The Honourable Minister for Education,
FORT ST. GEORGE, MADRAS.

Sir,

The humble application of Sri D. Ranganayakulu, M.A., L.L.B.,
Mathematics Lecturer, Hindu College, Guntur, requesting for
exemption from the age qualification prescribed for appointment
to the post of Mathematics Lecturer in the Madras Educational
Service.

I beg to state that I am one of the applicants for the post of
Mathematics Lecturer in the Madras Educational Services for which the
Public Service Commission invited applications on 24-12-46 in its Notice
in the Madras Mail of even date. In the "Instructions for the applicants"
the Service Commission stated that the candidates should not have
completed their 35th year on the first July 1947. But I will be comple-
ting my 35th year on 3/5/1947 and so I am age-barred by nearly 2 months.
I humbly solicit the Hon'ble Minister to grant me the necessary exemption
from the age limit prescribed for appointment to the said post.

In this connection I beg to state that I am a first class M.A.,
in Mathematics and an LL.B., of the Benares Hindu University. I have
put in eight years service as Mathematics Lecturer in the Hindu College,
Guntur. Ever since I took my M.A. degree, I have been employed only in
the Educational Service. I am the author of a text-book on Algebra
for Intermediate Course. I am about to publish a text-book on Trige-
nometry for the same class. I have chosen this profession not by
accident, but whole heartedly. Further, I belong to the Vysya Community
which, to my knowledge, is not given proper representation in the
Provincial Services under the Madras Government.

In anticipation of age-exemption, I have already submitted my
application to the Madras Public Service Commission on 11th instant, the
last date for receiving applications being 15th instant.

Soliciting your honour for favourable consideration and early
order.

Madras.
Date: 15-1-47

Sir,
Your most obedient Servant,

D. Ranganayakulu.

Sri I. Ranganayakulu is informed
that the Govt. see no sufficient
justification to relax in his favour
the age-limit prescribed for the post of Lecturer in
Mathematics in the M.E.S. so that
his appn. for the post may be considered
by the M.P.S.C., as the candidates with the required
qualifications are available.

From Sri I.Ranganayakulu, dated 15-1-1947.

M.E.S. - Vacancy in post of Lecturer in
Math. - Request for exemption from age-limit.

Secy., E. & P.H., to examine and put up
the proper notes immediately.

T.S.A(vinashilingam), 17-1-47.

The post of Lecturer in Mathematics that will
fall vacant consequent on the retirement of Dr.K.C.Chakko,
on 24-8-47, along with 3 other posts in the M.E.S., has
been advertised by the Madras Pub. Ser. Commn. for direct
recruitment. The 4 vacancies should ordinarily go to the
following communities, accg. to the rule of communal rotation:

Non-Brahman
Muslim
Non-Brahman
Anglo-India, Xian or Non-Asiatic

The age-limit for prescribed for direct recruits to the
Lecturerships (M.E.S.) is 35. Sri I.Ranganayakulu of the
Hindu College, Guntur, who has exceeded this age-limit by
nearly 2 months has applied for the post of Lecturer in Math. to the Commn. He
has also requested the Govt. that he may be granted the necy.
age-exemption. It is subd. that the qualfn., age or other

usually
service rule is not/relaxed, and for the relaxation there
should be sufficient public grounds. In this case, Following
"t"/N.F.11-12 and C.F.62, Sri Ranganayakulu's request should,

it seems, be considered only in the event of its turning out
that no technically qualified candidate of the community
which is eligible for the vacancy, has applied in response to
the advertisement (which is very unlikely).

For orders
whether the Commn. may be told that an appln. for relaxation
of the age-rule has been recd. by Govt. and that it is pro-
posed to consider it only if a contingency as at "X" above
arises and it be asked for information about applns. for from
technically qualified candidates, if any. (The last date of
for receipt of applns. for the post by the Commn. expired on
15-1-1947.)

Pub.(Ser.) may see before circn.

(Relaxation was
not finally
ordered there)

@accg. to the
age-rule also.

This dpt may agree with E & P.H. that the Commission may be told that an application for the relaxation of the age rule has been received by Joub. & that it is proposed to Consider it favourably of the community eligible for the vacancy only if no qualified candidates have applied for the post of Prof. lecture in Mathematics.

The need for asking the Commission for information about applications from technically qualified candidates is not clear. It is presumed that it is only intended to ascertain from the Commission whether there are or there are not qualified applicants.

The file may be returned to E & P.H.

CF.4 The Commission has replied that 20 prima facie qualified candidates from the communities eligible for appt. to the post (Lecturer in Math.) have applied in response to its advertisement. Therefore, there is no case to relax the age-qualifn. in Sri I. Ranganayakulu's favour. Subject to orders, a draft memo. rejecting his request is subd. May be circd. to H.H. Edu.
