3. The educational department is a self-sufficient unit. Properly managed, it is expected to yield an annual rental value of properties. If the Council decides to sell its properties, at 1/2% p.a. on the estimated rental value of properties, with effect from 1-10-47, it would get an additional income of about Rs. 1000, during the current year and an additional income of Rs. 2000 p.a. in view of the present high rate of property tax on land. It is for consideration whether it is desirable to keep the educational land as suggested above. It may be requested to advise. Educational land at 1/2% p.a. may be leased with effect from 1-10-47. 4. If it is decided to lease educational land at 1/2% p.a. with effect from 1-10-47, the deficit will be reduced to Rs. 559. d.a. may be requested to state whether the deficit of Rs. 559 can be avoided by a further

adjustment from the arrears till compensation grant sanctioned to the Council during the current year or by an additional contribution equal to the deficit from its general funds. The question of granting an advance to the Council to cover the deficit may be considered after L.A. offer their remarks.
