pp 1-3 pp 4-5

I request that Government may be pleased to issue early orders on the following points:-

(1) Though the revised scale of pay of L.T.assistants in Board Secondary schools has been fixed as Rs. 75-5-145 as per G.O. No.1154 dated 5th June 1947, the revised scale of pay of Headmasters of Secondary schools with Form IV and below, fixed as Rs. 70-5-140 in appendix to G.O.No. 975 dated 10th May 1947 has not been amended. Necessary amendment to the said G.O. may, therefore, kindly be issued.

pp 4

1852 dt 22.8.47

(2) The revised pay of untrained graduates has been fixed as Rs. 45/- p.m. as against Rs. 50/- p.m originally fixed. In this connection, I wish to point out to Government that of the four untrained graduates who were entertained by the Board in the Board Secondary schools during 1946-47 on a pay of Rs. 50/- p.m. only one has been reentertained during the current school year and the whereabouts of the rest except one who has been selected for training for B.T.course this year are not known. Hence, it would not be possible to recover the excess pay of Rs.5/- p.m. already paid to them with effect from 1-1-1947. I request, therefore, that Government may be pleased to order as to whether the revised pay of Rs. 45/- p.m. in respect of untrained graduates may be brought into effect from the school year 1947-48.

2160
8.10.47

(3) Whether or not the revision of scales of pay ordered as per the Government orders quoted above are applicable to retired employees re-employed under the Board.

(4) There are certain cases of teachers who are getting a fixed pay for several years past either because they are not fully qualified or for any other reason. No scale of pay has been applied to them. I request that Government may be pleased to order as to how the pay of such teachers has to be refixed as per revised scales of pay.

Memo No. 55474 61/ dt 22.8/47

(5) Revised scale of pay may kindly be fixed in

P.T.O.

respect of Library attenders employed in Board Secondary Schools. Their present scale of pay is Rs. 17-1/2-20 as sanctioned by the Inspector of Municipal Councils and Local Boards in his proceedings L.Dis.No.14058-47, dated 19-4-47.

SUB:- District Board, South Kanara - Secondary schools - Revised scales of pay - Regarding.

REF:- Govt. endorsement No.55474/47 B1-1, Edn., dated 9-7-47.

22 JUL RESUBMITTED.

2. The following remarks are offered on the several points raised by the Special Officer:

5-9238

(1) Para (iii) of G.O.No.1154 Edn., dated 5-6-47 may be recast as follows so that Headmasters of secondary schools with Form IV and below may also have the scale of Rs.75-5-145 that is given to L.T. Assistants because all of them belong to the L.T. cadre only.

"The scale of Rs.70-5-140 with a craft allowance of Rs.5/- for L.T. Assistant and of Rs.70-5-140 for Headmasters of secondary schools with Form IV and below will be repalced by a scale of Rs.75-5-145 for these Assistants and also for Headmasters of such schools and the craft allowance will be abolished."

In this connection I would like to bring it for the consideration of Government the desirability or equitableness of giving Rs.10/- to the Head Masters of other secondary schools also if the strength is 500 and below as is sanctioned to Headmasters of secondary schools with Form IV and below of the same strength.

(ii) The revision of the pay of untrained graduates from Rs.50/- to Rs.45/- is known only now and it will be unjust or even impossible in some cases to recover the excess of Rs.5/- p.m. already paid to them from 1-1-47. Hence this revised pay of Rs.45/- to them may be ordered to take effect from the school year 1947-48 instead of from 1-1-47 itself.

(iii) The retired teachers re-employed in secondary schools under local bodies get the pay which they were drawing at the time of their retirement with reference to G.O.No.1350 Edn., dated 4-9-1945. Hence the question of applicability of the revised scales of pay in their cases does not arise.

(iv) The Special Officer may report the specific cases in view with full particulars separately so that the question of giving them particular scales of pay may be examined.

(v) This matter is separately under consideration and a report will be submitted in due course (Vide Govt. Education and Public Health U.O.No.49086 B1/47-1, dated 8-7-47) and

(vi) This is commended to Government for consideration.

Government in their order No.975 Education and P.H., dated 10/5/47, were pleased to fix the L.T., Assistants' scale of pay viz., Rs 70-5-140 for the Headmasters of incomplete Secondary schools with form IV and below. Subsequently Government in their order No.1154 dt. 5/6/47, in para III(b) have revised the scale of pay applicable to L.T. Assistants to Rs 75-5-145 abolishing the craft allowance. But the L.T., Assistant's scale of pay allowed to headmasters of incomplete high schools and shown against them under column. 2 in page 3(Appendix to Government order.975 dt. 10/5/47) remains unaltered. I presume that it is the intention of Government to allow the L.T. assistant's scale viz 75-5-145 to headmasters of incomplete high schools.

I request that Government may be kind enough to let me know if the presumption is correct.

E1 DH (132).

Memo No 74051 B1(47)-1 Edn d 19-9-47

17/9/47

It has been brought to the notice of Govt that there are certain high schools with Forms IV to VI only without the lower forms I to III like the Board High School, Kanigiri in the Nellore Dt. ~~and that~~ It has been suggested that in respect of those schools, the strength of 500 pupils adopted as the basis for fixing the amount of allowance to be paid to headmasters of secondary schools will not be suitable and that some other figure should be fixed. The Director is requested to offer his remarks on the ~~proposal~~ suggestion. He is requested to say whether the headmasters of schools with Forms IV to VI only will be

16

2

eligible for the higher scale of pay of Rs 150-10-200 if so whether it will not be sufficient if they are paid an allowance of Rs 10 p.m. if the strength is 500 & below. The Director is also requested to say whether there are such schools under Govt management & ~~how many such schools are there under Local Bodies, [illegible]~~ etc.

figure lower than 500 and hence I do not feel the need to fix some other figure as is suggested in the Government Memo referred to above.

2. The Headmasters of schools with forms IV to VI only are entitled to the Headmaster's scale of pay of Rs.150-10-200 as they are Headmasters of schools with Form V and above and are persons appointed from the panels drawn up for the purpose. Generally, such schools will not have a strength of more than 500 pupils and hence, it will suffice if they are given an allowance of Rs.10/- only. However, if any such school has a strength of more than 500 pupils, its Headmaster may be given Rs.25/- as allowance. In fact, these Headmasters are entitled under G.O. No.1852 Edn., dated 22-8-1947 to the above allowances, as the schools in question will fall under the category of "other secondary schools".

3. The Government Secondary and Training School for Masters, Coimbatore is the only school under Government control having only two of the High school forms. viz. Forms V and VI. Form IV was closed in the school during the current school year with effect from 28-7-1947 with reference to Government Memo 60080 B1/47-1 Edn., dated 26-7-1947. (Put up in another file)

Extract from the letter from the Special Officer, District Board, South Kanara, Roc. No. 11066-A3-47 dated 2-7-47.

----

1. Though the revised scale of pay of L.T. assistants in Board Secondary Schools has been fixed as Rs. 75-5-145 as per G.O. No. 1154 dated 5th June 1947, the revised scale of pay of Headmasters of Secondary Schools with Form IV and below, fixed as Rs. 70-5-140 in appendix to G.O. No. 975 dated 10th May 1947 has not been amended. Necessary amendments to the said G.O may, therefore kindly be issued.

Remarks of the D.P.I.

A 1. Para (iii) of G.O. No. 1154 Edn. dated 5-6-47 may be recast as follows so that Headmasters of Secondary Schools with Form IV and below may also have the scale of Rs.75-5-145 that is given to L.T. Assistants because all of them belong to the L.T. cadre only.

" The scale of Rs. 70-5-140 with a craft allowance of Rs.5 for L.T. Assistant and of Rs.70-5-140 for Headmasters of Secondary Schools with Form IV and below will be replaced by a scale of Rs.75-5-145 for these Assistants and also for Headmasters of such Schools and the craft allowance will be abolished."

B In this connection I would like to bring it for the consideration of Government the desirability or equitableness of giving Rs.10 to the Headmasters of other secondary schools also if the strength is 500 and below as is sanctioned to Headmasters of Secondary Schools with Form IV and below of the same strength.

EMH(B1)

1 **Remarks of the DPI at A above.**

It is not necessary to amend G.O. no 1154 Edn of 5.6.47 in which the scale of pay of L.T. Assts was revised. It is the annexure to G.O. no 975 Edn of 10.5.47, that should be amended. In Col. 2 of that annexure, under the heading Secondary Schools with IV Form & below for the scale of Rs 70-5-140 occurring in two places, the scale of Rs 75-5-145 may be substituted.

29-7-47

2 **Portion marked B**

The scales of pay for headmasters of ~~[illegible]~~ Govt secondary schools are as follows:-

Grade I 160-5-200-10-240

Grade II 80-5-120-10-170.

plus Rs 25 p.m. for those in charge of schools with a strength of over 500 and Rs 10 p.m. for those in charge of schools with a strength of 500 or below.

In regard to secondary schools under local bodies, the division is also into two - A. Schools with form IV & below & B - other secondary schools - (with Forms V & VI) - In respect of the latter an allowance of Rs 25 has been allowed only in respect of schools with a strength over 500. The DPI's proposal is that in respect of schools with a strength of 500 & below an allowance of Rs 10 should be allowed as in the case of Govt schools. In the circumstances stated by the DPI. This ~~sug~~ suggestion may be accepted. The remarks of Finance may be invited no.

2.The revised pay of untrained graduates has been fixed as Rs.45 p.m. as against Rs.50/- p.m. originally fixed. In this connection, I wish to point out to Government that of the four untrained graduates who were entertained by the Board in the Board Secondary Schools --during 1946-47 on a pay of Rs.50/- p.m. only one has been reentertained during the current school year and the whereabouts of the rest except one who has been selected for training for B.T. course this year are not known. Hence it would not be possible to recover the excess pay of Rs.5/- p.m. already paid to them with effect from 1-1-47. I request, therefore, that Government may be pleased to order as to whether the revised pay of Rs.45/- p.m. in respect of untrained graduates may be brought into effect from the school-year 1947-48.

Remarks of the D.P.I.

2.The revision of the pay of untrained graduates from Rs 50/- to Rs.45/- is known only now and it will be unjust or even impossible in some cases to recover the excess of Rs.5/- p.m. already paid to them from 1-1-47. Hence this revised pay of Rs.45/- to them may be ordered to take effect from the school year 1947-48. instead of from 1-1-47 itself.

With regard to the pay of untrained graduates, the suggestion is to fix it at Rs.45/-. Due to the paucity of trained graduates, many schools in District Board Service have to go in for untrained graduates. If their pay is to be fixed at Rs.45/-, I am absolutely sure that they would not be able to get a single graduate. We are giving to the lower ~~subordinate~~ Division clerks with S.S.L.C. qualification Rs.45/- and it will be absurd to expect graduates to come for a pay of Rs.45. I think it must be ~~made~~ raised to Rs.6~~0~~5/-. From the point of view of finance of the schools, even this Rs.6~~0~~5/- will be a saving since they will have to pay between Rs.75 and Rs.145, if they are to be L.T.trained graduates. The draft order may be amended accordingly. If it is to go to Finance again, this matter may be taken out separately and the orders issued over other matters and orders on this may be issued after Finance sees.

TSA
17-8

On the representation made by certain special officers of Dt Bds, the DPI has recommended that Rs 65 pm may be paid to graduates who have undergone training but failed and Rs 60 to mere graduates who are appointed to vacancies in the LT or BEd cadre. It has been suggested in that file that the Director's recommendation may be accepted and that file will be sent to Finance

2. The point for orders in this file is whether the revised rate of pay fixed for untrained graduates may be given effect from the school year 1947-8 instead of from 1.1.47 so as to avoid recovery of payments already made in excess of the revised rate. If it is considered that orders on this point may issue along with the revision of the rate itself, para 2 in the draft order below may be omitted

This is more appropriate. The question of giving effect to the new scale from 1.1.47 will also have to be considered. Add extracts to the [illegible] file [illegible]

4. There are certain cases of teachers who are getting a fixed pay for several years past either because they are not fully qualified or for any other reason. No ~~ord~~ scale of pay has been applied to them. I request that Government may be pleased to order as to how the pay of such teachers has to be refixed as per revised scales of pay.

Z I know at Kanigiri (Nellore District) there is a High School from IV to VI Forms. 500 strength cannot be the basis there. Some other figure should form the basis for such schools.

May be examined.

B.G.R.
11.9.47

With reference to the suggestion of H.M.(Fin) at Z above, it is submitted that there is no information in this Department whether there are any schools having the high school Department only. Viz., Forms IV to VI without the lower forms I to III. Such a school may exist in places where there is already a middle school under different management. The question of fixing the amount of allowance to be paid to headmasters of such schools may be taken up separately and the D.P.I. may be consulted.

Please see the Director's reply on page 3. C.F. He reports that headmasters of schools with Forms 1V to V1 only are entitled to the scale of of pay of Rs 150-10-200 as they come under the category 'B'- Other secondary schools in G.O. No 1852 Edn dated 22-8-1947 and the allowance already fixed for headmasters coming under that category namely Rs 10 if the strength is 500 and below and Rs 25 if the stength exceeds 500 is sufficient and no separate allowance need be fixed. The Director's view may be concurred in.
