⑤ Extract of the notes of the L.A. department
from their file re: to the General fund budget of
the M.C. Periyakulam, for 1947-48 //

Elementary Education Account:- Provision is made for a contribution from the General Account to the Elementary Education Account of Rs. 6,720/- in the Revised Estimate for 1946-47 and of Rs. 5,500 in the Budget Estimate for 1947-48. The contribution approved while passing orders in the Budget Estimate for 1946-47 is Rs. 5,500/- the increased contribution is provided in the Revised Estimate for 1946-47 to meet the cost of payment of arrears of dearness allowance to Elementary School teachers. With the proposed contributions and after taking credit for the adjustment of the arrear toll compensation of Rs. 7,430/- in the Revised Estimate for 1946-47 and of Rs. 9,874/- in the Budget Estimate for 1947-48 the Elementary Education Account for 1947-48 is expected to close with a nil balance. Pending examination of the Elementary Education Budget the contributions provided may be allowed to stand. The Council's request for utilising the opening balance of Rs. 1,074/- on 1-4-46 under the Ele. Edn. Acct. for expenditure debit to the General Acct. is inadmissible and need not be complied with.

Revised with reference to paras 2, 3, 5 and 8 on pp. 1. to 3 above the Revised Estimate of the Periyakulam Municipality for 1946-47 under the General Account - Ordinary closes with a deficit of Rs. 2,617/- if the arrear toll compensation is left out of account. Out of the arrear toll compensation grant of Rs. 20,586/- sanctioned in the current year, the council proposes to utilise Rs. 7,430/- for meeting the deficit in the Elementary Education Account leaving a balance of Rs. 13,156/-. The Council may be permitted to adjust from this sum to its General Account Rs. 8,041/- for meeting the deficit and securing the prescribed minimum balance of Rs. 5,424.

p.t-o

20

Revised with reference to paras 2,3,5 and 8 on pp.1.3 above, the Budget Estimate for 1947-48 under the General Account - Ordinary closes with a balance of Rs. 751/- as against the prescribed minimum balance of Rs. 5,414/-. The Council may be permitted to adjust from the arrear toll compensation of Rs. 20,586 that may be sanctioned next year, Rs. 4,663/- to its General Account and secure the minimum balance. Out of the arrear toll compensation, there will then remain a balance of Rs. 15,923/-. A sum of Rs. 9,874/- may be required to meet the deficit in the Elementary Education Account. The balance of the arrear toll compensation viz. Rs. 5,949/- may be credited to the conservancy fund and made available for conservancy improvements in future years.

General financial position: Judging from the Budget Estimate for 1947-48, the ordinary receipts of the Council under the General Account fall short of the ordinary expenditure under the account by Rs. 4,673/-. The Council levies property tax (including education tax) at 20% per annum. This municipality has water supply and Electric lighting. It has been considered that 20% is the maximum upto which a municipality of this type should be compelled to raise the tax. If, in accordance with the general decision, the scavenging tax is raised by 1% per annum, the total rate for this municipality will be 21%. There is no scope for further increase.

Please see the notes of E + P. H. on pp. 1-2 above.

The contributions shown in the Ele. Edu. Budget and those provided for in the General Budget are the same viz Rs 6,720/- for 1946-47 and Rs 5,500/- for 1947-48. The contributions proposed may be approved. This dept. may also agree to a sum of Rs. 7,430/- of the arrears toll compensation being adjusted to the Ele. Edu. Fund in 1946-47.

2. Portions marked A on p. 1 above.

The E + P. H. Dept. may be requested to permit the Council to refund to the General Account a sum of Rs 1,074/- of the arrears toll compensation drawn in 1945-46 towards the anticipated deficit under the Ele. Edu. Fund as such portion of the arrears toll Compn. as is not actually required to cover deficit should be earmarked and spent on conservancy improvements. If this is done it is not necessary to reduce the credit taken in the B. E. for 1947-48 for the adjustment of a sum of Rs 9,874/- from the arrears toll Compn. to Rs 8,800/-
