C.No.11666 C4/46 dated 11-12-1946.

Sub: Delegation of powers to the Divisional Inspectors
of Schools. -

I have the honour to address Government for delegation of certain powers to the Divisional Inspectors of Schools as detailed hereunder:-

At present the powers of appointment transfers, postings grant of leave etc. of the officers in the undermentioned categories of posts vest in the Deputy Director of Public Instruction (Personnel) according to the Statutory rules:-

Madras Educational Subordinate Service.

Authority.

Class I - Category 2.
Dy. Inspectors of Schools (Senior Scale)
I and II Grades.

Annexure I and rule
15 of the special rules
for the Madras Edl. Subordinate service.

Class I - Category 4.
School Assistants I and II Grades.

do.

Madras Ministerial Service.
Headclerks, Librarians, Accountant,
and Clerks whose maximum pay in the
time scale is above Rs.55 and above
in the offices and institutions
under the control of the Director
of Public Instruction.

Annexure II and rule 10
of the Special Rules
for the Madras Ministerial
Service.

I request the **government** to be pleased to delegate the Divisional Inspectors of Schools with the powers of transfers postings, grant of leave and sanction of increments to the Deputy Inspectors of Schools and School Assistants of both the grades and Headclerks and clerks whose maximum pay is above Rs.55/- in the time scale in the Offices of the Divisional Inspectors of Schools and District Educational Officers within their own Division for the reasons mentioned in this letter.

With the steady increase in the number of posts in the above categories, it has become very difficult for the Presidency office to keep a watch over the postings, grant of leave etc. of the officers especially of the combined category. In many cases, the officers of the combined cadre apply for leave and even before the application for leave is received in my office through the proper channel a portion of the leave is over with the result that the post is left unfilled without a substitute. In the interests of efficiency and quick despatch of work, it will be better for the Divisional Inspectors to exercise these powers within their own divisions.

p.t.o.

Instances are not wanting in other departments in which such powers have been delegated to the officers subordinate to the Heads of Departments as mentioned below:-

In the Police Department, the powers of transfers of postings of members of the Police Subordinate Service within the limits of the District have been delegated to the District Superintendent of Police though they are not the appointing authority themselves while in the Division the Deputy Inspector General exercises these powers. In the Agricultural Department the upper subordinates are appointed by the Director of Agriculture, but they can be transferred by the District Agricultural Officer within his jurisdiction. Likewise in the Forest and Engineering Departments, the Rangers and Supervisors respectively are appointed by the Heads of the Departments concerned, but their transfers within their division can be made by the Conservator of Forests in the first case and by the Superintending Engineer in the second case.

In the above circumstances, I request Government may be pleased to approve my recommendations and delegate the Divisional Inspectors of Schools with the powers suggested by me. Suitable amendments to the Statutory Rules will be submitted on the Government's acceptance of my recommendations.

Please see the D.P.S.'s letter in the of. The powers so far delegated to Divl. inspectors of schools are enumerated on pp 19-20 of the L.F. The question whether the posts of Divl. inspectors should be retained or not, whether a new class of officers called St Administrative Officers should be appointed and whether the powers now exercised by Divl. inspectors should be delegated to D.E.O.s and St Administrative Officers has been raised by the Reorganisation Committee and a reference has been issued to the D.P.S. The D.P.S. may perhaps be informed that his present proposals may be deferred pending a decision on that question.

The abolition of the posts of Divisional Inspectors is not immediate. It is just only in the line of thought and so, it is as well that we permit these delegations of powers to the Divisional Inspectors now till the decision is taken over the other matter.
