners, and Residents and Political Agents in Indian States), for travel to the U.S.A., or, where it is Canada, to Canada direct or through the U S.A. or to China, as the case may be. After obtaining this endorsement they should apply *in person* to the nearest American or Chinese Consulate, for the student visa. Students going to the United Kingdom or Australia do not require any visa.

At the time when application is made for the visa, the candidate must produce the following documents :—

(a) Passport valid for travel to the country concerned.

(b) Two photographs about 3″ × 3″ with a light background.

(c) Conduct certificate, in duplicate, from one of the district authorities when available.

(d) Birth certificate, in duplicate, where an official record of birth exists. Where no official record of birth exists, affidavits, in duplicate, from responsible persons, having knowledge of the date and place of birth may be presented.

(e) Certificate of physical fitness from a physician approved by the Consulate or from a Civil Surgeon. Any medical certificate produced should state whether or not he/she is suffering from leprosy, trachoma, syphilis, plague or tuberculosis affection of any kind. It should also state whether he/she is free of body parasites and their eggs. The medical examination should be taken shortly before the formal visa application is made.

*It must be noted that personal appearance at a Consular Office is indispensable in connection with visa applications.* The candidates should forward to the Consulate by registered mail the necessary papers for examination and then call (by appointment) at the Consulate personally later on to make a formal application for a visa and to collect it. The Consulates do not correspond with third parties and the applicant for a visa should himself or herself conduct the correspondence. As the award of the scholarship will be confirmed only after receipt of intimation of admission abroad, it is suggested that all candidates should first obtain their passports and keep other papers in readiness for obtaining visas. Along with the letter confirming the award of the scholarship, a certificate will be provided by the Government of India setting out the name of the scholar, the subject of study for which he/she has been selected, and the institution abroad where he/she has been admitted, and stating that all the expenses of the scholar including the return voyage will be met by the Government of India. This certificate should be shown to the visa issuing authority by the candidate. Where the validity of the passports and visas has to be extended, candidates should approach the appropriate authorities well before hand. Government will not meet the expenses which students may incur in obtaining passports, visas, etc.

11. **Railway fare, equipment allowance and incidental journey expenses,** Arrangements are being made with the Travel Agents to furnish each candidate with a Second Class ticket from his/her normal place of residence to the port of embarkation at the proper time. The railway fare will be paid by the Travel Agents. For this purpose candidates should intimate *at once* to the Travel Agents the place of commencement of the railway journey. The Travel Agents will also disburse to the candidates at the time of embarkation, (i) a sum of £5 (or its equivalent in dollars in the case of candidates going to the U.S.A., Canada or China) in travellers cheques and (ii) an equipment allowance of Rs. 500/-. As stated in para. 6 of the brochure the sum of £5 mentioned above will not be paid to those who are in permanent employ of the Government of India.

12. **Stipend and dollar exchange.** As stated in paragraph 5 of the brochure referred to in paragraph 3 above, the value of the stipend will be sufficient to cover the normal maintenance expenses which the students are likely to incur abroad, including expenses during vacations, etc. The stipends will be disbursed in advance on arrival in the country of study. The Government of India cannot allow dollar exchange facilities to candidates for taking any additional amounts to the U.S.A or Canada. In special cases, however, where a candidate desires to take abroad the equivalent of his/her equipment allowance, the Travel Agents will arrange to get released dollars equivalent to a maximum of Rs. 500/-- (exclusive of the pocket money of £5 for expenses on board the ship).

13. **Family Allowance.** *No allowance will be given for the maintenance of the family of a selected candidate.* Scholars should, therefore, make proper arrangements for the maintenance of their dependents before they leave India.

14. **Arrangements abroad.** Arrangements will be made to have the scholars met at the port of disembarkation by the Government's accredited agents who will render them all possible assistance. For any difficulty, complaint or grievance abroad the scholars should approach the Indian Embassy or the Office of the High Commissioner concerned.

15. **Original diplomas and degrees etc.** The educational institutions abroad require all students to show their original certificates, diplomas, testimonials, etc., and scholars should, therefore, take all such papers with them.

16. The Government of India reserve the right to ~~raise~~ revise the rules of the Scholarship at any time, if necessary.

NEW DELHI, the 18th June, 1947.

Sir,

pp. 15-22 ante

I am directed to refer to your letter No.24551C-2/47-2, dated 23.4.47, and to state that, in addition to the two scholars Messrs J.Sethumadhava Char 1st and Chitpadi Shrinivasa Ballal 1st, whose selection for the award of Overseas Scholarships in the subjects "Electrical Engineering, Generation, Transmission and Utilization of Electric Power" and "Mercantile Marine Engineering - Engineering side" respectively has already been agreed to by the Government of India ( vide this Deptt. letter of even number dated 9.5.47 ), the Government of India agree, subject to what is stated in paras 2 and 3 below, to pay half the total cost of training in respect of the following candidates recommended by the Government of Madras for Overseas Scholarships :

p 31 ante

pp 31-33 ante

| 3. Mr. A.Madangopal Menon 1st | Electrical Engg. - Generation, Transmission and Utilisation of Electric Power. |

If, however, the Government of Madras wish to award a scholarship to Mr. K.M.A.Mohamed Sulaiman, who has also been recommended by them for the above subject, since no other Muslim is being awarded a scholarship, the Government of India agree to his selection instead of or in addition to Mr. A.Madangopal Menon, as the Central Selection Board has already interviewed Mr. Sulaiman and considered him suitable.

The Government of India agree that preference may be given to Mr. C.Ganesamurti on the ground that he belongs to a Scheduled Caste.

p17 ante B

Mr. Rajagopalan Jayaraman, however, has also been recommended by the Central Selection Board for the award of a Central Overseas Scholarship. In accordance with their general policy not to take away, as far as possible, a Scholar required by a Provincial Government, the Government of India would be prepared to release him to the Provincial Government. If, on the other hand, the Government of Madras prefer Mr. Dendulury Venkateswarlu, who has also been recommended for "Chemical Engg.", they may send him abroad on deputation at their own expense as he is a permanent Provincial Govt. employee, and in that case Mr. Rajagopalan Jayaraman would be given a Central Scholarship. It is requested that the Provincial Government's decision in this matter may be communicated to this Department immediately.

It is requested that the Provincial Government may at an early date indicate the exact field of specialisation which they desire Mr. Lawrence to undertake, the precise nature of the training which he should receive abroad and the nature of the work, as exactly as possible, which he is likely to be called upon to do on his return from abroad. With regard to the other scholarship for the above subject which the Provincial Govt. have earmarked for a female candidate and for which they have recommended Miss A. Swarajya Lakshmi in their letter No.24551C-2-47-5, dated 14.5.47, it appears that this candidate is in the permanent service of the Provincial Government. She should, therefore, go abroad on deputation, at the entire cost of the Provincial Government if the Government of Madras so desire, and she cannot be considered for a Scholarship.

18. The Provincial Government may kindly intimate to this Department immediately why Mr. S. Sankara Lingam, who has been recommended for "Civil Engineering - Irrigation - Constructional methods with special reference to irrigation structures", is still a probationer in temporary service after having put in 10 years' service. The Government of India's decision in regard to the award of a Scholarship to him will be communicated to the Provincial Government as soon as this information has been received.

| 20. | Mr. T.V.Balakrishnan 1st | Elect. Engg. - Electric Switches and accessories manufacture. |

p23 ante

2. The Provincial Government's attention has already been drawn to the fact that their recommendations did not reach till two months after the prescribed date and the chances, therefore, of securing places for the selected scholars in institutions abroad during 1947-48 have been very seriously reduced. The Government of India, therefore, desire to make it clear that while they have agreed, as a special case, to entertain the recommendations of the Provincial Government, their agreement to the award of Overseas Scholarships to the candidates referred to in para 1 is wholly conditional on places being secured for the selected scholars for the session 1947-48. The Government of India will do their utmost to

secure suitable places for all these scholars this year, but in case it is not possible to secure places for any of them this year, the scholarships provisionally awarded to them will lapse and they will have to apply afresh next year, if they wish to do so, provided that the Overseas Scholarships Scheme is continued.

F

3. In this connection the attention of the Provincial Government is invited to paragraph 3 of this Department letter No. F.5-15/46-OD.IV, dated 25.10.46. Notwithstanding any thing contained in this letter the Government of India will not pay any portion of the cost of training in respect of those candidates selected by the Provincial Government who are either permanent Government servants or are temporary Government servants eligible for study leave. The Government of India's concurrence to the selection of such candidates is not necessary and it is requested that this Department may be informed whether any of the candidates whose selection was recommended by the Provincial Government, and has been agreed in para 1 above, are in the permanent employ of the Provincial Government or are in their temporary employ and eligible for study leave.

Extract at (J)

4. The Government of India will be prepared to reconsider the case of Mr. Abdullah Mohammed Ali Khan Gohri who has been recommended by the Provincial Government for the subject, "Industrial and Applied Chemistry - Tanning, Currying and Leather Technology" when the result of his examination for the B.Sc.(Tech.) degree is known. His result may, therefore, kindly be communicated to this Department as soon as it is known.

p18 ante

5. The Government of India regret that they do not find it possible to agree to share the cost of training of the following candidates, if the Provincial Government desire to send them abroad for further studies :

The Government of India are advised that 'practical and advanced theoretical training in navigation with special reference to tropical seas' is not imparted at any institution either in Europe or in the USA. If the intention of the Provincial Government has been understood correctly, the only practical course would appear to be to place the selected candidate as an apprentice on one of the naval training ships, such as the "Dufferin" and make him undergo the full theoretical and practical course in Navigation. Thereafter he should work for some years as a cadet and later as a Second & First officer on one of the Naval or Mercantile Marine vessels for getting practical experience in navigation. Preliminary training in this type of work is also given in the School of Nautical Training at Grimsby, England.

It is not clear how facilities can be arranged for the selected candidate to gain administrative and teaching experience. Nor is it clear how a candidate will be able to teach Fisheries Technology after receiving training in Navigation only. In any case an M.Sc. degree in Physics is no qualification for advanced work in Navigational Research or Fisheries Technology

6. The documents shown against each of the candidates mentioned below, whose selection has been agreed to, have not been forwarded with their applications. They may kindly be forwarded to this Department in duplicate at a very early date.

### OVERSEAS SCHOLARSHIPS - 1947-48 - Provisional award to candidates - Orders passed.

--

Order No. 1811 Edn. dated 12.8.47.
Ms.

The Government have provisionally selected the candidates whose names are given in the appendix for the award of overseas scholarships in 1947-48, under the Government of India, Education Department's scheme of sending students to other countries for advanced studies. The addresses of the candidates selected, the subjects they are to study and the countries where admissions are being tried for them are also noted in the appendix.

PPD

2. This PROVISIONAL ~~offer~~ selection is subject to the conditions that (i) admission can be secured ~~to~~ into a suitable institution abroad for the course of study for which the candidate has been selected, (ii) a passage to the country of study is available and (iii) the candidate passes in the medical test to be conducted by a Special Medical Board. In the event of either the admission or the passage not becoming available or the Medical Board declaring the candidate physically unfit for the award of an Overseas Scholarship, this provisional offer of the scholarship will be withdrawn.

cf para 1, p49 cf

3. While every endeavour is being made to secure admissions as well as passages for students selected for the scholarships, candidates are warned that the position in regard to passages continues to be uncertain and that on account of the increasing pressure on their accommodation due to demobilisation and other causes, educational institutions abroad are experiencing great difficulty in finding places for all the students who require places. GOVERNMENT CANNOT, THEREFORE, GIVE ANY GUARANTEE WHATEVER AS TO WHEN THE SELECTED CANDIDATES MAY BE ABLE TO GO ABROAD AND THEY CANNOT ACCEPT ANY RESPONSIBILITY FOR THE DELAY, NOR WILL THEY ENTERTAIN ANY CLAIM FOR COMPENSATION OR FOR MAINTENANCE OR ANY OTHER ALLOWANCE. UNTIL, THEREFORE, THE CANDIDATES ARE TOLD BY THE GOVERNMENT ~~OF INDIA~~ THAT ADMISSION AND PASSAGE ARRANGEMENTS HAVE BEEN MADE FOR THEM THEY SHOULD NOT RESIGN ANY POST WHICH THEY MAY BE HOLDING AT PRESENT OR TAKE ANY OTHER STEPS WHICH MAY CAUSE THEM ANY LOSS IN THE EVENT OF THEIR NOT BEING ABLE TO GO ABROAD.

cf para 2, P49 cf

x x x x

4. This offer is also subject to the conditions. If ____________________ accepts the scholarship on these conditions he/she should convey his/her acceptance IMMEDIATELY to this Department on the Acceptance Form attached. In the case of a Government servant, the Acceptance Form must be submitted through the Head of the Departmen

~~Thexprovisionax~~ 8

4 This ~~provisional~~ offer is wholly conditional on places being secured for the scholars for the forthcoming academic session 1947-48. The Government will do their utmost to secure suitable places for all the scholars but in case it is not possible to secure places for any of them this year itself, the scholarship provisionally awarded to them will lapse and ~~thexxwill~~ the candidates will have to apply afresh next year, if they wish to do so, provided that the overseas scholarships scheme is continued.

para 2 on pp59-61 CF

5. This offer is also subject to the terms and conditions of the award of overseas scholarships, 1947-4 a copy of which has already been supplied to the candidate along with the application forms.

6. Each candidate who accepts the scholarship on these conditions should convey his/her acceptance to this Department immediately.

PTO

7. BOND:- Each candidate should execute a bond in the form enclosed with two sureties in the sum of Rs.15,000/-. This sum represents approximately the minimum expenditure which the Government may have to incur on his/her training, assuming that the course will last for about two years. On receipt of this order the candidate is requested to arrange that his/her sureties provide themselves with certificates of solvency from the Tahsildar, Revenue Inspector or Village Headman concerned. The bond should be completed and signed in the presence of a Gazetted officer by the candidate and his /her sureties who jointly with the candidate will undertake to refund the amounts paid on account of the candidate if that should be necessary under the terms of the bond. The rank of the Gazetted Officer attesting the execution of the bond must be given and his official seal affixed on the bond. Sureties cannot be dispensed with. The bond together ~~xxx~~ with certificates of solvency of sureties should be sent to this Dept.after attestation within twenty days of the date of issue of this order.

under whom the candidate is employed.

4. BOND. Each selected candidate should also furnish to this Department VERY URGENTLY, and in any case within 20 days of the issue of this ~~letter~~ order, three copies of the Bond (enclosed herewith), duly completed and signed in the presence of a Gazetted Officer, by him/her and his/her surety or sureties who, in conjunction with the candidate, will undertake to refund the amounts paid if that should be necessary under the terms of the Bond. The rank of the Gazetted Officer attesting the execution of the Bond must be given and his official seal affixed on each copy of the Bond. THE CONDITION REQUIRING A SURETY ALSO TO SIGN THE BOND CANNOT BE DISPENSED WITH.

Separate file ~~Sent~~

8. MEDICAL TEST. All selected candidates will be medically examined by a special Medical Board before they leave India and a separate communication will be addressed to them in this connection. Candidates declared physically unfit by the Medical Board will not be awarded a scholarship.

If a scholar while abroad falls seriously ill or contracts a disease resulting in the interruption of his studies, the Government ~~of India~~ reserve the right to discontinue the scholarship.

9. ADMISSION. The names of the selected candidates have been forwarded to the authorities abroad for securing admission. The detailed course of study, its exact duration and the institution in which it is to be pursued will be decided later in consultation with the authorities concerned. Each candidate will be informed as soon as intimation of his/her admission is received from the authorities abroad. IT SHOULD BE CLEARLY UNDERSTOOD THAT THE SELECTED SCHOLARS WILL BE REQUIRED TO PURSUE COURSES OF STUDIES AS DIRECTED BY GOVERNMENT AND AT INSTITUTIONS WHERE ADMISSION IS SECURED FOR THEM. Scholars selected for a particular subject or admitted to a particular

Admission will be tried first in the country (U.K. or U.S.A) as mentioned in ~~the~~ column 4 of the appendix. If ~~admission~~ it is not found possible to arrange for admission in one country, then ~~candidate's~~ admission will they be tried in the other country.

institution cannot be allowed to change either the subject or the institution without the prior approval of Government. No efforts to secure admission abroad must be made by a scholar without ~~obt~~ the previous permission ~~having been obtained from~~ of this Department. It might also be explained here that while practical training, in varying measure, forms an integral part, and in some cases it may form a very considerable portion, of the courses arranged under the Overseas Scholarships Scheme, practical or factory training by itself is not within the purview of the scheme.

para 8, p 50 cf

**10.** PASSAGES. As soon as it is known that admission has been secured for a selected candidate, Govt. of India ~~this Department~~ will arrange "Passage Priority" with the Civil Passage Controller, and instruct the Travel Agents concerned to book a passage for him/her. ~~and will at the same time~~ inform the candidate of the admission secured for him/her and he/she ~~who~~ must IMMEDIATELY contact the Travel Agents. The date of departure and the date on which the candidate should reach the port of embarkation will be intimated to him/her by the Travel Agents whose instructions in this connection must be strictly followed. ANY CANDIDATE REFUSING A PASSAGE WHEN IT IS OFFERED WILL BE LIABLE TO FORFEIT HIS/HER SCHOLARSHIP.

This Dept. will

The following Travel Agents have been appointed by the Government ~~of India~~ to look after the travel arrangements of the scholars:--

The academic session in the institutions abroad normally starts late in September or early in October. ~~and it is, therefore, not likely that the selected candidates will be called upon to leave before July 1947.~~ Candidates must~~, however,~~ themselves complete all the necessary arrangements including equipment, passport, visas ~~vias~~ and inooulations etc. as quickly as possible in order to be ready to leave at short notice. They must, immediately on receipt of this letter, get into touch with the Travel Agents concerned for all arrangements to be made in connection with the voyage. The candidates' addresses as given by them in their applns. have been furnished to the Travel Agents concerned. Any change in the address must AT ONCE be communicated to this Department and the Travel Agents.

**11. PASSPORT:-** The candidates should apply for passports, in the prescribed forms, to the Secretary to the Government of Madras, Home Department, Fort St.George, if they are resident within the Province of Madras. If they reside outside the Province, they should apply to the passport issuing authority of the area in which they reside. Application from a candidate resident in Madras Province should be made through the District Magistrate of the district in which he/she lives, or if he/she lives in Madras City, through the Commissioner of Police.

para 5 P1(a) 'cf/N

**12. VISAS:-** The possession of a passport is not by itself sufficient to ensure entry into countries outside the British Commonwealth. Students proceeding to the U.S.A. must obtain the required visas in addition to their passports. Such candidates should get an endorsement on their passports from the passport issuing authorities (i.e. Provincial Govts ~~or~~ Chief Commissioners) and Residents and Political Agents in Indian States), for

para 10, pp 50.51 CF

travel to the U.S.A., ~~or, where it is Canada, to Canada direct or through the U.S.A. or to China, as the case may be.~~ After obtaining this endorsement they should apply IN PERSON to the nearest American Consulate ~~or Chinese Consulate,~~ for the student visa. Students going to the United Kingdom ~~or Australia~~ do not require any visa.

At the time when application is made for the visa, the candidate must produce the following documents:--

(a) Passport valid for travel to the U.S.A ~~country concerned~~.
(b) Two photographs about 3" x 3" with a light background.
(c) Conduct certificate, in duplicate, from one of the district authorities when available.
(d) Birth certificate, in duplicate, where an official record of birth exists. Where no official record of birth exists, affidavits, in duplicate, from responsible persons, having knowledge of the date and place of birth may be presented.
(e) Certificate of physical fitness from a physician approved by the Consulate or from a Civil Surgeon. Any medical certificate produced should state whether or not he/she is suffering from leprosy, trachoma, syphilis, plague or tuberculosis affection of any kind. It should also state whether he/she is free of body parasites and their eggs. The medical examination should be taken shortly before the formal visa application is made.

IT MUST BE NOTED THAT PERSONAL APPEARANCE AT A CONSULAR OFFICE IS INDISPENSABLE ~~IS INDISPENSABLE~~ IN CONNECTION WITH VISA APPLICATIONS. The candidates should forward to the Consulate by registered mail the necessary papers for examination and then call (by appointment) at the Consulate personally later on to make a formal application for a visa and to collect it. The Consulates do not correspond with third parties and the applicant for a visa should himself or herself conduct the correspondence. As the award of the scholarship will be confirmed only after receipt of intimation of admission abroad, it is suggested that all candidates should first obtain their passports and keep other papers in readiness for obtaining visas. Along with the letter confirming the award of the scholarship, a certificate will be provided by the Government ~~of India~~ setting out the name of the scholar, the subject of study for which he/she has been selected, and the institution abroad where he/she has been admitted and stating that all the expenses of the scholar includin the return voyage will be met by the Government ~~of India~~. This certificate should be shown to the visa-issuing authority by the candidate. Where the validity of the passports and visas has to be extended, candidates should approach the appropriate authorities well before hand.

13. Government will not meet the expenses which students may incur in obtaining passports, visas, etc.

14. RAILWAY FARE, EQUIPMENT ALLOWANCE AND INCIDENTAL JOURNEY EXPENSES. Arrangements are being made with the Travel Agents to furnish each candidate with a Second Class ticket from his/her normal place of residence to the port of embarkation at the proper time. The railway fare will be paid by the Travel Agents. For this purpose candidates should intimate AT ONCE to the Travel Agents and this Department the place of commencement of the railway journey. The Travel Agents will also disburse to the candidates at the time embarkation, (i) a sum of £5 (or its equivalent in doll in the case of candidates going to the U.S.A., ~~Canada,~~ ~~China~~) in travellers cheques and (ii) an equipment allo ance of Rs. 500/-. ~~As stated in para. 6 of the brochure the sum of £5 mentioned above will not be paid to those who are in permanent employ of the Government of India.~~

para 11, p51 cf

15. STIPEND AND DOLLAR EXCHANGE. ~~As stated in paragraph 5 of the brochure referred to in paragraph 8 above,~~ The value of the stipend will be sufficient to cover the normal maintenance expenses which the students are likely to incur abroad, including expenses during vacations, et The stipends will be disbursed in advance on arrival in the country of study. The Government ~~of India~~ cannot allow dollar exchange facilities to candidates for taking any additional amounts to the U.S.A. ~~or Canada~~. In specia cases, however, where a candidate desires to take abroad the equivalent of his/her equipment allowance, the Travel Agents will arrange to get released dollars equivalent t

para 12, p51 cf

a maximum of Rs.500/- (exclusive of the pocket money of ~~of~~ £5 for expenses on board the ship).

16. Details of payments:- The Government have decided that the following payments should be made to the scholars. These rates are the same as those ~~were~~ applicable to Central scholars sponsored by the Govt. of India. The Madras Govt. have also decided to adopt in future, in the case of Madras scholars, the same rates as those fixed from time to time for Central Government scholars:-

para 1(A) of (b) G.O. 1301 Edn 23/6/47 (Govt have [illegible] details to candidates during interview)

(i) One second class fare by railway from normal place of residence to port of embarkation in India (disbursed through the Travel Agents).

(ii) Equipment allowance of Rs. 500/- (to be disbursed through the Travel Agents at the time of student's embarkation).

(iii) Pocket money for voyage of £5 (equivalent to Rs. 66-10-8- (to be disbursed through the Travel Agents at the time of student's embarkation).

(iv) Actual steamer fare to the United Kingdom or the United States of America or other country of instruction-single, second class or where there is no 'second class', the class next below first class- (to be disbursed through the Travel Agents).

(v) Travelling allowance from port of disembarkation to place of instruction abroad on scales to be settled by the High Commissioner for India in London or His Excellency the Ambassador for India in Washington.

vide para. 14 above.

(vi) Scholarship: (Maintenance Allowance) This is intended to cover boarding, lodging and all other expenses apart from those detailed in 'vii) to~~xx~~ (xii) - below:-

In the United Kingdom.

(a) At Oxford and Cambridge:- £460 (Pounds four hundred and sixty only) per annum.

(b) At Universities other than Oxford and Cambridge: £400 (pounds four hundred only) per annum.

n the United States of America.

$ 160 (hundred and sixty dollars) per mensem without any distinction etween different areas.

(vii) Tuition Fees: Tuition fees, examination fees and her charges levied by the educational institutions are to be paid ect by the High Commissioner or the Ambassador to the institutions i cases. Special fees charged by Universities for games, recreation n rtainment and also subscriptions to voluntary associations and eties are however to be met by the scholars themselves from their larships.

(viii) Deposits: Library, laboratory or other deposits charged by Universities are to be paid by the High Commissioner or H.E. the Ambassador direct to the institutions and recovered from the institutions when the scholars terminate their courses of studies. Breakages or losses incurred due to the negligence of the scholars should be borne by them from their scholarships.

(ix) Books and Apparatus: Each scholar may during each academic session be paid upto £25 per annum in the United Kingdom and upto $ 125 per annum in the United States of America in respect of books and apparatus approved by the High Commissioner or H.E. the Ambassador. If, in any particular case, certain expensive equipment or books are required necessitating a grant exceeding £25 or $ 125 per annum, the case will be referred by the High Commissioner or the Ambassador to the Government of India, who will decide it in consultation with this Government. Such cases can be considered only wherex the requests for additional grants are supported by the University authorities and the High Commissioner or the Ambassador. Where such additional grants are sanctioned, the equipment and books which are of a permanent nature should be regarded as Government property and kept for the use of later scholars.

(x) Study Tours: Travelling allowance and daily allowance for educational tours recommended by the University authorities and approved by the High Commissioner or the Ambassador according to the scale allowed in the case of Junior Officers of the India House, or of the Embassy are to be paid to each scholar subject to a maximum of £50 per annum in the United Kingdom and $ 250 per annum in the United States of America. Where an additional grant is needed the prior sanction of Government of India should be obtained. The Central Government will sanction such additional grants in consultation with this Government.

(xi) Medical charges: It is expected that the scholars will themselves meet their medical expenses upto about £12 per annum in the United Kingdom and $ 60 per annum in the United States of America. Approved medical expenses over and above these limits will be met by the Government if the High Commissioner or the Ambassador is satisfied that the expenditure is necessary and reasonable. Cases where such expenditure is sanctioned by the High Commissioner or H.E. the Ambassador should be reported to the Central Government as soon as possible who in turn will communicate the same to this Government.

(xii) Other emergent expenditure: The High Commissioner or the Ambassador can sanction additional amounts to scholars at his discretion in cases of emergency. Cases of this kind should, however, be reported to the Government of India with full details as to the urgency and nature of the circumstances. The Government of India, in consultation with this Government will decide, whether any amount so spent on behalf of or on account of a scholar should be recovered from the scholar concerned.

(xiii) Travelling allowance at approved rates from place of instruction to port of embarkation at the end of the studies abroad.

(xiv) Actual steamer fare from port in the United Kingdom or the United States of America or other country of instruction to a port in India.- Second class or where there is no second class, the class next below first.

Sir,

Provincial - Selection of candidates.

Ref:- Your letter No.F.4-2/47-ODIV
dated 18-6-1947 and telegram dt 16.7.47

pp 57-67 cf.

I am directed to forward herewith a copy of this Government's proceedings No. 1811 Edn., dated 12/8/47 on the provisional selection of candidates for the award of overseas scholarships in 1947-48. None of the 21 candidates mentioned in the appendix to the proceedings is in the permanent employ of this Government or is in their temporary employ and eligible for study leave.

para 3, P61 cf & para 9, P22 N.F.

2. The provisional selection of candidates for the award of scholarships has not yet been made in respect of the following four subjects:-

(i) Chemical Engineering:- (one scholarship).

B ar p58 cf and para 4, P21 n.f.

This Government prefer Mr.D.Venkateswarlu to Mr.R.Jayaraman for the award of the scholarship in this subject. I am to state in this connection that Mr.D.Venkateswarlu is not a Provincial Government servant entitled to study leave, vide ~~forwarding authority's note on page~~ column 10 of his application. On the other hand he is in Central Govt. Service. The Government of India may therefore be good enough to state whether they agree to the award of the overseas scholarship in Chemical Engineering to Mr. Venkateswarlu. ~~this Candidate and to share the cost of his training.~~ Mr.R. Jayaraman may be awarded a Central Government scholarship.

(ii) Educational administration with speciali-tion in various aspects, e.g. recreation and social activities and juvenile employment - (Two scholarships):- For one scholarship under this subject, Mr.H.S.S.Lawrence has been selected. For the other, Miss A.Swarajya Lakshmi is recommended by this Govt. She is not a permanent Provincial Govt. servant as stated by the Govt. of India But she is only a temporary Government servant not entitle

to study leave, vide forwarding authoritiy's note on page 2 of her application. xxxx&xxxxxx In the circumstances the Government of India may be good enough to state at an early date whether they would agree to the award of the scholarship to Miss A.Swarajya Lakshmi and to share the cost of her training.

(iii) Civil Engineering - Irrigation - Constructional methods with special reference to irrigation structures:- (One scholarship):- (candidate proposed - S. Sankaralingam) I am to invite the attention of the Government of India to this Department letter No. 24551 C2/47-8 Education dated 2-8-47 (copy enclosed) p 163 cf

(iv) Industrial and Applied Chemistry - Tanning, Currying and Leather Technology:- (One scholarship):- I am to invite attention to this Dept. letter No.24551C2/47-7 Edn., dated 18th July 1947 (copy enclosed) pp97-98 cf.

3. With reference to paragraph 2 of the G. of India's letter, I am to state that the stipulation, viz. in case it is not possible to secure places for any of the candidates this year, the scholarships provisionally awarded to them will lapse and they will have to apply afresh next year etc. is a departure from the procedure followed hitherto. This stipulation has not, however, been made in respect of scholarships awarded by the Central Government this year. From past experience, the chances of even a small percentage of students selected this year at this late hour getting admission for the 1947-48 session are remote. It will be hard on the Provincial scholars if such a stipulation is to be enforced. It is true there was delay in sending up the list of recommendations to the Govt. of India. But on this account the scholars should not be made to suffer for no fault of theirs. In the circumstances I am to request the Govt. of India to be so good as to reconsider the matter and to agree xxxxxxxxxxxxxxxx to xxxxxxxxxxxxxxxxxxxx cancel the stipulation.

**PERSONAL**

My dear Avinashilingam,

6993

I understand that Sri D. Venkateswaralu, Lecturer in Chemical Engineering, Govt. of India Polytechnic, Delhi is an applicant for a foreign scholarship. It seems that the Government of India have not considered his case favourably, as it has been represented that he is a permanent servant of the Provincial Government. There seems to be a mistake about it. He is not a servant of the Madras Government and is only a servant of the Central Government. A letter seems to have been addressed to you or the Provincial Govt. saying that this man's application will not be considered on the ground of his being a Provincial Government Servant though he is otherwise fully qualified for the scholarship. The person tells me that he would feel highly obliged if the mistake made by the Central Government in assuming that he is a permanent Provincial Government Servant is pointed out to them, as in those circumstances, he says,

136

he will get the scholarship applied for. I feel that it would be just to point it out to the Government of India if the facts stated are correct. Please look into the matter very urgently and do the needful. I am arriving in Madras on the 31st evening by plane.

With kind regards,

Yours sincerely,

Hon'ble
Sri T.S. Avinashilingam Chettiar,
Minister for Education,
Government of Madras,

Sir,

In continuation of para 2 of this Ministry letter of even number, dated the 1st September, 1947, on the subject mentioned above, I am directed to state that the Government of India agree, subject to what is stated in paras 2 and 3 below, to pay half the total cost of training in respect of Mr. Dendulury Venkateswarlu recommended by the Provincial Government for the award of a Provincial Overseas Scholarship 1947-48 in the subject "Chemical Engineering". As the Provincial Government have stated in para 2 (i) of their letter No.24551 C-2/47-12-Edn, dated the 12th August, 1947, that they prefer Mr. Dendulury Venkateswarlu to Mr. Rajagopalan Jayaraman for the award of the Provincial Overseas Scholarship 1947-48 in this subject the latter is being awarded a Central Overseas Scholarship 1947-48 for which he has also been selected by the Government of India.

4. Admission for Mr. Venkateswarlue is being tried at the institutions in the United States of America suggested by the Provincial Government in the statement forwarded under their letter No.55453-C2/46-20.Edn, dated the 6th February, 1947. It is, however, observed there-from that the Provincial Government desire training for the M.Sc. or Ph.D. Degree in the subject "Chemical Engineering" covering a period of 2 years plus one year practical training.

Note put up

5. In connection with the duration of training abroad reference is invited to para 13 of this Ministry letter No.F.5-15/46-ODIV, dated the 25th October, 1946. The average duration of courses for advanced studies abroad is two years as normally candidates are selected for post-graduate courses. It is therefore presumed that the Provincial Government will agree to limit the duration of training of Mr. Venkateswarlu to the normal period of two years. Kindly wire confirmation. His Excellency the Ambassador for India in the United States of America is being advised accordingly.

[illegible] forward herewith a copy of letter dated 6th October 1947 [illegible] S. Sankaralingam, B.E. who is now a temporary Assistant Engineer in this department. In as much as he is a candidate selected for the award of a scholarships for overseas study, it is presumed that the Government would have already made arrangements for a suitable programme of study or course for the candidate to follow. I however offer below my own views in the matter of programme of work of the Assistant Engineer for consideration of Government.

2. It is presumed that the tenure of scholarship is for a period of two years for the candidate. If so, I consider that during the first year of his foreign studies, he may be attached to some University so that he can get higher theoretical knowledge and also qualify for a degree such as M.Sc. in Engineering, if possible. During the second year's course, the candidate may be attached to some organisation such as United States Army Corps of Engineers, so that, he can require practical knowledge and experience in the Design, Construction and Maintenance of Major Works by following such a course of practical training the candidate will become of greater use to this department when he returns after the foreign studies. If it is not too late, I request that arrangements may, please, be made for the training of the candidate along these lines.

I invite reference to the Government Memorandum cited above - copy sent to the Chief Engineer (General and Works). The subject chosen by me (viz. Constructional methods with special reference to Irrigation structures), I believe consists for major part, or practical training and I wish I should be fitted up in a first rate University which gives me such practical training in addition to a sound theoretical knowledge that it will be useful, in a large measure, for the execution of Irrigation schemes on my return from abroad. One of the senior officers of the department who had been to America and whom I contacted, suggested, that a year in the University for pursuing higher studies in soil mechanics, concrete etc. with a year of practical training in execution of important irrigation schemes such as concrete dams, earth dams etc. and in the Central Laboratory would be very valuable.

2. I request that the Chief Engineer may be pleased to take up the matter personally and contact the educational authorities through Government, if necessary, and apprise them of the details of the course of training which the Chief Engineer may deem fit and useful so that I can get the best advantage of my studies.

3. A perusal of para 9 of G.O. No. 1181 Education dated 12-8-47 may be made and I would further request that the matter may be taken up speedily, since it is time that the Universities abroad begin their term, (early in October).

Sir,

pp 170-171 ante

I am directed to refer to your letter No. 69937 C2/47-6.Edn, dated 15th October, 1947, on the subject mentioned above and to state that the Indian Embassy, Washington, have been requested to intimate this Ministry urgently the chances of Mr. Venkateswarlu's admission for the subject "Chemical Engineering" in a suitable institution in the States for the coming spring season.

In case they reply that it is impossible to secure the required admission for this scholar this year, his overseas scholarship will automatically lapse according to the special terms of the 1947-48 Madras Overseas Scholarships Scheme, and the question raised in your letter under reply will not arise. If, however, the Educational Liaison Officer in the U.S.A is able to arrange for his admission for the coming term, the above question will be considered further.

II H – Forestry – S.M. Krishnan – Permanent Lecturer, Govt. Victoria College, Palghat.
II K(i) – Indl. + Applied chemistry – B. Ramachandra Pai – Asst. Prof., Presy. College – permanent.
III A(i) – Sanitary Engg. – M.V. Suryaprakasam – Asst. Engr., P.W.D. – Perm.
III C (ii) – J. Walter – Asst. Engr., P.W.D. – Tempy
IV D (i) – S. Raghunatha Rao – Asst. Mech. Engr., P.W.D. permanent

If the recommendations of the Committee are accepted the particulars relating to these officers need not be communicated to the Government of India for approval of the Central Selection Board. But as stated above the expenditure on their account will have to be met entirely by the Provincial Government.

This has been accepted in the scheme – [illegible] [illegible] of [illegible] influence the principles of selection. [illegible]

3. In respect of ~~the~~ three subjects the Committee has made the following suggestions:-

(1) Nursery Education: The candidates suggested by the Committee are

i Miss Mariam Varkey
ii Miss C.D.Kanthimathi.

Miss Varkey is a permanent Sub Assistant Inspectress of Schools, while Miss Kanthimathi is a private candidate. The Committee has suggested that the Government may consider the question of deputing Miss Varkey and awarding a scholarship to Miss Kanthimathi.

(2) Teachers Training – Educational Psychology: The following 5 names have been ~~suggested~~ recommended by the Committee:;

i M. Devaram Paul
ii P.N. Krishna Rayan
iii C. Ganesamurthi
iv V. Abdulla Kutty
v K.V. Damodaran Nayar.

~~Of these two~~ (i)(v) above are permanent Government servants and ~~three~~ the others are officiating Government servants not eligible for study leave. // The Committee has suggested that the candidate~~s~~ mentioned as 3rd in the order of preference, namely Mr.Ganesamurthi, may be deputed at the expense of the Government as he is a member of the Scheduled Castes. Mr~~s~~ Ganesamurthi is a direct recruit to the M.E.S. as D.E.O. and is an approved probationer in that service. // The person~~s~~ recommended as

first in the order of merit is Mr.Devaram Paul. He is a permanent D.E.O. ~~In connection with the selection of officers for deputation in 1947-48~~ There is a separate proposal to depute Mr.Paul to study modern trends of teaching in England and America with a view to his eventual appointment as Principal, Teachers College. This matter is under consideration separately. If Mr.Paul's nomination is accepted for the scholarship, the deputation proposal need not be ~~considered~~ pursued.

(3) Sanitary Engineering – Modern sewage treatment and sewage disposal: The Committee has recommended the following names:-

(i) ~~Mr.~~M.V.Suryaprakasam – Govt. Servant
(ii) N. Baskaran
(iii) R. Louis Shresta
(iv) – Talat Baig.

The Committee has recommended that Messrs.Suryaprakasam and Baskaran being persons with long official experience may be deputed for training at Government expense and that the names of the other two private candidates may be considered for the grant of scholarships. It may be mentioned here that Mr.Bhaskaran is not a Government servant but is employed in the Madras Corporation.

~~This~~ The Government have a separate scheme of deputation of Government servants for studies overseas and this is kept distinct from the scheme of scholarships. The number of officers ~~should~~ to be selected under the deputation scheme need not be increased with reference to the present ~~recommendations~~ Suggestions of the Committee. // 4. If the candidates recommended by the Committee as first in the order of merit for these three subjects are accepted their study overseas may be sanctioned under the scheme of scholarships itself and no private candidate need be selected in addition to these Govt. servants. In this view the particulars of these ~~candidates~~ officers need not be forwarded to the Government of India.

The nominations of the committee in regard to the other subjects may be forwarded to the Government of India for approval by the Central Board for Overseas Scholarships.

We may agree with the nominations of the Committee & the order of preference here by Govt. & inform Govt. of India that we [illegible] the first name in each of the items. [illegible]

5. In the selections for the scholarships no~~t~~ definite ratios were laid down for communal or linguistic representa-

tions. Please see the instructions given to the Committee in this regard at para 4 of the note to the Committee dated 4. 2. 1947. The following tables show the communal and linguistic distribution of candidates selected by the Committee. In the tables only candidates selected as first in the order of merit for each subject have been taken into account which would be the appropriate basis for exam.

'M' at p: 3 ante - It was really not within the purview of the Committee to take any note of the deputation or to make any recommendations in regard to it, or to frame their recommendations under the present Scholarships Scheme with reference to that Scheme. Acceptance of their recommendation would mean an increase in the total numbers in the two Schemes together merely in order to accommodate certain candidates who would not come in otherwise under the straight selection for the present Scholarships Scheme, and would also mean our making selections for the deputation scheme in a way different from the normal one — viz recommendations made by Heads of Depts. after a review of all suitable names among Govt. servants. I suggest therefore that as proposed at N at p:3 ante we may, as in all the other cases ~~accept~~ select the first names in these respective subjects also, and ignore the recommendations of the Committee in respect of the 'deputation scheme'.

I generally agree with the remarks of the Secy E&P.H. But I may add that notwithstanding the remarks of the Chairman in para 2 of his letter at P1 cf, the distribution bet. communities and linguistic areas more particularly the latter may result in certain amount of dissatisfaction. I would not however, on this account consider the selection unsatisfactory. 28.3.47

Orders may now be taken whether -

(1) a woman candidate will now be selected for II-D. Educational administration with specialisation in various aspects etc. or

(2) the Government of India may be informed that two scholarships instead of one have been allotted to I-F. Teachers' Training - Educational Psychology.

If (2) is decided upon, the Devt. Dept. will lose one scholarship while Education Department will gain one. ~~Again the question of deputing Mr. Devaram Paul - reference to in para 3 on pages 13-14 n.f. - may have to be kept pending till the results of the selection made by the Government of India are known.~~

8. Para 2 of India's letter:

The stipulation that 'in case it is not possible to ~~place any~~ ~~secure~~ secure places for any of the candidates this year, the scholarships provisionally awarded to them will lapse and they will have to apply afresh next year etc' is a departure from the procedure followed hitherto. This stipulation has not however been made in respect of scholarships awarded by the Central Govt. this year. From past experience, the chances of even a small percentage of students selected this year at this late hour getting admission for the 1947-48 session are remote. It will ~~be also~~ be hard on the Provincial Scholars ~~if make~~ such a stipulation is made. It is true there was delay of two months in sending up the list of recommendations to the Govt. of India. But on this account the Scholars should not be made to suffer for no default of theirs. For orders whether the Govt. of India may be requested to reconsider the matter and to agree to the ~~Provincial~~ award of scholarships to the selected candidates without ~~any~~ the stipulation.

of the candidates recommended by this Govt. in respect of seven scholarships (2 Education, 1 P.W.D. & 4 Development.) It is for consideration whether the Govt. of India may be requested to transfer the seven scholarship to seven other subjects included in the advertisement (F) for which there is need for additional candidates and for which there may be more than the required number of suitable candidates. So far as the two scholarships relating to Education Department are concerned, it is suggested that one scholarship may be awarded to Mr. K.M.A. Mohamed Sulaiman as indicated by the Government of India. For the second scholarship, a suitable subject - for example, Teacher's Training ⊗, may be suggested, and the Govt. of India requested to select a candidate out of the scholars recommended for the subject. As regards one scholarship relating to P.W.D. and four scholarships relating to Development, these Departments may be requested to indicate the subjects ~~for~~ to which the scholarships may be transferred. I am surprised that the Government of India should reject seven of our selections without giving any reason and unless they give us the reason, it will ~~not~~ be ~~possible~~ difficult for us as we don't seem to know our standard to select again. The Government of India may be asked by wire to let us know the reason for these detentions so that the same mistake may not be repeated while we select substitute candidates in the place of the rejected candidates. As far as the two scholarships under Education Department are concerned, both of them may be for Education - one for training and the other to specialise in educational tests and psychology so that they may bring our training colleges uptodate.

Please see the D.O. from H.M.(I) to H.M.(Education) on pp 135 -136 Cf. The names of candidates proposed in 1947-48 by this Govt. for a scholarship in Chemical Engineering are given below in the order of preference.

(1) Mr. C.R. Lingaiya Gounder.

(2) Mr. D. Venkateswaralu .

(3) Mr. R. Jayaraman.

For the reasons stated at 'B' in the letter on p 58 Cf. the Govt. of India chose Mr. R. Jayaraman for the subject. They stated that it was open to this Government to prefer Mr. D. Venkateswarulu, but that he shd. be deputed at this Govt's expense (under the misapprehension that Mr. D.Venkatesawarulu is a Provincial Govt. servant.) and that if this was done Mr. R. Jayaraman would be given a Central Govt. scholarship. This Govt. preferred D. Venkatesawarulu -- vide para 4 page 21 ante. The Govt. of India have been informed accordingly. It has been also pointed out to that Govt. that Mr. D. Venkatesawarulu is not a Provincial Govt. servant, but that he is in Central Govt. service. -Vide para 2 (i) of the letter on p. 129 cf. The C of I seem to mistake that Mr S. Sankaralingam has put in 10 years in Govt. service. Probably, they ~~include the~~ calculate his services in the S.I. Ry for purposes of his total service under this Govt. It may now be made clear to the C of I that the services of Mr S. Sankaralingam ~~under~~ the Govt. ~~have~~ commenced only from Sep 42 when he joined as a tempy supervisor in the PWD. It is, however, not clear how he is still a probationer in that service as stated by the C of I in their letter on p 137 CF. PWD may be requested to offer their remarks on this point.
