I have been requested by the Executive Committee of the Alumni

over the Editorship of Vyayam, a quarterly journal on Health and Physical Education, sponsored by the Alumni Association. I am one of the Alumni of the College and consider it a privilege to be called upon to be the Editor of Vyayam. It is also in a way my duty as an alumnus to respond to the call of the Association.

Under the circumstances, I request the Director to be pleased to secure the necessary permission from Government for me to be the Editor of the Vyayam. I have no doubt that in discharging my duties as the Editor of this journal, I will be very much enriched in knowledge and experience which will be of great help to me in my work as Chief Inspector of Physical Education. I believe it was on this account that the late Sri N. Subramanian, M.A., L.T., was permitted to be the Editor of the Madras Geographical Magazine while he was the Lecturer in Geography at the Teachers' College, Saidapet.

My being the Editor of the Vyayam will not interfere with my legitimate duties and work.

The next issue of the Vyayam is due to come out by the end of August. I request therefore that this may kindly be treated as SPECIALLY URGENT, and Government permission secured at as early a date as possible. I enclose a copy of the last issue of Vyayam (of May 1947) for favour of reference.
