Most respected Sir,

In obedience to G.O.No.934 (Edn) dated 7th May 1947 and Karur
Municipal office R.C.No.137-B2-47 dated 11-5-47, I beg to bring
the following few lines for further sympathetic consideration and
favourable orders.

History & Progress of the Library.

This Reading room was opened with a small beginning in a
tiny room on the 26th August 1933 with few dailies and periodicals.
Through my appeal to the public and endeavours, I was able to add
presentation books and furniture such as tables, bench almirahs
etc. The original reading room became a full fledged Reading
Room with a circulating library attached and its history is one
of steady progress from year to year. The library as it stood on
31st March 1947 contains a total of 3865 books comprising of 1778
in English language and 2087 in Tamil literature. From 1st april
up to date, I have added 282 books as presentation volumes to the
Library from the elite of the town. This library this day has a
total of 4147 books of which 2024 books in English and the rest
in Tamil. It is my aim to improve the present library to that
of a first class library, comprising of more than 5000 books. I
am very hopeful of achieving this within a year and leave the
library in-charge of a fully qualified librarian.

With the above object in view, I am continuing my endeavours.
The genuinness of my desire and my interest to the library needs no
further dilation than a perusal of the copies from remarks made in
the visitor's book, by visitors, officials and non-officials,
inspecting officers and educational authorities. It will not be
too much if I mention that sister municipalities have not only
copied, but also taken the rules and regulation of this library.
The controlling authorities and the public have all praise for
the efficient running of the library.

Considering my pay and emoluments, I am getting the pay as an
attender on Rs.19/- in the scale of 17-1-20 plus D.A. from 1-4-42.
But for taking this as my hobby, nobody would serve to work as an
attender employes as a full time servant. Having been in charge
from the very date of inception (26th august 1933) though advanced
in years, my vigour has not deteriorated and as already mentioned I
wish to stay until the library becomes a first class one. I
humbly request that the Government may be pleased to grant me an
extension of one more year from 2nd August 1947.

-2-
humble
I ~~request~~ request that the Government may be pleased to grant me an extension of one more year from 3rd August 1947.

KARUR.

I beg to remain,
most respected Sir,
Your most obedient servant,

V. S. Nataraja Ayyar
Library Attender

Endorsement No. 4533/B2-47 dated 3-7-1947

Submitted.

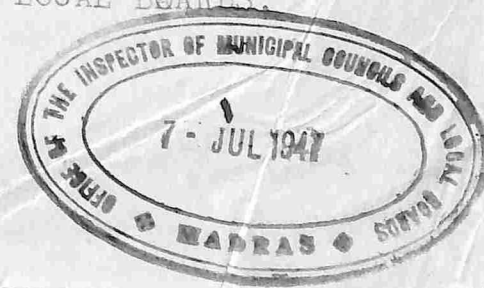

2. In G.O. No. Ms. 934 Education dated 7-5-1947, Government were pleased to permit the retention of Sri. V.S. Nataraja Ayyar, Library attender of this Municipality for a period of 6 months from 3-2-1947 on which date he completed sixty years of age.

3. The attender is still hale and healthy and is managing the library with exceptional ability and enthusiasm. This librarian contributes not to a small extent for the popularity of the library. It is very doubtful whether a suitable substitute in his place can be found for a salary of Rs.17. The attender has justified his first extension of service for six months from 3-2-1947 by adding 282 books by way of donation. If Government are pleased to permit the retention of Sri. V.S. Nataraja Ayyar, as library attender for a further period ~~of~~ upto the end of this official year i.e. till 31-3-1948, he is sure to bring up the total number of books to 5000 by that time and a qualified librarian may then be appointed to succeed him.

4. The application of the library attender for further retention is therefore recommended to Government in the interest of the public reading room and library.
