2. Sri V. Gopalan Nair has in his application (column 4) claimed to be a Subject of Travancore State, having been born in Travancore. As however his father was born in Mangalore and is a British Subject (column 5), the candidate has been treated as a British subject with reference to the definition of the term "Natural born British subject" in the British Nationality and Status of Aliens Act, 1914. He was also questioned at the oral test whether he had taken any ste~~m~~ps towards naturalization as a Travancore State Subject and he replied that he had not. He had called himself a Travancore State Subject merely because his mother was a Travancore Lady and he was born there.

Sub: Madras Educational Service - Direct recruitment - Estimate of vacancies - 1947.

--

With reference to paragraph 15 of G.O.No.3168 P.S. dated 30th October 1944, I am to send the following estimate of the number of candidates to be selected by direct recruitment to the Madras Educational Service for 1947:-

Substantive vacancies.

Class.	Category.	Designation.	No. of candidates to be selected.
..	..	..	..
		Men's branch.	
II	4	District Educational Officers	1
III	5	Lecturers:-	
		Mathematics ..	1
		History ..	1
		English ..	1
IV	3	Professor, Law College, Madras	1
		Women's branch.	
VII	3	Superintendents (Of Govt. Secondary & training schools)	1
VIII	2	Lecturers:-

These substantive vacancies have to be filled by the ~~xxx~~ appointment of candidates selected by direct recruitment in the

5/

ordinary way, i.e., they are not vacancies reserved for candidates who have rendered war service.

Temporary service.

A candidate has also to be selected for appointment by direct recruitment in the ordinary way to the temporary post of Lecturer in Arabic, Persian and Urdu in the Government College for Muslim Women, Madras (temporary addition to category 2 of class VIII in the Women's branch.)

I am directed to request that selection to these posts - excluding of course the posts of Professor, Law College and Kindergarten Lecturer - may be made according to the rule of communal rotation with reference to the enclosed extracts from the communal roster showing the appointments made up to date to the Men's branch and to the Women's branch, separately, and the turns of communities which have been passed over in making appointments to the women's branch. Appointment to the temporary post of Lecturer in Arabic, Persian and Urdu may, if a qualified and suitable candidate of the Muhammadan community is available, be made only from that community, on the analogy of the proviso to rule 3(a) of the special rules.

Reservation for war service candidates.

2. I am to inform you in this connection that as against two Dist. Educational officers, two Physics Lecturers, one Mathematics Lecturer's and one English Lectuer's vacancies (substantive) indicated in the Govt. of India pamphlet C.P.S.2 as having been reserved for war service candidates, five District Educational Officers', three Physics Lecturers', two Mathematics Lecturers' and three English Lecturers' vacancies are now available for such candidates.

3. In addition to the permanent vacancies which stand reserved for war service candidates, the following posts which are temporary but which are likely to be madex permanent or to continue for a long period have also to be filled by the appointment by direct recruitment of candidates who have rendered war service. This reservation has been made according to the orders as they stand at present.

Class.	Category.	Designation.	No. of candidates to be recruited.
		Men's branch.	
III	5	Lecturer in Commerce	1
V	2	Professors - Civil Engineering (College of Engineering, Vizagaptam, temporarily located at Cocanada)	1
V	4	Instructors - Surveying and Drawing	1

4. I may mention in this connection that the question whether the present orders in regard to reservation of vacancies for war service candidates should be amended, and, if so, in what manner, is under the consideration of Government separately.

SUBJECT: Madras Educational Service - Sri S.V.Chitti Babu - Direct recruit for appointment as Lecturer in History - Posting - Proposal submitted.

REFERENCE: Government Confidential Memo.No.19146 A.2.Edn., dated 10-5-1947.

With reference to the Government Memorandum cited above I have the honour to submit the following recommendation for the appointment of Sri S.V.Chitti Babu.

vide p.2 NA
9 4f I

2. Sri S.V.Chitti Babu has been recruited against the substantive vacancy that arose consequent on the retirement of Sri Rao Sahib C.D.Subramanya Chetti. In view of the fact that Sri Rao Sahib C.D.Subram~~ahm~~anya Chetti has been granted leave under Fundamental Rule 86 (a) for a period of 5 months and 25 days from 20-4-1947 he will have a lien on the post of Principal and Senior Lecturer (History), Government Arts College, Rajahmundry, till 15-10-1947. On the other hand the vacancy which arose consequent on the retirement of Sri S.Venkatacharya on 1-7-1947 will precede Sri Rao Sahib C.D.Subrahmanya Chetti's vacancy and so it (Sri S.Venkatacharya's vacancy) will have to be reserved to be filled by Direct Recruitment instead of Sri C.D.Subrahmanya Chetty's vacancy. In the circumstances explained above, Sri S.V.Chitti Babu will have to be considered to have been recruited against Sri S.Venkatacharya's vacancy which will arise from 1-7-47.

(b)

3. As regards Sri S.V. Chitti Babu's posting, I recommend that he may be posted to officiate as Lecturer in the Government Brennen College, Tellicherry, in the post newly sanctioned in G.O.No.1226, Education, dated 11-6-1947. In this connection I may submit that with reference to the University Commission's report of Local Enquiry I have already pointed out to the University that it is not possible to post, at present, an Honours Graduate in Economics as Lecturer for this College and that for the present, an M.A. in History and Economics will be posted in the new post. I have also added in my letter to the Registrar that the present Assistant Lecturer in that College who is a Second Class M.A. in Economics will be continued as Assistant Lecturer in the same College. It has also been pointed out to the University that in the other Government Colleges which have been affiliated in Group (iv-b), Honours Graduates in History have been Lecturers. In the above circumstances, I request that the Government may be pleased to appoint Sri S.V.Chitti Babu to officiate as Lecturer in the Government Brennen College, Tellicherry, with effect from the date of his taking charge.

GL. No. 34/47, Dated the 20th June, 1947.

Sir,

Subject:- Madras Educational Service - Mir Shabeer Hussain Sahib Bahadur - Direct recruit for appointment as Lecturer in Mathematics - Posting - Proposal submitted.

Reference:- Government Confidential Memorandum No.19146 A.2 Edn., dated 10th May 1947. p. 12 [illegible]

[illegible] 2 N.F. 7 L.F. I

I have the honour to state that Mir Shabeer Hussain Sahib Bahadur has been recruited direct against the substantive vacancy that will arise on the retirement of Dr. K.C. Chakko from service on 24th August 1947. Ordinarily, the Direct Recruit will have to be appointed to the Madras Educational Service with effect from a date subsequent to 24th August 1947 in order to avoid complications in regard to his confirmation at a later date. However, since in

18

in their Order No. 1226 Edn., dated 11th June 1947, the Government have sanctioned the creation of a new post of Lecturer in Mathematics in the Madras Educational Service for the Government Brennen College, Tellicherry, the appointment of the Direct Recruit immediately is not only possible but also desirable in order to avoid transfers in the staff during the middle of the term.

2. In the circumstances explained above, I recommend that Mir Shabeer Hussain Sahib Bahadur may be appointed to officiate as Lecturer in Mathematics, Government Muslim College, Madras, with effect from the date of taking charge. The appointment may be ordered, temporarily, under Rule 9(a)(i) of the General Rules for the Madras Provincial and Subordinate Services, in the first instance, and it may be regularised later on with effect from 24th August 1947, the date from which the substantive vacancy against which Mir Shabeer Hussain Sahib Bahadur has been directly recruited, will arise.

Sho be 9(b)(ii) if at all [illegible]

3. In this connection I may add that, on the Government appointing Mir Shabeer Hussain as Lecturer in Mathematics, Government Muslim College, Madras, I propose to transfer Sri V.R. Srinivasaraghavan, the present incumbent of the above post, to the Government Brennen College, Tellicherry, as officiating Lecturer in Mathematics.

4. I solicit the favour of early orders so that the newly created post of Lecturer in Mathematics, in the Government Brennen College, Tellicherry, may be filled by Sri V.R. Srinivasaraghavan at an early date.

2. In this connection I invite the attention of Government to paragraph 2 of my Confidential letter R.CL. No. 55/46, - dated 20th June 1947 wherein I stated that since Sri V. Gopalan Nayar has been recruited against the vacancy that will arise on

on the retirement of Sri P.R. Krishnaswami Ayyangar on 15th December 1947, recommendations for his appointment would be submitted sometime in December 1947. In the above circumstances Sri V. Gopalan Nayar has to be deemed to have been recruited against Mr. Jansen's substantive vacancy which has arisen earlier instead of against Sri P.R. R.CL. No. 33/47, Dated 22nd August 1947.

Sir,

REFERENCE:- Paragraphs 2 and 3 of G.O. Ms. No. 1812 Edn., dated 12th August 1947.

p.26 ante

I have the honour to state that Sri V. Venkataraman, Professor of History & Politics, Presidency College, Madras, has since applied for a further extension of leave and the Surgeon-General has been addressed to arrange for his medical examination. The vacancy in the Presidency College has to be filled. With reference to paragraph 3 of the G.O. cited above it seems that Government are under the impression that Sri S.V. Chitti Babu is a raw graduate. I may submit that Sri Chitti Babu has done 4 years of teaching work in the Pachaiyappa's College and that his work was mainly in the Honours classes. The subject he was teaching was British History and Politics. He has also done research work for two years and I understand that he is waiting to take his Ph.D. for which his thesis is ready. Notwithstanding the fact that he is a direct recruit to the Madras Educational Service, I consider that he is quite suitable for being posted as Professor of History & Politics, Presidency College, even in the first instance.

p.26 ante

2. As to the suggestion of Government that a senior officer from some other college may be transferred to the Presidency College the following officers in the History Unit of the Madras Educational Service have to be considered for such a transfer:-

1. Sri K. Aravamudha Ayyangar:
   Government College, Kumbakonam.
2. Sri K.V. Punnayya:
   Government Arts College, Rajahmundry.
3. Sri D. Venkat Rao:
   Government Training College, Rajahmundry.
4. Sri M.K. Sreenivasaraghavachar:
   Government Arts College, Anantapur.
5. Sri V. Narayanaswami:
   Teachers' College, Saidapet.

All the above officers joined their present posts only a few weeks ago. Sri K. Aravamudha Ayyangar is due to retire from service on 5-6-1948 and his recent transfer from Saidapet to Kumbakonam was ordered with the approval of Government (and he was not paid any transit Travelling Allowance also). Messrs. K.V. Punnayya and M.K. Sreenivasaraghavachar have not taught Honours classes previously and they have not worked in the Presidency College so far. Sri D. Venkat Rao, who has had some experience of Presidency College work was recently transferred from Anantapur to Rajahmundry at his own request without travelling allowance. He is also due to retire from service at the end of the next academic year. Moreover his qualifications are poor being only a third class M.A. Being a Telugu his present post in the Training College, Rajahmundry is more appropriate. I doubt if he would like a change to the Presidency College. No.5 (Sri V. Narayanaswami) joined duty at Saidapet

( ) Govt did not have any information as to why he was not

P.T.O.

Saidapet on 22-7-1947 and his work in the Presidency College has throughout been in the Economics Department. Moreover, his transfer to Presidency College will result in the transfer of Sri Aravamudha Ayyangar back to the Teachers' College, Saidapet, being the only Tamilian, as Sri Chitti Babu who does not hold a degree in teaching cannot be posted to the Teachers' College, Saidapet.

3. In the above circumstances the best qualified person taking persons already in service also, is Sri Chitti Babu--both from the point of view of academic qualifications and teaching experience. I, therefore, submit that the Government may be pleased to reconsider their orders and appoint Sri S.V. Chitti Babu to officiate as Professor of History & Politics, Presidency College, Madras, as already recommended by me.

4. I shall submit separately proposals for filling the vacancy at the Government Brennen College, Tellicherry.

I have the honour to be, Sir,
Your most obedient servant,

Ref: Para 4 of G.O.No.Ms.1812, Edn., dated 12-8-47.

I have the honour to state that except for two posts in Economics in the Madras Educational Service, one in the Presidency College and the other in Government Muslim College, Madras, no distinction is made between History and Economics graduates for filling up the posts in the Gazetted service. The History and Economics Departments in other Colleges are taken together. The University also does not object to appointing persons with History and Economics qualifications to Economics posts. The Honours courses in Economics were practically started only in 1928 and all those who took their B.A. Honours prior to 1930 and have taught Economics have been allowed by the University this privilege. I therefore consider that this practice may be followed until the chance of the next Economics man in the

Subordinate

Subordinate Services comes up for promotion ~~in~~to the Madras Educational Service so that those members of the Subordinate Educational Service who are considered by the University authorities as fit to teach Economics have no grievance. I am accordingly submitting to Government the name of the seniormost candidate approved by the Commission for appointment to the Lecturer's post in Government Brennen College, Tellicherry. The recommendation roll on his behalf is submitted separately.

I may add that there ~~is~~ has been no academical objection to an M.A. in History and Economics being the head of the Department

Put up in another file (not readily available)

Department in a College where the College is affiliated in group (iv-b), e.g., Government Arts College, Anantapur and Government College, Kumbakonam. Only the posts of Professor of Economics in the Presidency College and Lecturer in Economics in the Government Muslim College, Madras, have been considered as belonging to the 'Economics Unit.' In view of the facts that separate Honours courses in Economics were started only in 1928 and that there are still a few senior members of the Subordinate Educational Service who are considered by the University authorities as competent to take the place of Head of the Department of Economics in mofussil colleges, it will be unfair to such persons if junior members are preferred to them simply on account of the fact that they happen to be Economics men. I therefore submit that Sri K.K.Chattu Achan, whose name is already in the 'Approved List' for promotion to the History Unit of the Madras Educational Service (vide G.O.Ms.1793, Edn., dated 9-8-47) would be normally eligible for appointment to posts of Lecturers in History in other Government Colleges affiliated in group (iv-b), i.e., Economics (Main) and History (Subsidiary). There is no reason why Sri Chattu Achan should not be appointed to the new post in the Government Brennen College, Tellicherry just as he would have been appointed as Lecturer in any other Government College affiliated to the same group as the Government Brennen College. I may submit that there

are

570

are about 6 Assistant Lecturers i story senior to the seniormost Assistant Lecturer who is an M.A. in Econom in the category of Assistant Lecturers and Sri K.K.Chattu Achan is about years senior to him. I, therefore, recommend that the Government may pleased to appoint Sri K.K.Chattu Achan to officiate as Lecturer in the Mas Educational Service in the Government Brennen College, Tellicherry.

I accept the recommendations of the Commissioners made in their report of Local Enquiry. However with regard to 'Staff' I may say that it is not possible to post, at present, an Honours Graduate in Economics as Lecturer. For the present, an M.A. in History and Economics will be posted to the Government Brennen College, Tellicherry in the proposed new post of Lecturer and a Second class M.A. in Economics already in the college will be continued as Assistant Lecturer. In this connection, I may point out that in other Government Colleges which have been affiliated in Group (iv-b), Honours Graduates in History have been lecturers and I request that the same may be allowed in the case of the Government Brennen College also. I may state that an Honours Graduate in Economics will be posted as Lecturer in this college as early as possible.

My dear Subramanian,

Please refer to my letter to Government Cl.No. 33-C1/47 dated 16-9-47 regarding filling up the post of Lecturer in Economics in Government College, Tellicherry. I have no material alterations to make in my recommendations regarding the posting of Sri K.K.Chathu Achan. However, as Sri V.Venkataraman, Professor, Presidency College, Madras, is likely to return to duty by 1--10--47, it may not be possible to post Sri Chathu Achan to Tellicherry. I therefore propose for transfer Sri S.V.Chitti Babu recently posted to Presidency College to Tellicherry, as Lecturer in Economics in the Government Brennen College, when Sri V.Venkataraman returns from leave.

Yours sincerely,

M.E.S. - Posts of D.E.O. and Lecturers
(Men and Women) - Direct recruitment.

....

(pp. 18-19 c.f. of L.F. I)

Copy of letter at pp. 4-5 c.f. of this file

Last Septr., the M.P.S.C. was asked to select candidates for direct recruitment, to the M.E.S., to the follg. posts (among others), which had been substantively vacant or were likely to fall substantively vacant during this year:-

Women's Branch:

Lecturer in Chemistry
Lecturer in History

Men's Branch:

Dt. Edl. Officer
Lecturer in Mathematics
Lecturer in History
Lecturer in English

The Commission accordingly advertised the posts calling for applications, interviewed the qualified applicants with the assistance of the D.P.I., and has selected the persons whose names are mentioned below:-

Women's Branch:

cf. 3

Miss R. Verghese (Christian), for Lecturer in Chemistry
Miss M. Achaya (Non-Brahmin), for Lecturer in History

Men's Branch:

cf. 1

V.T. Titus (Christian), for D.E.O.
Mir Shabeer Hussain (Muslim), for Lecturer in Math.
S.V. Chittibabu (Non-Brahmin), for Lecturer in History
V. Gopalan Nayar (Non-Brahmin), for Lecturer in Eng.

cf. 8 & 11

The candidates have since been found to be physically fit.

L.F. II Published

2. Women's Branch: (i) Lecturer in Chemistry: Mrs. T. Vasundhara, Asst. Lecturer in Chemistry, represented recently that the post might be filled by 'transfer' instead of by 'direct recruitment' so that she could be appointed to it permanently. On that representation, Govt. have proposed not to appoint the candidate now selected by the Commission (Miss R. Verghese) and have proposed, instead, to appoint on a regular footing, by the

58

method 'Promotion', Mrs. T. Vasundhara. The Commission will be separately informed of that proposal shortly. Pending a decision on it, the name of Miss R. Verghese need not be approved.

pp. 6-7 c.f.

(2) Lecturer in History: The candidate recommended for this post is M.Achaya (Non-Brahmin). In the communal roster, two other communities - firstly Scheduled Castes and next Brahmin - occupy places above the Non-Brahmin community. No candidate belonging to the Scheduled Castes applied. Five qualified candidates of the Brahmin community however applied. They were not subjected by the Commission to the competitive examination, apparently for the reason that ~~the Commn.~~ it assumed that the Brahmin candidate (Mrs. S. Duraiswami) ~~already~~ recently selected by it for appt. by direct recruitment as Supdt. (Govt. Secy. and Trg. School for Women), in the Service, would be approved by Government and that her appt. could be shown in the turn allotted to the Brahmin community. But, the Govt. are considering the point why, instead of appointing the selected Brahmin candidate, a Scheduled Caste candidate (Miss Rukmani) who applied later to Govt. for the post and who however possessed a little lower qualfns. than those prescribed, should not be appointed and thus the turn for the S.C. (which is being passed over every time an appointment is made to the service since the rules came into force) should not be filled in that manner. The Commission is being consulted in the matter. If, finally, Miss Rukmani is apptd., the History post to which Miss Achaya has now been selected, should appropriately go to a Brahmin candidate. In that event, the Commn. may have to be asked for its willingness to examine the qualified Brahmin candidates also and make a revised recommendation, to satisfy the communal rule. If, however, Mrs. Duraiswami herself is apptd., then, there will be no objection to Miss Achaya's selection being approved. In the circumstances, the question of approving the selection may be taken up after a decision is reached in the matter refd. to.

A draft Memo. is subd.

"A" in H.M.'s minutes on p.3 ante: Rule 1 of the MPSC Rules or Procedure (framed by H.E. the Governor) requires the Commission, when it holds a competitive examination for direct recruitment to a Service, to forward to the appointing authority only a list of candidates selected by it, arranged in the order of merit, and not a list of all the applicants with their qualifications. In this case, the Commn. was asked to select only one candidate for each of the four posts now in question. Hence, its action is correct under the rule mentioned. 2. Sri Chitti Babu shd. be deemed to have been recruited against the subst. vacancy that will arise from 1-7-47, consequent on the rett. of Sri S.Venkatachari, Lecturer in History. The Dir. recommends that he may be apptd. to the tempy. post of Lecturer in Economics sanctd. for the Brennen College, Tellicherry, from this year. Under the statutory rules, strictly speaking, an M.A. or Hons. only in Economics - and not in History - is eligible for appt. as Lecturer in Economics. But, at present, none of the officers in the M.E.S. - other than the Prof. in the Presy.College and the Lecturer in the Muslim College - seems to possess an Hons. or M.A. degree in that subject; nor does Sri Chitti Babu possess that degree. For this reason and in consideration of the other circs. expld. by the Dir. in para 3, C.F.16 and of the fact that History and Economics are closely allied subjects, his recommendation at A above may be accepted. (The appt. may be ordered to take effect from 1-7-47 or the date of taking charge, whichever is later.) At the same time, the Dir. may be asked to examine the point why the tempy. vacancy shd. not be advertised for the direct recruitment of an Economics man or, if such a person is available in the Subordinate Service, arrangements shd. not be made for the inclusion of his name in the approved list for appt. by transfer, and send a report.

The Muslim College vacancy as well as the Tellicherry College post is tempy. Under General Rule 5(c), recruitment to all vacancies other than subst. vacancies in the permanent cadre which should, be filled under the rules, by direct recruitment, should be made by 'transfer'. Although the Dir. says that Mr.Hussain's appt. now is desirable in order to avoid transfers during the middle of the term, it would certainly cause hardship to the officers in the Subordinate Service who alone are entitled to tempy. vacancies. The recommendation, in effect, seems to run counter to the rule mentioned above. In the circs., it is for orders -

(1) whether the Dir. may be told that Mir Shabeer Hussain Sahib can be apptd. to the M.E.S. only from the date on which a post in the permanent cadre falls substantively vacant for him and that, now, for the Tellicherry College vacancy, he may propose the appointment of a Subordinate Service Officer - if necy. under the emergency provns.; or

(2) whether his proposal will be accepted.

A. I understand that Sri Chitti Babu is qualified for History and was specifically recruited for a History vacancy. Now they want to appoint him for Economics. Economics is a special subject by itself which requires specialised knowledge and I do not think we should put in a History man for Economics. The suggestion at A that the Director may be asked to examine the point why the temporary vacancy should not be advertised for direct recruitment of an Economics man or, if such a person is available in the Subordinate Service, why arrangements should not be made for the inclusion of his name in the approved list for appointment by transfer, may be considered.

A

B. Mir Shabeer Hussain may be appointed to the M.E.S. from the date on which the post in the permananet cadre falls substantively vacant and now for the Tellicherry College vacancy he may be posted to be appointed as a Subordinate Service Officer if necessary under the emergency rules.

C. I understand from the linked file that the Public Services Commission would like to advertise for the Scheduled Class vacancy. I think that stand is perfectly just because unless they are in a position to know that Miss. Rukmini is the best, it will not be proper for them to recommend that name. But I am afraid it is taking very much longer time and the work of the College has to go on. In the circumstances, I propose that the Commission's recommendation of Mrs. Doraiswami and Miss. Achayya may be accepted and in the next post, advertisement may be made inviting the application of schedule class candidates also making relaxations in the direction that we recommended in Miss. Rukmini's case, if such relaxation is necessary.

Sri Chitti Babu - A above:

The D.P.I. has since modified his original recommendation. He says that the post of Professor of History in the Presidency College has fallen vacant consequent on Sri V.Venkataraman's applying for 3 weeks' extension of leave from 21-7-1947 and that it has become necy. to fill it immediately and recommend that Sri Chitti Babu may be appointed to the vacancy. It does not seem that the fact that Sri Chitti Babu was selected for a Lecturer's post will ~~not~~ stand in the way of his being apptd. as Professor - since both Professorships and Lecturerships ~~xxxxxxxxx~~ are on the same scale of pay and are interchangeable. But, whether he can be posted to the Presidency College which

C.F. 21-22

-do-

~~10~~ 66

is ~~an~~ a Hons. College, in the first instance, even ~~those~~ though for a short period, is a point which seem to deserve consideration. From p.4 of the appln. ~~the documents kept at V below~~, it is seen that Sri Chitti Babau was (Asst.) Lecturer in the Pachaiyappa's College for 4 yrs. If the Dir.'s recommendation is not to be accepted, ~~it~~ he may be told that he may arrange for the transfer from some other college of a senior officer and propose to Govt. the appointment to that college of Sri Chitti Babu.

This may be done.

The Dir. has mentioned that he will submit separate proposals for filling the Tellicherry College post. In that connection, he may be asked to consider "A" in H.M.'s minutes above and offer his remarks.

CF 22

2. About Mir Shabeer Hussain, it is respectfully subd. that it would not appear quite proper to appoint a direct recruit selected for the M.E.S., to the M.E.S.S. for a short time initially, though under the emergency provisions; there is every chance of his declining the offer. The substantive vacancy itself is due to occur shortly on the 24th instant. For orders (1) whether the Dir.'s recommendation to appoint Mr. Hussain to the M.E.S., temporarily now and regularly from 24-8-47 may be accepted, or (2) whether the appt. should be ordered only to take effect from 24-8-47, on a regular basis.

I beg to ~~[illegible]~~ ~~this~~ may be approved.

With regard to the Tellicherry College it has been represented to me that Mr. Krishnaswami Iyengar, who is there has been there for a long number of years and has really built that Institution. He, I understand, retires by the end of this year. The Director ~~would~~ wishes that he may retire as a Principal of that College instead of being brought down as a lecturer in some other college. Though there are seniors above him who may be well qualified to act as Principals of the new~~ly~~ ~~conducted~~ first grade college at Tellicherry, for human reasons this arrangement may be allowed and Mr. Krishnaswami Iyengar may be allowed to continue there till the end of this year ~~till~~ when he will retire~~s~~. O.P.R. 14/6/47.

Public (Services) Department.

In a file relating to the selection of candidates for appointment to the Madras Educational Service by direct recruitment, H.M. Education noted that the Madras Public Service Commission should send the Government a list of all the applicants who applied for the post together with their qualifications along with the Commission's recommendations as to who should be appointed. H.E. the Governor has ordered that the proposal of the H.M. Education should be referred to this department for examination with reference to Statutory provisions and previous precedents.

2. Under section 266(1) of the Government of India Act it is the duty of the Provincial Public Service Commission to conduct examinations for appointment to the services of the Province. Under rule 1 of the Madras Pulie Public Service Commission Rules of Procedure, (which are not statutory rules but rules issued as executive instructions by H.E. the Governor in his individual judgment) where any competitive examination is to be conducted by the Commission for the purpose of direct recruitment to a provincial or subordinate service, the Commission should among other things announce the exact or approximate number of vacancies to be filled, arrange in order of merit, the candidates selected by it on the results of its examination and forward a list of such candidates so arranged to the appointing authority. The Commission is not bound to send to the Government a list of all the candidates who applied, their qualifications or how they fared at its competitive examination. However, in letter No.626 Public (Services) dated 5-4-1938 the Commission was requested to forward to Government, as soon as each selection was made, particulars as to the number of applications received, community of the applicants, the number qualified, interviewed etc. This, the Commission has been doing.

3. In 1939, in respect of a selection to the Madras Police Service the then Premier, the Honourable Mr. C. Rajagopalachari, wished to have information as to the names of all the candidates who applied for the selection in question and also the applications of those candidates. The Commission refused to give the information or to send the applications until H.E. the Governor intervened.

Again in 1944 Sir S.V. Ramamurty as Advisor wished to see the records of a certain candidate for appointment to Madras Agricultural Service, but on attention being drawn to the Home Department papers mentioned above, the matter was not pressed.

4. In the light of the provisions and previous papers mentioned above it does not appear that we can ask the Commission to send us a list of names not selected by it and the qualifications or other particulars relating to such candidates, although in occasional individual cases the Commission may, if it has no objection, be willing to give us any particulars we may ask for.

5. Specific orders of H.P.M. and H.E. may be obtained whether the matter should be pursued further. H.M. Education may also see.

I have no doubt whatever that it is of the utmost importance that the independence of the Public Service Commission should be preserved; and I am equally sure that it is most undesirable that Ministers should do anything which might be interpreted as interfering with the absolute discretion of the Commission.

For these reasons, while I would not rule out the possibility that it may on specific occasions, be desirable for the information to be asked for, I think a very special case should be made to justify it.

Sir,

In the Proceedings of the Director of Public Instruction, R.C. No. 3563-C1/47-1 dated 19th August 1947, I was asked to join forthwith as Lecturer in Mathematics in Government Muslim College. I reported to duty on the forenoon of 20th August 1949 7

(M)

In the Abstract of the G.O. Ms. No. 1812-Edn., dated 12th August 1947 that was communicated to me it was stated in para 2 that the vacancy was filled up under the emergency provisions in order to avoid complications that might otherwise arise in regard to my confirmation in due course.

(P)

In the Proceedings of the Director of Public Instruction R.C. No. 3563-C1/47-3 dated 4-9-47, I was informed that my temporary appointment as Lecturer in Mathematics in the Madras Educational Service was deemed to have been regularly made with effect from the date of taking charge or 24-8-47, whichever is later.

This means my service from 20-8-47 to 23-8-47 (both days inclusive) will not be considered for purposes of confirmation, increments and leave.

I request you, Sir, to consider my temporary service (from 20-8-47 to 23-8-47) for the purpose of seniority alone having in view my regular service as Assistant Lecturer in Mathematics in the Madras Educational Subordinate Service (Proceedings of the Director of Public Instruction, R.C. No. 1055-C/46 dated 7-5-'46) from 4th October 1945 to 19th August 1947.

This is not relevant.

2. In G.O.No. Ms. 1812 Education dated 12-8-1947 Mir Shabeer Hussain Sahib, a direct recruit to the Madras Educational Service, was appointed as Lecturer in Mathematics, Government Muslim College, Madras under Rule 9(a)(i) of the General Rules. He took charge on 20-8-1947 and his temporary appointment was regularised with effect from 24-8-1947 - vide G.O.Ms.No.1862-Education dated 25-8-1947. - The substantive vacancy against which he was recruited was expected to arise only on 24-8-1947 but there arose the necessity for appointing him earlier owing to the creation of a temporary post of Lecturer in Mathematics in the Madras Educational Service. The appointment of Mir Shabeer Hussain Sahib was, therefore, made in the first instance under emergency provisions with a view to avoiding complications that might arise later on in regard to his confirmation. The present request of the petitioner is that ~~he~~ his - temporary service from 20 to 23-8-1947 be counted for the purpose of seniority alone.

3. The appointment of the petitioner under emergency provisions during the first three days from 20 to 23-8-1947 was made by way of caution lest he should claim confirmation from the date of first appointment (i.e. 20-8-1947) by virtue of being a direct recruit against a substantive vacancy. As he has now stated that the period need be counted for the purpose of seniority alone there is no likelihood of his pressing for confirmation from - 20-8-1947.

4. Since the petitioner's appointment under emergency provisions was recommended, the position had changed. The confirmation

3/

76

of Sri T. Suryanarayana as Deputy Director (Personnel) from 16-2-1946 has resulted in a substantive vacancy in the Mathematics unit, which has to be filled by direct recruitment according to rotation. Mir Shabeer Hussain Sahib could therefore be considered to have been recruited against this vacancy and be confirmed even from 20-8-1947 if necessary in due course. There is thus no possibility of any complications setting in in regard to his confirmation.

5. Though the period involved is only three days yet it affects the petitioner in a crucial manner. Sri V. Gopalan Nair, also a direct recruit, was appointed as Lecturer in English, Government Victoria College, Palghat in G.O.No.1812-Education dated 12-8-1947 and he took charge on 22-8-1947 F.N. (VI)/26 Now he is considered senior to Mir Shabeer Hussain Sahib who actually joined duty on 20-8-1947, on account of the latter's appointment till 23-8-1947, having been made under emergency provisions. This anomaly may be set right by regularising the temporary appointment of Mir Shabeer Hussain with effect from 20-8-1947 which will not affect any body else except Sri V. Gopalan Nair who is in fact junior to the petitioner.

6. For the reasons stated above, the request of the petitioner may be complied with.

The Director of Public Instruction,

Sir,

Sub: Madras Educational Service - Janab Mir Shabeer Hussain, Lecturer in Mathematics, Regularisation of temporary appointment.

REF: Government Telephonic Message (by post) No.60284-A1-Edn. dated 4-10-1949.

86177

As Sri V.T. Titus has been appointed to the Administrative section, it does not seem necessary to mix up his case with the cases of the other three officers appointed to the Collegiate section. His seniority may be determined on the basis of the date of his first appointment (i.e. 16--6--1947).

2. The particulars of the three officers appointed in the collegiate section are as follows:-

Name.	Date of birth.	Subject.	First appointment.
Janab Mir Shabeer Hussain.	8--6--1924	Mathematics	20-8-47 (Regular from 24-8-47).
Sri V. Gopalan Nair. ..	13-10-1915.	English.	22--8--1947.
Sri S.V. Chitti Babu. ..	7-11-1920.	History.	5-9-1947.

B

According to General Rule 29(a) the seniority has to be determined by the date of first appointment, but under Rule 29(b) the appointing authority may, in respect of persons appointed simultaneously, fix the seniority on any other basis. Though it is desirable not to depart from General Rule 29(a), yet a departure in the present case (as between Janab Mir Shabeer Hussain and Sri V. Gopalan Nair) seems justifiable as both were appointed simultaneously (G.O.Ms.1812-Education dated 12--8--1947).

M/21

M/33

C

I am of opinion that the case of Sri S.V.Chitti Babu be excluded from consideration in this regard. He was not appointed exactly simultaneously with the other two, to whom he is now junior. The present question has arisen because of the request of Janab Mir Shabeer Hussain to regularise his temporary appointment with effect from 20--8--1947, which if complied with, will make him senior to Sri V.Gopalan Nair. If the request is refused, the present position with Sri Chitti Babu remaining junior to the other two will continue.

3. I am of opinion that age can be the criterion for determining the seniority of the two officers under reference. Marks, the alternative criterion suggested by Government, cannot be taken as a measure of comparative merit as between candidates examined for recruitment to different subjects. If Government agree to adopt age for the purpose of seniority, then Janab Mir Shabeer Hussain has to be considered junior to Sri V.Gopalan Nair which is also the present position. In that case the request of the former to regularise his appointment from 20-8-1949 need not be complied with.

B

(P.T.O.)

If Government consider that Sri Chitti Babu's seniority should also be considered in view of the fact that he was appointed within a fortnight after the other appointments, he has to be treated as senior to Janab Mir Shabeer Hussain on the same criterion.

Yours faithfully,

for Director of Public Instruction.

In 1947, four direct recruits were selected for appt. in the M.E.S. - one of them, Sri V.T.Titus, for the post of D.E.O. and the other three, Janab Mir Shabeer Hussain, Sri S.V.Chitti Babu and Sri V.Gopalan Nair, for posts of Lecturers in Maths., History and English resply. Sri Titus was apptd. first - on 16-6-47. The appointments, made next, of Janab Hussain and Sri Gopalan Nair were notified in the same order. Sri Gopalan Nair was apptd. regularly and he took charge on 22-8-47. Janab Hussain was apptd. temporarily under General Rule 9(a)(i) and he took charge on 20-8-47. His tempy. appt. was regularized from 24-8-47. The reason for his tempy. appt. in the first instance was that the vacancy ~~which~~ against which he was recruited would fall substantively vacant only from 24-8-47 but that before that date a tempy. vacancy had to be filled. Sri Chitti Babu was the last to be apptd. and he took charge on 5-9-47.

cf 1

cf 4

cf 5b

2. Janab Hussain has ~~now~~ subd. a petition to Govt., requesting that his tempy. service from 20-8-47 to 23-8-47 also may be regularized, to give him seniority from the former date. The request, if complied with, would make him senior to Sri Gopalan Nair. In his letter at pp.2-3 C.F., the D.P.I. recommended the request. The points were refd. to him how, when all the candidates were recruited ~~in~~ at one and the same time, the accident of one's taking charge earlier should ~~not~~ be allowed to act adversely against another in the matter of seniority and whether the age of the individual candidate or the marks obtained by him at the Commn.'s oral test, rather than the dates of taking charge, might not be taken as the criterion for fixing seniority. ~~The~~ D.P.I. has now recommended:--

para 1, cf 5

(1) that Sri V.T.Titus case need not be mixed up with the cases of the other officers, as it is the Administrative Secn. to which he was posted;

(2) that marks need not be taken as the criterion as the subjects for which the candidates were

80

recruited were different;

(3) that ~~the~~ age may be taken as the deciding factor;

(4) that the seniority of Janab Hussain and Sri Gopalan Nair may be fixed w.r.t. the criterion of age;

and (5) that, ~~however,~~ the case of Sri Chitti Babu, however, need not be considered in the light of that criterion as he was not apptd. simultaneously with the other two officers.

Bat ef 5

Cat ef 5

(1) to (4) above: These may be accepted. Sri Gopalan Nair is older than Janab Hussain and therefore he will be the senior.

B OK

(5) above: Sri Chitti Babu is younger than Sri Gopalan Nair but older than Janab Hussain. He was apptd. only 15 days subsequent to the appt. of the other two officers. This factor, it seems, should ~~not~~ be set off against the one that all the three were ~~recruited in~~ selected by the Commission at one and the same time and should not ~~[illegible]~~ make him the juniormost. The same criterion of age should be applied uniformly to all the officers. For orders. If this view is agreed to, the order of seniority will be as follows:-

15.9.47

20/22-8-47

(M) /1

2.	" S.V.Chitti Babu	29	5. 9. 1947.
3.	Janab Mir Shabeer Hussain	25	24. 8. 1947

If, for the reason that the appt. of No.2 was not ordered along with the appts. of the other two officers, General Rule 29(b) ~~does not permit~~ cannot be invoked for fixing seniority on the ~~seniority being fixed now by an executive order on the reference~~ above basis, an order under section 241(5) of the G. of I. Submitted that under rule 29(b) of the General Rules, the seniority of persons appointed simultaneously should be fixed by the appointing authority at the time of passing the order appointing them. No such seniority was fixed in the order of appointment of Sri V. Gopalan Nair and Janab ~~Sab~~ Shabeer Hussain and so it does not seem that this rule can be invoked for this purpose. Further, the rule contemplates fixation of seniority for the purpose of satisfying the rule of communal rotation or proportion or the order of ~~proportion~~ preference in which they are ~~selected~~ arranged in the selection. It does not seem to contemplate fixing of seniority on the basis of age. As ~~respects~~ regards Sri V. Chitti Babu, his appointment was not even ~~ordered~~ ~~appointed~~ ordered simultaneously and therefore, his case will seem to be clearly not covered by Gl. Rule 29 (b). Further, rightly or wrongly, the three 3 candidates have acquired seniority under Gl. Rule 29 (a) with reference to the dates of their first appointments# and to revise it, this rule will have to be relaxed. Before this dept. can agree to such relaxation, E. & P.H. may be requested to submit the case to their Secy. w.r.t. the U.O. Note at flag (Y).

On the whole, it seems better to leave things as they are.
