but there are no proposals at present for the

clauses (b) & (c) of the question

It is not clear whether the H. L. A. refers to the framing of instructions for the Basic Training schools. If so the answer may be in the negative. If the reference is to the ordinary training schools it is not usual to stand Colleges for the purpose. Teachers who under go training in the existing

Teachers' College will seek employment as ^{teachers} instructors in the training schools.

The file may be submitted to H.M. (Edn.) for orders as to the answer to be given to the

We have sent nearly 12 of our teachers to Wardha who will be returning soon and with whose help we must organise new training schools. I had asked the D.P.I. to send his scheme for new training schools but till now, I have not received any. The information may be obtained from the D.P.I. and the answers put up.

With reference to the minutes of H.M. (Edn.) above a draft Do to the D.P.I. is submitted.

It is presumed that the answer to the question should be drafted after the D.P.I.'s reply is received.

It is not known whether the Director will be able to send his reply before the current session of the Assembly concludes. If not, the question will lapse. If an answer is to be given without waiting for the Director's reply the

draft answer before is for approval.

Training instructors for basic education schools. 3H
455 Q.—SRI N. M. R. SUBBARAMAN: Will the Hon. the Minister for Education be pleased to state—
(a) the number of training schools for basic education the Government propose to start next year and where;
(b) whether Government propose to start colleges for training instructors to run training schools; and
(c) if so, what action has been taken for that purpose?

THE HON. SRI B. GOPALA REDDI:—“(a) The Government have sanctioned the opening of two training schools for basic education in 1946-47, one at Periyanaickenpalayam in the Coimbatore district and the other at Vinayasaram in the Guntur district. These two schools will be continued during 1947-48. The question of opening more training schools next year is separately under the consideration of the Government.

“(b) & (c) It is presumed that the hon. Member refers to the opening of colleges for training instructors for the Basic Training Schools. If so, the answer is in the negative.”

SRI N. M. R. SUBBARAMAN: “Will the Government help private agencies to start training schools and colleges for this basic educational training?”

THE HON. SRI B. GOPALA REDDI:—“If proposals are sent up, they will be considered.”

BEGUM SULTAN MIR AMIRUDDIN:—“May I ask, Sir, what is the period of training in these training schools and whether basic education is centred round one craft or more than one craft and what those crafts are?”

THE HON. SRI B. GOPALA REDDI:—“I think it extends over four or five years.”

BEGUM SULTAN MIR AMIRUDDIN:—“The second part of my question has not been answered.”

ABDUL HAMEED KHAN SAHIB BAHADUR:—“May I know, Sir, what are the qualifications for the teachers in these basic schools and also what are all the subjects that are taught in these schools?”

THE HON. SRI B. GOPALA REDDI:—“I should like to have notice, Sir.”

MOHAMED ABDUL SALAM SAHIB BAHADUR:—“May I request the Hon. Minister to define the term ‘basic education,’ Sir?”

MR. SPEAKER:—“What does the hon. Member mean by asking for a definition of the term ‘basic education.’ I take it that it is another way of putting the question that was put by the hon. Member, Mr. Pocker.”

SRI P. NATESAN:—“May I observe, Sir, that when the term ‘basic education’ is not defined, no purpose will be served in putting a question for answer on that subject? Are we?”

MR. SPEAKER:—“I suggest that instead of putting a supplementary question on the subject hon. Members may put a separate question on the definition of basic education and then they can put supplementary questions on that.”

SRI P. NATESAN:—“The point is that when you do not understand what is meant by basic education what is the use of putting any question?”

MR. SPEAKER:—“So you put a separate question. The hon. Member, Sri N. M. R. Subbaraman who has put the main question understands the term ‘basic education.’”

MOHAMED ABDUL SALAM SAHIB BAHADUR:—“It is for the House and the country, Sir. It is not enough if the Member”

MR. SPEAKER:—“So you put a separate question. I shall allow the Hon. the Minister to answer that. I shall see that it is answered on the floor of the House.”

H. S. HUSSAIN SAHIB BAHADUR:—“I suggest, Sir, that the question may be taken up to-morrow.”

P. P. HASSAN KOYA SAHIB BAHADUR:—“I beg to submit, Sir, that the Minister for Education before coming to the House should have known what basic education is.”

MR. SPEAKER:—“When the Hon. Minister says he wants time, it is better we take it. The hon. Member need not argue that question with me. The Minister for Education wants time.”

SINNA KAZIAR HAJI MOULVI S. A. F. IBRAHIM SAHIB BAHADUR:—“May I suggest, Sir, that this question may be deferred till that question is put?”

MR. SPEAKER:—"On basic education you can put a separate question and it will be answered on the floor of the House. Why do you want to postpone this question?"

SINNA KAZIAR HAJI MOULVI S. A. F. IBRAHIM SAHIB
BAHADUR:—"The suggestion has been made, Sir, that we can put a separate question to know what basic education is. Till that question is put why not defer"

MR. SPEAKER:—"I do not prevent you from putting a separate question. If Mr. Sinna Kaziar wants he can put a separate question. I now pass on to the next question."
