.....

The Government in their orders quoted above have decided to enforce for teachers in the service of the local bodies certain scales of pay for different grades of service. But no mention is made in it regarding the scales of pay for Prevocational Instructors and Telugu Pandits in the Board Elementary schools. Hitherto higher grade scale of pay is being allowed to the Prevocational Instructors who are fully qualified to hold the post on full time pay, and secondary grade scale of pay is being allowed in respect of Pandits in Elementary schools. Under these circumstances I request that the Government may be pleased to enlighten the scales of pay for the Prevocational Instructors and Pandits applicable in Board Elementary schools.

Sir,

Sub: Education - Elementary - Local Bodies - Pay of Prevocational

Requested.
Ref: G.O.No.1914, Education, dated 1-9-47.

In G.O.No.1914, Education, dated 1-9-47 Government sanctioned the revised scales of pay for the full time Prevocational Instructors working in Elementary schools under Local Bodies. The pay of the five full time prevocational Instructors working under the Madras District Board was accordingly fixed at Rs.30/- in the grade of 30-45 with effect from the 1st September, 1947, the date of the G.O. in the absence of, any specific mention of the date of effect.

The full time Prevocational Instructors represent now that they are hard hit by the revision being given effect to from 1st September, 1947 only instead of from 1st January, 1947 as is allowed to all other sub-ordinates working under District Board, as they are not only denied the benefit of the revised scale of pay for 8 months from January 47 to the end of August 1947, but are also deprived of the benefit of the advance increments due as Weightage to service.

In the circumstances I solicit orders whether the revision of pay in the case of full time Prevocational teachers may be given effect to from 1-1-47.
