From (Name) Sri D.S.Reddi M.A.(Oxon), M.B.E.

(Designation) Director of Public Instruction, Madras

To The Secretary to the Government of Madras,

Education & Public Health Department.

Sir,

I have the honour to submit herewith, for orders of the Government, the case relating to the payment of boarding grant for 1946-47 to the Mai-de-Deus Orphanage, which was closed from 18-6-46.

2. This institution was started in 1941-42 and was first admitted to aid for 1942-43 and was receiving grants till 1945-46 the amounts noted in the margin*. On the

*1942-43	.. Rs. 279	BASIS OF THE ACCOUNTS FOR 1945-46 the institution became eligible for a grant of Rs. 572/- for 1946-47. As the institution was closed from 18-6-46, it is eligible only for a proportionate grant. But the Correspondent applies for the payment of the full grant, on the ground that the institution worked fully during the year 1945-46 and that it was not paid grant for the first year of its working.

1944-45	.. 180	
1945-46	.. 592	

3. The institution worked for 5 years till its closure in June 1946, but it has received grants for 4 years only. I consider that it will be a great hardship to the manage

P.T.O.

to forego the grant for 1945-46 during which it actually worked and I recommend that as a special case the entire grant which the Orphanage is eligible for may be admitted and paid from the current year's budget allotment.

4. This is a case quite similar to that of the Victoria Orphanage, Sivakasi submitted with my letter ROP. No.121 J1/46-47, dated 17-7-47.

Please say whether the grant paid in
1942-43 was based on the accounts for 1941-42
+ the grants paid in subsequent years on the accounts
of the preceding years. and whether it is usual for
the Govt to admit such claims from orphanages
after they are closed. Govt in which the Govt have
allowed such claims recently may be referred to

ELAN (60)

From the Director of Public Instruction, Madras
To the Assistant Secretary, Education and Pub. Health Dept.

Sub: GRANT - Boarding - Mai-de-deus Orphanage, Puthur for
1946-47 - Payment - Requested.

Ref: Your T.M., dated 6th August 1947.

As boarding grant paid to an institution in a particular year is always based on the accounts of the previous year, the grant paid to Mai-de-deus Orphanage, Puttur, in 1942-43 was based on the accounts of 1941-42 and the grant paid in subsequent years on the accounts of previous years.

Generally Boarding grants are paid for the current year only in the case of institutions that function in the current year and not to closed institutions. But recommendation is made for the payment of Boarding Grants to closed institutions in consideration of the hardship to the management as they will be deprived of the amount spent towards maintenance of Boarding Homes if the grant is denied.

Government in their Memo 229 B/42-1, dated 22--1--1942 have sanctioned the payment of grant to St. Joseph's Boys Orphanage, Bellary, which was closed with effect from 1st Octr. 1941.

Finance (ExpA)

The Mai-de-dens Orphanage, Puthur, started functioning in 1941-2. It has received grants from Govt. for four years from 1942-3 to 1945-6. As it was closed in June, 1946, it is ^{not} ordinarily eligible for a full grant in 1946-7 but only a proportionate grant. In view of G.O. 1820 E.D. dt 14.8.47, the D.P.I. has recommended, as a special case,

the payment of a full grant of Rs 572 in the current year on the basis of the accounts of 1945-46.

2. Boarding grants payable to orphanages relate to the year in which they are paid though they are based on the accounts of the previous year. In the case of the Victoria Orphanage, Sivakasi (cited as a precedent by the D.P.I.), it was considered that, if the principle referred to above was strictly enforced, it would be a great hardship to the orphanage as it would have to get its grant for 3 years only though it had worked for 5 years actually. In the present case, the institution has worked for 5 years and it has already received grants for 4 years. ~~The case of the orphanage at Sivakasi cannot, it seems, be an exact analogy.~~ In another case (St. Joseph's Boys' orphanage, Bellary) Govt. have sanctioned the payment of only a proportionate grant for the year in which it was closed. In view of the above, there seems to be no strong case for treating the present proposal as a special case. Finance may therefore advise that only a proportionate grant be paid to the Mai-de-dens orphanage for the year 1946-7.

49.4) 15.9.47

EPH

It pointed out as above this case is not quite analogous to the case of the Bellary orphanage. If we are going to extend the difference in the no. of years within any limit or justification, there will be no end to such requests. As compared with the previous case in (X), there is no case for acceding any special treatment to this case. Following the Bellary case, this is not

Please see the note of the Finance
