Re. No. 2049W2/47, dated 21st July 1947

Sir,

* Sub:- War - Educational Concessions - Grant of
Book allowance to pupils receiving half
yearly promotions - Orders solicited.

Ref:- Letter Re.No. 396/47, dated 15-7-47 from
the District Educational Officer, Chittoor.

ENCLOSURES _____

SPARE COPIES _____

In submitting herewith a copy of the letter referred to above, I have the honour to state that in G.O.No.610, Madn., dated 20-4-45 there is provision only for the payment of book allowance to pupils once a year. There is no definite provision for the payment of book allowances in twice in one and the same year in respect of pupils who secure half yearly promotions. These half yearly promotions are permissible in Elementary schools. The intention of the Government, however, seems to be that book allowance has to be sanctioned for study in every class or standard. In this connection I may point out that a pupil has to purchase books for every class of his study irrespective of the fact that he gets yearly or half yearly promotion and thereby has a right to claim book allowance for every class of his study.

In the circumstances I request you to let me know whether the book allowances can be sanctioned twice in one and the same year to pupils receiving half yearly promotions in Elementary schools.

I have the honour to be,

Sir,
Your most obedient servant,

S. Narasimhan

Sub:- Educational concessions and Books allowances to pupils receiving half yearly promotions - Grant of the same again during the same year.

I have the honour to request you to let me know whether book allowances can be granted a second time during the same school year if a pupil receives half yearly promotion. Y. Srinivasamoorthy was studying in Standard II in the Board Higher Elementary School, Penumur, having been promoted to that class on 1-6-46. He was granted book allowances while in Standard II and was promoted to Standard III on 1-11-46. The father of the boy has applied for book allowances on behalf of his son to purchase books for Standard III. If the boy is eligible formal application and other particulars will be sent for and the allowances granted.

Although the scale of book allowance for each pupil fixed in f.o. 610 Edn 20-4-45 is payable per annum, the proposal to alter to argument of the D.I. to allow it half yearly in cases of the kind mentioned at X mp 2 cf seems to have force. The proposal may be agreed to in this
