p.5 u/e

I beg to submit this appeal against the orders of the Director of Public Instruction, Madras contained in his Proceedings L.Dis. No. C.3665C/45 dated 11.9.45, turning down my request to be appointed by transfer as Clerk and request that you will be good enough to consider my request favourably in the circumstances explained below.

1) I was appointed as an attender for the first time as early as the year 1937 and a brief history of my service is given below.

I have completed my probation satisfactorily as an attender before I joined Active Service and it will be seen from the above that I have worked as a Clerk already for a number of years both in the Civil and in the Military Departments.

2) I have passed the Matriculation Examination in the Second Class. I have also procured the Royal Indian Air Force Educational Test Certificate. I have passed the Government Technical Examination in Typewriting by the Lower grade. I was also awarded by the Royal Air Force a monetary prize for proficiency in Typewriting.

Considering

a) my superior qualifications,

b) my proved efficiency as a Clerk both before recruitment and later in the Royal Indian Air Force,

d) the present high cost of living and

To : The District Educational Officer,

Through : The Officer Commanding,
Headquarters (Unit) Bengal/Burma, A.C.S.E.A.

Subject : Application from Ind/17923 AC1 R. NAGARAJAN (Clerk/Pay Accounts) requesting promotion in the civil appointment.

Sir,

I beg to bring the following for your kind consideration and orders.

2. I was appointed as an attender in the Offices of the Deputy Inspector of Schools under your control for the first time as early as 1937. When I entered service, I was not eligible for a clerical appointment, but after entry I improved my qualifications by passing the Government Technical Examination in Typewriting (Lower Grade) and Matriculation Examination conducted by the Madras University with a high Second Class.

3. You were good enough to declare that my probation as an attender satisfactorily completed and you were also kind enough to give me acting chances as a Clerk under the emergency powers vested in you, in view of my satisfactory work.

4. It is now nearly two years since I joined Active Service. I am working as an Accounts Clerk, the rank of my pay being Rs.66/- per month all found.

5. I understand that there are number of clerical vacancies in the District and that new men are being appointed for the same.

6. Considering that

a) I am in Active Service with liability for Service overseas,

b) that I am fully qualified under the public service Regulations for promotion as a clerk,

c) that delay in promoting me consequent on my being on Active Service would make me a Junior to many outsiders who might have been recruited after my joining Active Service or might hereafter be appointed, and

d) that I have been satisfactorily discharging my duties as a Clerk both in Civil and Military duties and the fact that I have already worked as a Clerk in your District for nearly 2 years,

I request that you will be good enough to declare me promoted as a Lower Division Clerk in your Unit from some date in 1944 when the clerical vacancies had arisen.

7. I beg to add that I am the son of a Retired Government Servant and that two more of my brothers are also on Active Service.

I have the honour to be,

From the D.P.I., Rc.No.10795-C6/46, dated 13-11-46 and 25-11-46. —C.F.6

Request of Sri R.Nagarajan, an attender, for appt. as clerk before service for 10 years.

p.188, BK.114

Under rule 3(e) of the Madras Ministerial Service Rules, attenders are eligible for appt. as clerks by transfer, for special reasons. In the G.O. at "f", it was decided that no person holding a post such as an attender's or a peon's should be apptd. to the Ministerial Service by transfer unless he has rendered satisfactory service for a minimum total period of 10 years. In his petn. at C.F.1-2, Sri R.Nagarajan, attender in the Edn. Dept., who has rendered active military service, requests that the order mentioned above may be relaxed in his favour so as to enable his regular appt. as a clerk. The D.P.I. —C.F.6 recommends the request, in view of the candidate's service as ~~an~~ attender and as ~~a~~ clerk (emergency) for over seven years, of his military duty, and also of the fact that he is fully qualified for a clerk's post. ~~Nxrxkxxxkxx~~ With refce. also to the orders in para 1 G.O. 22 Edn., dated 4-1-46, it seems that the D.P.I.'s recommendation may be accepted and a direction issued that the candidate may be apptd. to the Ministerial Service by transfer, as a special case. Pub.(Ser.) may see for remarks.

(W) Vide C.F.4

He is now nearly 30. 16 of He can't apply for direct recruitment to one of the war reserved vacancies even if his war service is deducted from his age that will exceed 25, the prescribed limit.

R.N. 7/12/46 S

'A' in (W) is relevant. Promotions etc in the normal way & not by resort to special relaxation of rules. Resort to 'transfer' is itself a special step. What are the special reasons for that in this case – vide reference to (E)?

10/12/46

Secy.'s query on p.1 ante:

"Y" there: G.O. "f" does not specify, exhaustively, what circs. might be regarded as "special reasons", but only cites certain typical instances. To go by the D.P.I.'s letter at C.F.6, that the ~~candidateXXXtherexx~~ candidate has rendered military duty and that he has put in 7 years' service as attender and also as clerk, are the special reasons to order the 'transfer' in this case. It is for consideration whether the Dir. should be asked whether any other reason exists.

"X": Subd. that what is proposed to be relaxed is, not a statutory rule, but an executive order prescribing a minimum period of service before 'promotion'. As the ~~The~~ statutory rules already allow the 'transfer' (for special reasons), and as, technically, no relaxation of term is involved and as, further, Sri Nagarajan is educationally "qualified for advancement", "A" in "W" can ~~also refers to advancement by transfer in the regular line~~, it seems, ~~it can~~ be applied to the case. Pub. may be requested to clarify.

The terms must be [illegible] to him

I do not see that these will amount to the above. There is nothing [illegible] or of [illegible]

[illegible] relaxation

The reasons now given at bottom of p.18 cf., particularly (c) and (d), can, it seems, be regarded as special justifying the 'transfer'. It is for orders whether the relaxation of the 10-year rule may ~~will~~ be recommended by this dept.

(c) is pertinent for the 'transfer' & (d) for the relaxation of the ten-year rule. Refer to recommended.

Please see the note of E & P.H on pp. 1-2 ante. In a similar case disposed of in O.O. 55/46-2, M.L., d/ 13.8.46 this dept did not agree to the relaxation of the ten year limit in favour of Kannappan, permanent attender in the Secretariat of the Madras Legislature in order to enable him to be appointed as a typist in that Secretariat although he ~~was~~ was qualified in other respects and ~~although he has~~ had also rendered war service. The remarks of this dept in that case — vide this dept's note at p.17 of (I) — will apply mutatis mutandis to the present case. In the circumstances, the proposal of E & P.H at XX on p.2 ante cannot be agreed to in this dept. If it is agreed to, it will set up an inconvenient precedent and it will be ~~impossible~~ difficult to resist similar requests from others.

With the above remarks the file may be returned to E & P.H who may be requested to return the O.O. at (I) to the Sect. of the Madras Legislature when no longer required by them.

The case of Sri R.Nagarajan differs from that of Sri Kannappan refd. to above in the following two respects:-

I 1/7

(1) In July 1946, when the request on behalf of Sri Kannappan was considered, his total service fell short of the prescribed 10 years by over ~~x~~ three years. In the present case, Sri Nagarajan's service up to date amounts to 8 years, 1 month and 28 days and the balance to make up the 10 years is only about 1 year and 10 months.

(2) Sri Kannappan's war service was in the Office of the National War Front and similar offices in Madras, whereas Sri Nagarajan's was in the R.I.A.F. and the latter has also overseas service ~~xxxxx~~ and ~~active service~~ some decorations obtained in ~~experience to his credit~~.

It Seems that Pub. may be requested to take into special account these factors and to recon-
