Thro

The Special Officer
The Trichinopoly District Board,
Trichinopoly.

Sir,

I beg to bring this my humble appeal claiming seniority for
the Post of Head-Master, for favour of consideration and justice.

I have been an L.T. Assistant (Collegiate Grade) of the
District Board ever since 2nd July 1926 and have an unbroken
record of devoted service and efficiency.

Prior to this I have to my credit two and a half years of
service as Supervisor, Municipal Schools, Trichinopoly Municipality
and have won the approbation of the Chairman of the Municipality
for my efficient discharge of duty.

I have passed the Deputy Inspector's Test Part I (Accounts
Test and Educational Rules etc.) in April 1925, and part II
in April 1926. I have undergone the Special course in
Geography organised by the Madras Geographical Association in
May 1931.

In the recent War I enlisted myself as a Viceroy's
Commissioned Officer, in I.A.O.C. branch and served more than
four months. Since my discharge, I worked as War Assistant
of the Board High School Ariyalur and did my humble service in
that capacity, by organising collection of Funds and propaganda.

I presume my name ought to have been in the panel for
Head-Masters, in consideration of my long, faithful, humble
services in the District Board and elsewhere as detailed above.

In spite of these qualifications, my claims for the
Head-Mastership were overlooked in 1945, when a Junior member
of the service, who had not then been confirmed, in the L.T.
Cadre, was given that permanent chance.

I was posted as the Head-Master of the Board Middle School
Manaparai, a School started on 21-6-'46. Some other Assistants
also were posted as Head-Masters of incomplete High Schools

Enclt in separat
sheet.

Three of them, who were all Junior to me in service were given acting chances, for 10 days, from about the 10th August 1946 as probationary Head-Masters, of which only three days were actual working days, by the simultaneous, artificial creation of Temporary vacancies, in three different Schools. It seems the then Non-Official President had exerted his influence in persuading the permanent Head-Masters of Lalgudi, Musiri, and Ariyalur to take leave, to create the vacancies. There have been occasions, when the post of the permanent Head-Master had been kept vacant for periods of more than four months.

My claims of seniority have thus been overlooked by a strange manipulation

I earnestly implore that my just claims are recognised and my seniority improperly set aside, be established and justice rendered to a devoted servant.

APPEAL - Ananthanarayanan, Sri T.S., L.T. Assistant
District Board, Trichinopoly - Against super-
session of claims for promotion as Headmaster
of a High School -

Reference--Government Memorandum No. 40399/B1.47.1ED
dated the 4th June 1947.

In August 1946, the Headmasters of the Board High
schools at Lalgudi, Ariyalur and Musiri applied for ten days' leave on
full average pay and the President, District Board, Trichinopoly, appoint-
ed the following three teachers from the panel of candidates for the
Headmasters' posts.

- | | |
|-------------------------------------|------------------------------|
| 1. Sri K.V. Balasubrahmaniamudaliar | Board High school, Ariyalur. |
| (Proceedings dated 8/8/1946). | |
| 2. Sri T.D. Govindasamy Pillai, | |
| (Proceedings dated 8/8/1946). | do Lalgudi. |
| 3. Sri P.A. Shanmugasundaram Pillai | |
| (Proceedings dated 9/8/1946). | do Musiri. |

Thus, these three persons acquired probationary rights for the Head-
master's post and they were subsequently appointed as Headmasters of
the Board high schools. The appellant has alleged that the ex-President
of the District Board exerted his influence in persuading the permanent
Headmasters of the High schools to take leave in order to create vacan-
cies of Headmasters' posts in which his juniors could be appointed.
The insinuation is not improbable but I do not find enough materials
on record to confirm this allegation beyond the fact that the proceedings
granting the leave and appointing the acting Headmasters were issued
with commendable expedition. The contention that the persons selected
for appointment as Headmasters, were juniors is not tenable as the
selection from the panel is at the discretion of the appointing authority
according to the order of merit of the individuals.

2. The allegation that there have been occasions when the post of
Headmaster was vacant for periods of more than four months is correct.

- (a). Board High school, Ariyalur. Headmaster, Sri M.S. Ramaswamy Ayyar
Leave on average pay from 29/4/1942 to 12/5/1942 and
extension of leave for four months from 13/5/1942.
(b). do do Leave on average pay from
20-11-1942 to 4-12-1942.
- (c). Board High school, Lalgudi - Sri Tiruvengadam Pillai - Leave on
average pay for three weeks in October 1944.
- (d). Board High school, Kulittalai - Sri K. Ramachandra Ayyar - Headmaster.
Retired in August 1945 - Kept vacant till December 1945.

In the case of item (a) the President, has made a note in
the order granting leave to the Headmaster that the appointment of a
substitute and the consequential arrangements were held up owing to
some administrative inconvenience and that orders would issue later. No
orders were however issued subsequently.

As regards item (d) the President had to fill up a permanent vacancy consequent on the retirement of the permanent Headmaster in August 1945 and this presumably took time in arriving at a selection from the panel. The vacancies in the case of items (b) and (c) were only for short periods and there was perhaps no necessity for the President to fill them up. The appellant's contention that the vacancies in 1946 should have been kept unfilled cannot be accepted. The appellant's record is not overwhelmingly bright. His name is included in the Panel but appointment from the Panel is again on a selection basis. It can very well happen that his juniors on the Panel are brighter than himself.

3. The personal files of the appellant and of the three assistants who were appointed as Headmasters for short periods are sent herewith in a sealed cover. A copy of my letter RC.A2.No.19912/46 dated 14/12/46 to the Director of Public Instruction, is also enclosed. *Vide below*

APPEAL - Sri T.S. Ananthanarayanan - L.T. Assistant - District Board, Trichinopoly - Against supersession of claims for promotion as headmaster.

From Sri T.S. Ananthanarayanan, dated the 10th January 1947.

From the Special Officer, District Board, Trichinopoly, R.C.No.A2. 640/47 dated the 17th February 1947.

From the Director of Public Instruction, R.C.No.274-G/47 dated the 9th May 1947.

Please see the appeal preferred by Sri T.S. Ananthanarayanan, an L.T. Assistant in the employ of the District Board, Trichinopoly, against the appointment of his junior as headmaster of a Board High School. The appellant's name finds a place in the panel of suitable candidates for appointment as headmasters prepared for the year 1946-47.

2. The Director of Public Instruction, Madras, recommends that this appeal may be disposed of after orders are passed on the question raised in his letter No.R.C.11195-G1/46 dated the 22nd April 1947 wherein he has recommended that the appointment of certain L.T. Assistants as headmasters of high schools before the Ex-Presidents of District Boards relinquished their office may be declared as not conferring probationary rights because the appointments were made with an ulterior motive. It has since been decided that file that no initiative need be taken by Government in the matter and that it may be left to the aggrieved teachers to move in the matter as the appointments were made only in accordance with the rules issued in G.O.No.953 Education, dated the 30th June 1942 - Vide the minutes of H.M.(Education) and the draft order put up for approval in the top file. Eventhough the name of the appellant finds a place in the panel of suitable candidates for appointment as headmasters, it is open to the appointing authority to select and appoint anyone from the panel and the Ex-President has appointed another L.T. Assistant as headmaster. In the circumstances, there is no case for the Government to interfere in the matter. The appeal may therefore be rejected. The draft order below is for approval.

3. The file may be circulated to H.M.(Education).

of some of his juniors is therefore rejected

2. The appellant is referred to the Special Officer, District Board, Trichinopoly, for order on his appeal.

Please see the letter from the Special Officer, District Board, Trichinopoly and the ^{remarks of the} Director of Public Instruction thereon on pages 13-15 c.f. The Special Officer reports that the appellant's allegation that the Ex-P.D.B. exerted his influence in persuading the permanent headmasters of certain high schools to take leave, in order to create vacancies for his juniors is not improbable; but there are not enough materials on record to prove the allegation except the fact that the proceedings granting leave were issued with commendable expedition. He also reports that the allegation that there have been occasions when the posts of headmasters were vacant for more than four months ^{is correct} Vide items (a) and (d) under para 2 on page 13 c.f.
