Sub: Government Museum - Pad locks for show
cases - Purchase - Sanction Requested.

I have the honour to request the sanction of Government for getting 144 brass pad locks purchased from Messrs. M.D. Worman & Sons, Aligarh, at a cost of Rs. 585 (Rs. Five hundred and eighty five only) excluding engraving, packing and railway freight charges.

The show cases in most of the galleries in this Museum are provided with one or more small brass pad locks for the safety of the specimens exhibited inside. There was always some trouble or other with these pad locks. Some of them are so much worn out that they are opened even at the slightest touch by any visitor. Any amount of repairs to these old, worn out, non-interchangeable, non-standard and cheap type of locks proved unsatisfactory. To get rid of the recurring troubles and repairs, it has been decided to purchase at present 4 sets of 144 brass (Treasury Type) pad locks 1 1/2" size - 6 levers, with interchangeable key sets with only two keys for each set of 36 locks. locks will have to be added to each set in due course. Accordingly quotations were called for from leading lock manufacturers in Aligarh and the lowest rate has been accepted. I have under the circumstances to request that Government will be pleased to accord early sanction for the purchase of the 144 Treasury type Brass pad locks 1 1/2" size- 6 levers, in 4 sets of 36 locks with 2 keys each set, at a cost of Rs.585/- from Messrs. M.D. Worman and Sons, Aligarh from this year's budget grant under a.A.3. Other Charges- Furniture and Fittings.

I have the honour to be,
Sir
Your most obedient servant,

A. Aiyappa
Superintendent.

Sak: Government Museum - Pad locks for show cases - purchase of.

Ref. Your Telephonic Message dated 17-7-47. p3ank.

The information called for is furnished below

seriatum:

- 1) There are 640 show cases of which 178 were provided with 240 pad locks each case having one or more pad locks according to the condition of the case.
- 2) Of the 240 pad locks 60 have already been removed from the cases as condemned. Of the remaining 180 pad locks 113 are unsatisfactory as they can be easily picked. The balance of 67 are good ones but have non-interchangeable keys. The cases from which locks were removed are now kept sealed with tape.
- 3) The useless locks will be auctioned along with other articles, if any, by the Government Auctioneers.
- 4) It is only to replace the useless pad locks we now require 4 sets of 144 locks for the present.
