New Delhi 3, the 10th November 1946.

MEMORANDUM.

The undersigned is directed to state in continuation of the previous correspondence on the above subject, that the High Commissioner for India London informs that in the first instance, admission was arranged for Mr. Shenoy at the Loughborough College. On his arrival in the United Kingdom, the candidate produced a letter from the Government of Madras according to which he had been instructed to specialise in 'Soil Mechanics'. Efforts were made to place him elsewhere in the United Kingdom, for a course in 'Soil Mechanics' but unfortunately these efforts were not successful. Then the Hon'ble the Agent General for India, Washington could secure admission for Mr. Shenoy in the Princeton University for studies in 'Soil Mechanics' In order to make it possible for the scholar to take advantage of the new term in the United States of America, the High Commissioner for India sent the candidate to the United States of America at once. It is hoped that the Provincial Government agree to the arrangements made.

GOVERNMENT OF INDIA
DEPARTMENT OF EDUCATION
New Delhi, 2nd December 1946

The undersigned is directed to state in continuation of the previous communication of the above subject, that the High Commissioner India London Inform that in the instance, application was received from Sri. T.T. Shenoy, who is now in his travel in the United Kingdom, and according to a letter from the Government of Madras according to which he has been intended to specialise in 'Cell Mechanics'. Efforts were made to learn his views on the subject, but no answer was received. Then the matter was referred to the Secretary, Madras, who has been advised to advise the Government of Madras to take the necessary steps in order to take the necessary steps to take advantage of the new term in the United States of America, thereby facilitating the India and the candidate for the United States of America at once. It is hoped that the Government of Madras will take the necessary steps.

Sri T. T. Shenoy is a candidate
selected in 1945-46 for the award of an
overseas scholarship in "Soil Mechanics".
After completion of his course, Sri Shenoy
is meant to be absorbed in the Public
Works Dept. He sailed for U.K. on
17. 1. 1946.

28-11-46

A

In the circumstances
stated by the Govt. of India, this Govt.
may agree to the arrangements already
made for Sri Shenoy, viz his transfer
from U.K. to U.S.A. and his admission
into the Princeton University for "Soil
mechanics". P.W.D. may see for Con-
-Currence. If neeq. they may consult the
Chief Engr. concerned as to the suitability
of Princeton University for the candidate.

Finance may also see
the case. Like Sri Shenoy, two other
stipendiary candidates selected in 1945-46 were first
sent to the U.K. but thereafter transferred
to the U.S.A, vide 'X' on page 1 of (N).
