The remuneration proposed appears to be very high ~~proportionate~~. Ordinarily the staff of the College should do some honorary work and see that things are sold at cheap a rate as possible instead of accepting remuneration from the bazaar. In the Sect. Staff Co-operative restaurant the Directors do not get a remuneration but do honorary work. The case will be examined further on receipt of the information called for in the to me.

SUB:- Government Servants' Conduct Rules = Sri
T.Krishnamurthy, Assistant Professor,
Presidency College, Madras = Permission
to accept remuneration from the College
Canteen:

REF:- From the Principal, Presidency College,
Madras, RC.No.380/47 dated 3rd Octr. 1947.

I submit the following for your reconsideration.

2. The work of the Secretary of the College Canteen combines that of the Treasurer also. He has to spend every day about 30 minutes in the morning, issuing provisions, checking milk and inspecting the work of cooks in the kitchen and another 2 hours in the evening checking the daily issue of provision and see whether they are properly accounted for. Also he has to check the daily sales, purchases and issue provisions for the next day. Apart from these he has sometimes to attend to ration work and to the purchase of provisions so as to keep himself in touch with the market rates.

3. The work involved is in no way less strenuous than that of a Deputy Warden in a Hostel who is allowed to receive remuneration. On the other hand, the Secretary of the Canteen has a greater responsibility, in as much as he has to exercise a greater vigil and see that all the provisions are properly accounted for and that the canteen works at a profit.

4. I also submit that it may not be possible to attract persons to undertake this tedious work if there is no remuneration attached to the post of Secretary of the Canteen. Honorary work, even where there is less onerous work, in my experience has not been continuously satisfactory, the enthusiasm waning after a short time. Particularly where accounts have to be maintained and frequent personal attention is necessary, honorary work, in my opinion, will prove a failure and the canteen may have to be closed.

5. In the light of the above facts, I request that you will be so good as to address Government and obtain their sanction.

Copy submitted with reference to G.O.No.MS.1952, Edn. dated 5th September 1947.

I still think that it will be advisable for public spirited Professors and students to attend to this work on an honorary basis. If any permanent workers are necessary to assist them to do the work well, they may be appointed at the expense of the Canteen and shared by the students. In these days for every little service one is called upon to do, there is the habit of asking for extra allowance. There must be some amount of voluntary service in these small works that we are doing for the service of the public.

In view of the minute of A.M. (Edn.) above, the D.P.G. may perhaps be informed that the order at @/100.f. will not be reconsidered. A draft memo is subd. for approval.
