To Mr. P. R. S. Mier

Sr. 43623

I am herewith sending a Petition
from one P. Rathiya padayachari of
Sottakore in Andalore Taluk. He
is a very good Congress man
and helping to his cause for the last
several years. So his case
may be considered favourably and
the necessary orders passed at his favour.
Thanking you

Yours truly
S. A. Devanayagaiyah

To

The Hon'ble Premier
To the Government of Madras
Fort St. George
Madras.

The humble petition of P. Ratna Padayachi,
Now Employed as Elementary Higher Grade Teacher at Sorathur
Board Elementary School, Sorathur, Vellayankuppam B.O. &
Cuddalore Taluq, most respectfully sheweth:

This is a petition for merciful consideration and orders
to the effect that the petitioner's absence from duty from 12-12-
1940 to 13-7-1946 as leave on Extraordinary circumstances and
to reemploy him as a Permanent incumbent with all privileges
appertaining thereto on extreme compassionate grounds and other
exigencies:

The petitioner submits that he is a nationalistically
disposed man and he served faithfully and loyally as an
Assistant first entering in Taluq Board service from 19-8-1939
to 12-12-1940. After the defunct of Taluq Board I was taken
in District Board Service and I served as such till 12-12-1940.

When a call came from Mahatma Gandhi that those who believe
in non-violence and offer individual Satyagraha, I was instigated
to offer my humble contribution to the cause and accordingly
after tendering my resignation from service in my application
specifically mentioning the purpose as that ~~of~~ "FOR AFFORDING
ME TO OFFER INDIVIDUAL SATYAGRAHA I TENDER MY RESIGNATION",
I ~~part~~ participated and suffered imprisonment.

Subsequently I have been serving as a humble ACTIVE CONGRESSMAN
contributing my service both physically and intellectually
consistently to my capacity.

I am a poor man with no or little resources with heavy
commitments. My resignation as aforesaid was prompted by the
then existed political reasons and the dreadful atmosphere
and exigencies. Now that our Government has been installed

and nothing would ~~be~~ be prejudiced if I were to continue my service in the District Board School. Further the Government G.O. is there directing the reinstatement of all those who have participated in the 1940 movement and 1942 movement and who were so far disabled to serve on extraordinary grounds. In accordance therewith and to enjoy the privileges thereunder I applied and was appointed. But the appointment states that I am a new entrant and I am entitled to the initial scale only.

I submit that I have put in a service of over 11 years approved service and I was ~~on~~ drawing Rs.19/- per mensem, at the time of my resignation. My scale of pay has also got to be fixed and paid approving the previous service as also my absence.

In view of the peculiar circumstances in which I was forced to resign and my peculiar case for being considered in a peculiar ~~state~~ application I beg to approach you with this application.

In this connection I must submit that as I am at present in I am likely to be ousted at intervals and my prospects will be shattered. I will be put to untold miseries and inconveniences unless I am taken as a permanent cadre.

I therefore humbly pray that your honour should be pleased to view my case in all its practical and peculiar nature order the District Board to assign me the position of Permanent incumbent with all the privileges and concessions that appertains thereto and thus save me from the present awkward state. I crave for mercy and compassion.

Praying for early orders,

I beg to remain,
Respected Sir,
Your most obedient servant,

19th May 1947.

Sir,

Sub:-Education Elementary - Cuddalore Taluk
Sorathur Board Elementary School - P.Rathina
Padayachi - re-instatement - as a permanent
incumbent - orders requested.

Ref:-Your Memorandum No.43673 B-2-47 Education
dated 5-6-1947.

In retransmitting the petition from P.Rathina
Padayachi, Assistant Board School, Sorathur, I have the
honour to say that the teacher tendered his resignation
to partake in Satyagraha work. His resignation was
accepted with effect from 12-12-40 in this office D7.
47559 of 40 dated 14-12-40.

2. On 11-6-46 the teacher submitted a petition to
the Hon'ble Minister for Education requesting him to
to have him re-instated and this was forwarded to this
office for necessary action by the Hon'ble Minister on
13-6-46. In view of the fact that the applicant has
passed the Higher grade examination in the meantime,
he was posted as a new acting teacher and the fact was
communicated to the Hon'ble Minister for Education in
this office demi official dated 29-6-46.

3. Now the teacher in his petition dated 19-5-47
to the Hon'ble Minister for Education requests he
should be re-instated as a permanent incumbent with
the benefits of his past service.

4. Government Memorandum No.25096-B-1-46-2 Education
dated 22-5-46 provides only for re-instating teachers
who were sent out of service or whose certificates were
cancelled under rule 154 Madras Educational Rules for
participation in the political movement of 1941-42 and
in the Director of Public Instruction's proceedings
Dis.826/47 dated 28-2-47 it is stated, that such -
teachers should be given the benefit of their past
service for purposes of pay, increments, seniority etc.,
and that their period of absence from duty from the
date of their removal from service to the date of their
re-employment should be treated as leave to which they
are eligible.

5. This is an instance where the teacher has actually
resigned his post. The Hon'ble Minister for Education
in his demi official letter dated 17-6-1946 has viewed
that his resignation should be taken as for political
reasons.

6. In the above circumstances I request you to let
me know as to whether the teacher may be re-instated
with reference to the Director of Public Instruction's
proceedings Dis.826-47 dated 28-2-47. I personally
have

have no objection to his reinstatement etc. But I must point out the disastrous effect by way of sapping of discipline engendered by such petitions being entertained direct by the Hon'ble the Ministers with the Government. Government cannot expect us to maintain discipline when strikes are threatened if at other times our position is made impossible Vis-a-vis our staff, deliberately or accidentally.

7. The connected files are enclosed for favour of perusal and return.

Petition from P. Ratna Padayachi
Eligible high teacher, under the Dist Bd. South Arcot
8.12.54

The petition in the Cf. is from one Ratna Padayachi employed as a teacher under the Dist Board, South Arcot. The teacher was first appointed in Board service in 1929, and continued to be ^{in service} there till December 1940. He resigned his appointment that year with a view to offer Satyagraha. ~~and~~ On application he was ^{appointed} reinstated in July 1946, as a probationer. The teacher now requests that in view of his past service of 11 yrs before his resignation and in view of the fact that his resignation was tendered with motives of a political nature, he may be reinstated in service. The petition should have been submitted thro' the Spl. Officer Dist. Bd., South Arcot. The teacher was failed to observe this rule. His petition has come through a member of the Legislative Assembly.

2. The question for consideration is whether any action should be taken on the representation; if so, the remarks of the Spl. Officer should be called for. The policy of Govt is to restore to their original appointments persons who participated in August Movement 1942. The teacher in question resigned his appointment as early as ^{December} 1940, itself.

3. The file may be submitted to HOD (Edn) for order.
The period of his absence was 5 years and 11 months. Under rule 18 of the Fundamental Rules which apply to local board employees as well, an employee

From the Spl. Officer, D6 No. 13698/B. of 47 dated 28-6-47.

The Spl. officer says that the teacher resigned his appointment with a view to offering Satyagraha in 1940. The teacher was reappointed by the St. Board under instructions from H.M.

From para 5 of the Spl. officer's letter it appears that the intention of H.M. that the teacher should be restored to his original appointment with all claims of pay, seniority, increment, etc.

Submitted for orders with reference to the notes on page 1 ante. also to the letter of the Spl. Officer on page 7 & 8 of.

The case may be treated as an a bar with the loss of service in para 4 or 1-7 of - & in some benefits may be allowed. Attention is invited to para 6 or 1-7-8 of. When I was a A week of 9 overlooks in past time by teacher

There is no objection in the Special Officer's
representation & I reflect that the teacher
must be allowed to have his
representation through the Special Officer & W.
addressed to the Premier & that is enough
a member of the Legislature, & that the Minister
be waived for the irregularity. In the
case, however, it was W. any of the

the petition. It is I & it was impossible
for action being taken & I asked
under the misapprehension referred to in
