Sir,

Ref:- Overseas Scholarship

I am highly surprised & shocked to find, as I arrive at home on 10th at Mangalore to arrange for passport with the Dt. Magistrate, that M/s Cooksons, Travel Agents have sent a telegram from Delhi on 6th, received on 9th at Mangalore to the effect my emerging class passage booked by general Gordon now, Bombay 18th Aug; Report Aresco Bombay by 14th Aug. Personally I had come to

30

the Secretariat on the 8th Aug and was informed that so far no seat has been arranged for me & then only I started to Mangalore.

Now I am at Mangalore to arrange for passport, Bond etc. How is it humanly possible to ~~arrange for~~ get passport, Visa etc. by 14th & be at Bombay. So I have wired to Bombay Amexco Agents to give me a date afresh for sailing and reporting as 14th Aug. is an impossible date before which passport, Visa etc all could be obtained. I request you to kindly consider the matter seriously. I will be coming over to Madras personally on the 15th Aug. after arranging for passport etc with Dt. Magistrate on 13th Aug. time. I will personally like to hear the instructions on the 15th at the Secretariat as I come there. Please kindly note you need address to me c/o V.H.S.A. In reply to your cable dated 14th June 1946 No. F. 7/8/46 O.D.IV, insofar as it relates to Mr. T.K.Sivasankaran, I write to say that it has not been possible to secure admission for him in a suitable institution in this country. Mr. V. Venkatasubramanian is a candidate selected this year for the award of an overseas scholarship in "Soil mechanics of the earthen and composite dams". The institutions suggested by Govt. for the admission of this student are: (1) Carnegie Inst. of Technology, Pittsburg or (2) Columbia University, New York.

Mr. M. Bhaskar is another Candidate selected this year for the award of an overseas scholarship in "Dam Construction". The Govt. have suggested admission for this student either in Carnegie Inst. of Technology, Pittsburg or California Inst. of Technology, Pasadena.

Admissions for both the candidates have however been secured in Minnesota University, U.S.A. It seems the admissions secured in this institution may be accepted in view of the existing difficulty in securing admissions in foreign countries for Indian students generally. P.W.D. may see.

With refce. to para. 2 of Messrs Gyaram Bros' letter on p.s. CF, necy. confirmation / letter may be sent on receipt of the Govt of India's further report regarding the exact branch of subject for which the two candidates have secured admission. In the meantime

the two students may be kept informed of the position, so that they may keep themselves prepared. ready to start.

Mr. R.S. Savoor, a student selected this year for the award of an overseas scholarship in "Electrical Engg - Generation transmission and utilization of electrical power", was earmarked to proceed to U.K. for advanced studies. ~~Dr. Savoor informed Govt that~~ In his D.O. on pp 7-9 CF of L.F. Dr. Savoor stated that his son had already secured admission privately at the Illinois

Institute, U.S.A. and that he might be allowed to proceed to U.S.A. As Illinois Institute, U.S.A. was one of the 3 institutions suggested by the D.P.I., in his A return for the admission of the student selected for the Subject, the Govt. of India was asked to divert Mr. R.S. Savoor from UK to U.S.A. The Govt of India have agreed to the diversion, and have asked the travel agents to complete Mr. Savoor's passage arrangements.

About the middle of October 1946 a boat is likely to leave for U.S.A. and by ~~that~~ that boat two other Candidates are proceeding to join the Minnesota University where admissions have been secured for them. The College Courses commence about the beginning of October and the students who might leave for U.S.A hereafter will reach their institutions of study a little late. From the telegram on page 135 CF of L.F II it seems the Edl. Liaison Officer abroad will try and keep open the admissions till the students arrival in the respective countries of study.

As Mr. R.S. Savoor's admission has been arranged privately, it is not known whether it will be kept open till his arrival in the U.S.A. which might be about the end of October '46. Dr. Savoor may perhaps be asked to clarify.

Please see the Govt. of India letter at pp. 1-5 c.f. the E & P.H. Deptt. note at p. 1 ante and the draft memo below. Mr. B. Sheik Umar is intended to be absorbed in the Public Works Department after the completion of his training in "Reinforced concrete and prestressed structures".
