Government of Madras Abstract

Labour Department - Boarding grants - Payment of - Certain suggestions of Sri A. Vydyanatha Iyer, President of the Tamilnad Harijan Sevak Sangh - Orders passed.

Development Department

G.O.No.Ms.2813,

dated 30th June, 1947.

Read the following:

From Sri A. Vydyanatha Iyer, M.L.A., dated 14.6.1946.
From Sri A. Vydyanatha Iyer, M.L.A., dated 17.8.1946.
From the Commissioner of Labour, No.A.6.4022-46, dated 20.11.46.

Order:

In his letters cited, the following suggestions have been made in respect of Harijan Hostels

(1) That the rate of boarding grants should be raised to Rs. 15/- each per mensem.

(2) That the salary of the Warden at Rs. 30/- p.m. for 12 months should be met by Government over and above the boarding grants.

(3) That the salary of the hostel establishment for all the 12 months should be a legitimate charge on boarding grants.

(4) That either lands in the possession of municipalities or other local bodies should be handed over to the Sangh for the construction of permanent buildings for the hostels, or suitable lands should be acquired and handed over to the Sangh for constructing hostel buildings.

(5) That building grants should be granted by the Government for the construction of hostel buildings.

(6) That there should be timely disbursement of boarding grants.

The Government have carefully considered these suggestions and they pass the following orders thereon:

(1) Orders have already been issued in G.O.No. 102 Dev. dated 9.1.1947 sanctioning the increase in the rate of all individual, lump sum and special boarding grants paid by the Labour Department to Rs. 15/- each p.m.

(2) This question has been considered by Government more than once before and they have always held the view that the pay of wardens and other supervisory staff, if any, should not be treated as legitimate charges on boarding grants. Boarding grants are intended only as grants-in-aid. If aided hostels get all their expenditure (including pay of supervisory staff) paid by the Government, they cease to be aided institutions. The Government therefore do not think that there is any case for them to reconsider their previous orders in the matter. The question whether Harijans Girls' hostels should be treated differently in this respect is separately under consideration and orders in the matter will issue in due course.

(3) At present the pay of the hostel establishment for a period of 11 months is allowed to be treated as a legitimate charge on boarding grants. The Government do not consider that there is sufficient justification for treating the extra one months' pay also, as a charge debitable to boarding grants. They expect that this amount should be met by philanthropic bodies from out of their own funds.

(4) The Government consider that all Harijan hostels subsidised by Government should be assigned building sites free of cost by Government if suitable Government lands are available for the purpose in the locality and accordingly direct Collectors of all districts to take action, wherever necessary. The assignment of Government lands in these cases will be subject to the following conditions; namely (a) that the land is utilised only for a hostel (b) that a hostel is constructed thereon within a specified period; (c) that the majority of the boarders in the hostel are Harijans and (d) that the land will be resumed if it is not used for the purpose for which it is assigned and no compensation will be paid for any buildings erected thereon. Municipalities and other local bodies are also requested to assign suitable lands in their possession to the managements of Harijan Hostels subject to the imposition of similar conditions. In cases where no suitable Government lands or lands belonging to local bodies are available, Collectors are requested to take necessary steps in consultation with the managements of Harijan Hostels, to acquire the lands required for hostel sites, provided the managements agree to meet the entire cost of such acquisition.

(5) The Government consider that building grants equal to one half of the cost of the buildings should be paid in respect of all Harijan hostels which have been in existence for more than ~~xxx~~ five years. They also consider that in future building grants in respect of Harijan hostels should be provided under the Labour Department budget and disbursed through the Commissioner of Labour. The payment of these grants will however continue to be in accordance with the provisions of rule 51 to 55 of the Grant in aid code of the Madras Educational Department with suitable modifications. The Commissioner of Labour is requested to submit necessary proposals in this behalf every year for consideration along with other Part II Schemes commencing from 1948-49.

(6) The grants are payable now in 3 instalments, in July, October and January every year. The Commissioner of Labour has issued necessary instructions for the prompt payment of these grants. He has also prescribed a periodical report from the Collectors due with him on 5th of August, November, and February of each year to watch the speedy disbursement of the amounts.

With reference to Government Memo No. 56197 B1/47-1
Edn., dated 14-7-1947, I have the honour to submit the follow-
ing amendments to the Grant-in-aid Code:

1. The following note may be added under Rule 51(1) of the Grant-in-aid Code.

Note: Applications for building grants in respect of Harijan Hostels will be considered by the Commissioner of Labour under the provisions of this chapter.

The terms "Director" or "Director of Public Instruction" appearing in this chapter should be taken to mean "Commissioner of Labour" in so far as the schemes for building grants to Harijan Hostels are concerned."

2. The following may be added (under conditions of grant) as No.(iv) under Rule 52 of the Grant-in-aid Code.

"iv. Building grant will not be given to Harijan Hostels which have not been in existence for more than five years."

3. In para 5 of G.O. No. Ms. 2813 Development dated 30-6-1947, it is stated that the payment of these grants will however continue to be in accordance with the provisions of Rule 51 to 55 of the Grant-in-aid Code. This includes Rule 54(i) regarding execution of Mortgage by the managements receiving building grant. In-as-much-as execution of mortgage is contemplated in respect of these grants also under rule 54 of the Grant-in-aid Code, Rule 56 of the of the Grant-in-aid Code, regarding claims of Government should also be made operative, and the first amendment suggested i.e. Note under Rule 51 (1) of the Grant-in-aid Code (Application for Building grants will be considered under the provisions of this chapter) would appear to meet the requirements.

Development Department.

The Commissioner of Labour, the Director of Public Instruction and the Accountant General have all been consulted regarding the suggestion that, in future, payment of building grants in respect of Harijan hostels should be made through the Commissioner of Labour, and the amounts required for the purpose should be provided in the Labour Department budget. They all agree that this suggestion may be adopted. The Accountant General however presumes that rules 51 to 55 of the Grant-in-aid code of the Education Department will continue to be followed with suitable modifications. This is the intention and this may be made clear in the draft order. The pencil addition at p.3 of the draft order is for approval.

The Accountant General also suggests that rule 6 of the Grant-in-aid Code may be amended with reference to the above proposal. E. & P.H. may take necessary action on this point on receipt of a copy of the draft order.

Education & Public Health.

The notes of the Development Department above may be perused. This Department may agree to the proposal at P. above - Action may be taken in regard to the amendments of the Grant-in-aid Code on receipt of a copy of the order with relevant extracts of notes.
