The deputation of items 1 and 2 has since been cancelled and in their place items 9 and 10 Sri C.P. Subbiah and Sri Seshu Madhava Rao have been proposed and the Government of India have accepted the proposal and have ordered that their deputation may commence with the next batch which is proposed to be organised during 1947.

The Officers were selected apparently for the reason that they were found suitable by my predecessor.

For Chief Engineer, (Highways).

PND.13.9. *13/9*

Copy of D.O.No. 117 B/45-9 dated 9-7-45. 20 37

The Government have considered the matter carefully and have decided that communal and linguistic factors must also be taken into account in selecting the men to be sent abroad. I am accordingly to ask you to suggest suitable officers on the basis of two Brahmins, two non-Brahmins and one Muhamadan or a non Brahmin or an Indian Christian, Two of those selected should be Tamils and at least two telugus.

The matter should be treated as specially urgent as there is very little time before us to communicate the selection to India.

Particulars in Form B in respect of the officers selected by you should also be sent expeditiously.

Copy of Endt.No.117 B/45-27 dated 17-12-45.

With reference to the last para of his letter No.5738(a) E/44-27 dated 12-7-45 the C.E(E) is informed that the communal considerations should as far as possible be taken into account and that as only deserving men are promoted to the rank of Divisional Engineers etc., it is not likely that the efficiency of the department will suffer.

With reference to the correspondence resting with his letter No. 5738(a) E/44446 dated 26-11-45 the C.E. is informed that separate orders will issue in regard to the terms of the deputation of the officers.
