Sir,

Sub:- Education-Secondary District Board-Ramnad
Deputation of teachers for training in the Y.M.C.A.
college of Physical Education ~~xxx~~ 1943-44.

In 1943-44 the following two secondary grade trained
assistants of the Board High schools of this District Board
were deputed to undergo training in the Y.M.C.A. College of
Physical Education at Madras. The entire cost for their
deputation was met from the District Board funds and the amount
spent is noted against each.

1. Sri R.P. Chidambaranatha Mudaliar Rs. 657-15--0.
2. ~~Sri~~ Miss N. Parvathi, Rs. 603--8--0

The Director of Public Instruction, Madras accorded per-
mission to incur necessary expenditure for the deputation in
his proceedings Dis. 4578-43 dated 30-11--43 (copy enclosed).

Expenditure was incurred for all the items for the
training only on the recommendation of the Principal and Woman
Specialist in Physical Education respectively.

The audit department has raised an objection to the
effect that the following items are not incidental charges for
the training with reference to ~~xx~~ G.O. No. 1626, Education, dated
1-11--44 and that the same should be made good from the candi-
dates. A copy of the objection statement is enclosed.

Miss N. Parvathy:

Cost of mosquito net 2 pairs of night dress	Rs. 38	6	0
2. Advances for group photo	3	0	0
3. Dhoby charges for 10 months at Rs. 2 p.m.	20	0	0
4. Balance cost of group photo	2	8	0
5. Personal expenses such as cost of soaps, oil	30	0	0
6. Do. Do.	14	4	0
Total	Rs. 108	2	0

R.P. Chidambaranathan:-

7. Incidental (personal) charges for 10 months at Rs. 6 per mensem.	60	0	0
Total	Rs. 168	2	0

In addition to this, in the further remarks (copy enclosed)
on the above objection statement it is said that the amount spent
by Miss N. Parvathi out of Rs. 41-15-0 for the purchase of uniform
bodice drawers and blanket, the amount spent by her on the pur-
chase of other than regulation costumes may be recovered.

Though it was explained that the G.O. No. 1626, Education
dated 1-11--44 cannot have retrospective effect and that the
Director of Public Instruction, has given sanction for the
expenditure in general and that the above vouchers had been duly
approved of by the Principal and the woman specialist in Physical
Education as necessary, objection was not dropped.

The audit department insisted on the recovery of the amount in the absence of sanction of the Director of Public Instruction condoning the expenditure. Thereupon the Director of Public Instruction was addressed. But the Director of Public Instruction in his letter Rc.No.1480G.45 dated 16-10-45 has written to say that he is unable to ~~remit~~ the items of expenditure objected to by the audit department and that Government may be addressed if considered necessary (copy enclosed). On receipt of the above reply the teachers were asked to pay the amounts objected to in audit at Rs.10/- per mensem and it is being effected.

Now the teachers have submitted petitions stating that all the items of expenditure were considered necessary and insisted in the Y.M.C.A. College of Physical Education for the training and that the Principal and the woman specialist in Physical Education recommended and approved the items. Therefore the above items may be sanctioned.

In as much as the items of expenditure were approved by the Principal and woman specialist in Physical Education, it may be taken that the charges were legitimate and incidental to the training. I consider also that the request of the petitioners are reasonable. I request that Government may be pleased to ratify the above items of expenditure referred to in paras 3 and 4 above.

In G.O.No. 1626, Edn., dated 1st November 1944, the Local
Bodies were permitted to incur reasonable expenditure on behalf of
the candidates deputed by them for undergoing Physical Training
Instructor's course in the Y.M.C.A. College of Physical Education
Saidapet. In 1943-44, the Ramnad District Board deputed Miss Parvathy
and R.P.Chidambaranathan for the training and the incurring of expendi-
ture on certain items such as the purchase of mosquito net, Dhoby
charges, group photo, soap, oil etc has been disallowed by Local Fund
Audit department with reference to the above G.O. Although the President,
District Board, Ramnad requested me to ratify these items of expendi-
ture, I expressed my inability to do so on the ground that these items
cannot be reasonably considered as incidental to training coming within
the purview of G.O. No. 1626 Education, dated 1st November 1946 to be
borne by the local body deputing the candidates. Now the President,
District Board has addressed the Government. I, however, recommend
that the items objected to by the Audit department in this case may be
ratified as a special case as the expenditure has already been incurred.

In this connection, Government may consider whether G.O.No.
1626 Edn., dated 1st November 1946 may be suitably modified so as to
make it clear that the necessary expenditure means expenditure incidental
to the training course and not such items as mentioned above which have
been objected to in audit even though they are considered to be legiti-
mate cost of the training by the Principal, Y.M.C.A. College of Physical
Education, Saidapet and the Woman Specialist in Physical Education

With reference to the attached letter R.O.C.No. A9-3393/46, dated 18th March 1946 from the President, District Board, Ramnad at Madura, sent for my remarks, I have to state that, as far as the sum of Rs 60/- which expenditure was approved by the then Principal on behalf of Mr. R.P.Chidambaramanathan, it must be treated as legitimate cost of the training even though the exact amount is not stated in the prospectus. It will be seen from the attached copy of "Statement of necessary expenditure", the item "Incidentals" is included as No. 16. I therefore see no reason why this amount should be recovered from the student, as it formed part of the cost of the whole training. The papers are returned.

Regarding the woman candidate Miss N.Parvathy, I submit the Woman Specialist in Physical Education may be addressed in the matter.

2. The items objected to in the case of Miss N.Parvathy are a perfectly legitimate cost of the training. As such, there is no reason why the amount should be recovered from the student, it was part of the cost of the training and should be treated as such.

The expression 'expenses of training' can only mean expenditure which the candidate would not have incurred but for his training. It is difficult to prepare an exhaustive list of items, which could be treated as legitimate expenditure on training, although it may be easy to exclude an item from the statement of expenditure submitted by the candidate on the ground of impropriety. In the particular case under consideration, expenditure incurred on the purchase of mosquito net and night dresses, photo charges, cost of soap, oil etc., would be ruled out either because the articles purchased would be of use to the candidate even after the training or because the candidate would have necessarily to incur the expenditure even had he not been sent on training, eg. cost of soap, oil etc. The only solution to the difficulty would, as suggested by Government, lie in sanctioning a lump-sum amount covering the whole period of training. As the training usually lasts for

about ten months I suggest that Rs. 50/- at the rate of Rs. 5/- per mensem may be considered a reasonable sum.

Admissible items of expenditure

From the Ex. of L.F. Accounts no 4326 B.6.9.46

From the DP 9 Rec. no 5509 G/46 B.15.7.47

In para 5 of G.O. no 1626 Ed. dated 1.11.44, the Govt. laid down that tuition fees, reasonable expenditure on boarding and lodging, books, stationery and other items of equipment necessary for the training in the Y.M.C.A. College of Physical Education of the teachers deputed by local bodies should be met by the local bodies concerned. As certain items of expenditure incurred by the Ramnad D.B. in connection with the training of Miss N. Parvathy and R.P. Chidambaramanathan were objected to in audit, it was considered necessary to lay down clearly what are the admissible items of expenditure to avoid similar objections in future. The DP 9 has in consultation with the authorities of the Y.M.C.A. College of Physical Education and the Examiner of L.F. Accounts furnished a list of admissible items of expenditure and requests that local bodies may be instructed to bear the expenditure on those items while deputing teachers for training as Physical Training Instructors or Instructresses. He also recommends that sanction may be accorded to the expenditure already incurred by the Ramnad D.B. on the training of these teachers may be sanctioned to remove audit objection.
