From (Name) Sri.E.V.Somasundaram, B.A., P & P.A., (Dip.)  
(Designation) Commissioner, Chidambaram Municipality.

To The Secretary to the Government of Madras,  
Department.  
EDUCATION & PUBLIC HEALTH

Sir, Through, The Director of Public Instruction Madras &  
The Chairman, Municipal council  
Chidambaram.

Sir,

I submit herewith in duplicate the Revised Budget Estimate for 1946-47 and the Budget estimate for 1947-48 of the Elementary Education Fund Accounts of the Chidambaram Municipality duly passed by the Municipal Council Chidambaram in its resolution No.546- dated 11-12-46 (copy enclosed)

2. The Revised estimate for 1946-47 closes with a balance of Rs 796/- and the budget estimate for 1947-48 closes with a deficit of Rs 3914/- The contribution from General Fund accounts to the Elementary Education fund provided for 1947-48 is Rs 9560/- only being the Statutory contribution required to be provided for. As the budget for 1947-48 under General-fund Accounts also closes with a deficit of Rs 32,708/- no extra provision other than the statutory provision one should be provided from General Fund Accounts under contribution to Elementary Education funds. No Capital expenditure has been provided for in the Budget Estimate for want of finance inspite of so many urgent and necessary works that are to be taken up under Elementary Education Fund Accounts.

3. The provision made in the Budget <sup>with</sup> regard to the staff equipment Accomodation etc., is based on the actual bare requirements of each school and with reference to the recommendations of the Inspecting officers. The marked variations have been explained separately.

4. There is a slight deviation in the Budget Estimate sanctioned for 1946-47 and the Revised Estimate now submitted. I am submitting herewith a statement showing the provision made in the Budget Estimate for and Revised estimate for 1946-47 separately. I request that the provision made in the Revised Estimate may also be kindly approved. The total expenditure under Ordinary and Capital is Rs 31670/- in the Revised Estimate as against Rs 30640/- in the Budget estimate sanctioned in G.O.No.M.S.650-Edn. dated 25-3-46. I request that the Government may be pleased to consider the hard plight of the Council and sanction necessary amount as grant to balance the budget.

The Council has to spend Rs 9480/- under Dearness allowance for 1947-48. Therefore the Council request the Government to grant necessary amount to balance the budget. (2) The Council further requests the Government to grant Rs 9480/- for the payment of dearness allowance to Elementary Education staff so as to balance the budget for 1947-48 and to make necessary substantial improvements required.

#### FORWARDED

2. The Budget closes with a deficit of Rs 3914/- Inspite of the efforts taken to tap all sorts of resources to enhance the revenues, the finances of the Municipality under General funds <sup>Chairman, Municipal Council</sup> Chidambaram is poor and cannot afford to contribute to the Ele. Education fund more than what is admissible statutorily. Therefore it is requested that the Govt. may be pleased to allot liberal grants to wipe off the deficit and to maintain the minimum closing balance.

#### Budget Estimate for 1947-48.

#### II- Expenditure.

The Provision of salaries and Dearness allowance to staff for 1947-48 is Rs 25810/- as against the Budget estimate of Rs 24340/- The increase is due to the provision of additional staff as recommended by the Inspecting officers.

2. Capital. The two primary needs with regard to the Elementary education are (1) Teaching staff and (2) school buildings and equipments. As regards item (1) there is already sufficient strength of the teaching staff and necessary provisions have been made in the budget therefor. Only with regard to item (2) i.e., buildings it is not possible to do anything substantially on account of the slender finances of this Council. There are 12 Elementary schools in this municipality. Of these only 5 schools are now housed in buildings owned by the council. The remaining 7 schools are still being continued in rented buildings and we are paying as house rent for these 7 schools more than Rs 1000/- every year. If they are to be provided with buildings of their own it is estimated that one lakh of rupees will be needed. The Inspecting authorities also are repeatedly remarking that the schools should be provided with better accomodation. Hence it has already been proposed to acquire sites for constructing buildings for two of these schools Viz., Vandinara street boys school and Veerabadraswamikoil street boys school. The matter is under correspondence with the Revenue Department. Even for these acquisitions no provision could be made in the Budget estimate.

3. This town is an ancient holy shrine with a modern University nearby. As such it is an urgent necessity to provide for ~~ixsaki~~ total literacy at the earliest possible date by providing upto date schools. In these circumstances the Council has no other go but to approach the Government for half grant and half loan for financing a 5 or 10 year scheme for constructing school buildings for the remaining 7 schools. In that case the amount of house rent i.e., Rs 1000/- will become savings and be utilised towards the annuity payable on the loan to be obtained from Government.

2. R.E. for 1946-47. (i) While passing orders on the E.E. fund budget of the cl. for the current year, it was asked to adjust a sum of Rs. 843 from the Breach Toll Compensation Grant. The cl. had not taken credit for any amount under this head. This is apparently, because the R.E. is able to close with a balance even without taking credit for this amount. (ii) Provision has been made for the payment of the arrears of dearness allowance to the E.E. staff.

(iii) The provision made under the head "Expenditure - Grdy" is in excess of that made in the sanctioned budget. The increase is mainly due to the payment of the arrears of d. a. The provision made for excess expenditure may be approved. The need for the provision under the head "Expenditure - Capital" has been explained by the Commr. The provision made may be approved.

3. B.E. for 1947-48. (i) The credit taken under the head "Govt. grant under the proviso to Section 39 of the E.E. Act" may be raised from Rs. 9560 to Rs. 9680 with reference to the amount sanctioned in the current year.

(ii) The credit taken for contributions from General funds is Rs. 9560 as against Rs. 10,230 in the sanctioned budget for 1947-48. The cl. may be asked to raise the contribution to Rs. 10,230. L.A. may be

(iii) Revised with reference to the suggestions above, the B.E. for 1947-48 is expected to close with a deficit of Rs. 3,124. L.A. may be requested to state whether this deficit can be met by an additional contribution from the

General funds or by adjustment from the Arrear  
 Toll Compensation Grant. If this is done, there will  
 be no need to sanction a subsidy to the d. as  
 requested by it. No subsidy was paid to the d. in the current  
 year towards the payment of d. a to the E. S. Staff.
