To The Secretary to the Government of Madras,

EDUCATION & PUBLIC HEALTH

Department.

Sir,

Reference: G.O. No. 21-A Education, dated 6-1-47.

In para 3 of the G.O. referred to above, Government directed that soldiers discharged from the Army might be required to produce discharge certificates if they were not able to produce the certificates specified in sub-para (4) of para 3 of the Appendix to G.O. No. 610 Education, dated 20-4-1945. The subordinate officers of my department have represented to me that some of the discharge certificates produced by the Ex-soldiers contain no information as to whether the terms of service of the Ex-service personnel included liability to serve overseas and information as to whether the soldiers were making remittances to the family. They have solicited my instructions as to whether the concessions may be refused in cases of the kind cited above.

P.T.O.

2. I invite the attention of Government in this connection, to para (2) of my letter Rc.No.2246 W2/46, dated 22-8-46, wherein I suggested that in the case of Ex-Service Personnel, who find it difficult to get the required certificates from the Officer's Commanding concerned, the applications might be made to the concerned heads of Institutions through the Secretary of District Sailors', Soldiers' and Airmens' Board of the District concerned. As suggested therein, I recommend that the Discharge certificates now produced by the Ex.soldiers in support of the claim for the award of Educational concessions to their children and dependants may be directed to be sent through the Secretary of the Dt.Sailors', Soldiers and Airmens Board of the District concerned with a view to enabling the latter to issue a certificate as required in sub-para (4) of para (3) of the appendix to G.O. 610 Education & P.H. dated 20-4-45.

3. In the case the Government approve of my above proposal, I request that Government may be pleased to advise the Secretary, Madras Provincial Sailors, Soldiers' and Airmen's Board to issue necessary instructions in this regard to all the Secretaries of the District Sailors, Soldiers' and Airmens' Board in the matter.

SUB: War - Educational concessions to children and dependants of soldiers - Production of discharge certificate.

REF: From the D.P.I. R.O.C. No. 2246/W 2/46 dated 25-4-47.

In G.O.No. 610 Edn. dated 20-4-45, Educational concessions were sanctioned to the children and dependants of military personnel serving in the 1939-45 war. One of the conditions of the award of such concessions was the production of a certificate by the soldier to the effect that he was enrolled under the Indian Army Act with liability for service overseas in a theatre of war. On the cessation of the hostilities, educational concessions were extended to the children and dependants of demobilized personnel also (vide G.O. No. 21-A Edn. dated 6-1-47). The necessary certificates to be produced by such personnel were also prescribed in the G.O. As it was considered that the soldier released from the Army might not be able to obtain the certificate prescribed in Sub Para (4) of para 3 of the Appendix to the G.O.No. 610 Edn. dated 20-4-45, it was considered sufficient if the soldier produced the discharge certificate granted by the Army authorities. The D.P.I. now says that his subordinate of his department have represented to him that some of the discharge certificate produced by the ex-soldiers contain no information as to whether the term of service of ex-service personnel included liability to serve overseas and information as to whether the soldier was making remittance to the family. He recommends that the discharge certificates now produced by the ex-soldiers in support of the claims for the award of Educational concessions to their children and dependants may be directed to be sent through the Secretary of the District/ Sailors' and Airmens' Board of the District concerned with a view to enabling the latter to issue a certificate as required in sub para (4) of para 3 of the appendix to G.O.No. 610 Edn. dated 20-4-45.

It was already considered that after release from the defence forces, it might not be possible for a soldier to get a certificate from the commanding officer in the prescribed form. The Secretary, Madras Provincial Sailors', Soldiers' and Airmens' Board pointed out that the District S.S. & D Board will not be able to furnish any useful information as the records of the demobilized personnel will be at the depot centres of the men concerned and are not transferable to the District S.S. & A Board. He however stated that the men will
