Sir,
Paper - Local Purchase - sanction of Government

Sanction was accorded in G.O.No.1863 Edn. dated 27-9-46 for the local purchase of 2000 gross boards suitable for printing ration cards. The purchase has not been made so far as the article is not readily available. It was proposed to purchase certain quantities Hammer Mills Ledger Buff paper locally which was considered to be suitable for printing ration cards. Accordingly 135 reams referred to in Memo.No.58045-C2/46-1 Edn. dated 5-10-46 were purchased and supplied to the Superintendent, Government Press. I enclose herewith copies of letter Ref.P.452 dated 2-1-47 from the Regional Controller of Railway Priorities, Madras and telegram dated 12-1-47 and letter No.SL.PS.200 dated 13-1-47 from Rhotas Industries, Dalmianagar which explain the present position regarding duplex boards.

The Superintendent, Government Press, Madras is pressing for the supply of boards or any thick paper suitable for printing ration cards. I have enquired and found that Messrs J.B.Advani & Co., Ltd., Madras are clearing consignments of Hammer Mill Ledger Paper white and buff referred to in Memo. No.58045-C2/46-1 Edn. dated 5-10-46. As the printing of ration cards cannot be delayed I request that immediate orders of Government may kindly be passed authorizing me to purchase locally Hammer Mill Ledger and any suitable thick paper until such time as my stock of duplex boards or any suitable board is replenished. The Provincial Paper Controller, Madras may also be authorised to issue necessary permit immediately on receipt of information from me regarding the quality and quantity of paper that may become available.
