R.C.NO.6027-E.4/46, dated 17-6-1947.

SUBJECT:- Reservation of seats for Harijan students - Schools and colleges.

Read:- G.O.No.Ms.1225, Edn., dated 11th June 1947.

ORDER:- It has been represented to the Government that Harijan students are being refused admission into schools and colleges and that even if they are admitted they are not allowed to take groups of subjects of their choice. The Government consider that some seats should be ear-marked for Harijans in educational institutions. They accordingly direct that, with effect from the school or academic year 1947-48, ten per cent of the seats in all secondary training schools and Government Arts and Training Colleges and the Law College should be reserved for Harijans as defined in G.O. 825, Dev., dated 27-2-1947 and G.O.No.850, Public (Elections), dated 18-3-1947. If harijan candidates are not forthcoming in sufficient number to fill the seats within 15 days from the reopening of the institutions, candidates of other communities may be admitted against them. If the number of Harijan applicants exceeds the number of seats reserved, as many of those applicants as possible should be admitted. This reservation will apply to subject groups also for which there is competition (for example, science groups). Harijan candidates should be admitted only if they satisfy the minimum educational attainments required. The Director of Public Instruction is requested to issue instructions to the educational institutions accordingly. He is also requested to arrange with the managements of aided colleges to make a similar reservation of seats for Harijan students.

Copies of the circulars issued by the Director in the matter should be forwarded to Government and a report should be made by the end of August 1947 about the number of Harijans admitted into schools and colleges and also the groups to which they have been admitted.

The Director is further requested to consider the question whether rule 12 of the Madras Educational Rules may be amended so as to make the reservation of seats for Harijan pupils one of the conditions of recognition of secondary schools and to forward to Government a draft of the amendment to the rule, if necessary.

(By order of His Excellency the Governor)

M.V.Subramanian,
Secretary to Government.

Copy communicated to the undermentioned officers.

2. The Hads of all institutions are informed that principles of reservation contemplated in the above G.O. should be strictly followed. The managements of aided secondary schools are also informed that Government contemplate upon enforcing the instructions in the order read above as one of the conditions for recognition under Rule M.E.R. and that any violation in this direction shall be dealt with in the manner in which the violation of the other clauses of the rule is being dealt with.

3. A consolidated report with particulars on behalf of each institutions regarding the percentage and number of seats reserved, number of Harijan students that sought admission, number of Harijan students that were actually admitted, and number of students that were refused admission with reasons for refusal should be submitted positively by 31-7-1947.
