* SUB:- Libraries - Government Oriental Manuscript Library - Post of an additional - Continuance of - Sanction requested.

ENCLOSURES _____

SPARE COPIES _____

I have the honour to state that on the repeated representation made by the Curator that the only clerk in the library could not cope up with the clerical work in the Library I permitted the employment of an additional Lower Division clerk in the Government Oriental Manuscripts Library on fixed pay for a period of one year from the date of appointment. The additional clerk was employed on 9-8-1946 and the sanction given for the continuance of the post will expire on 9-8-1947.

2. The present staff of the library besides the temporary clerk referred to in Para 1 above consists of

- 1 Curator
- 1 Librarian
- 2 Asst. Librarians
- 1 Senior Pandit.
- 4 Pandits.
- 4 Asst. Pandits.
- 1 Marathi Pandit.
- 1 Telugu Pandit
- 1 Typist
- 1 Clerk
- 1 Attender
- and 3 Peons.

3. The Curator reports that the work in the Library is too much for a single clerk and in view of the continuous increase in work requests that the post of the additional clerk may be continued further.

4. Before the employment of the additional clerk the following clerical work was being done by the Librarian and the Asst. Librarians who are M.As. - Correspondence connected with the acquisition of Manuscripts, correspondence relating to loan of Manuscripts other than Bonds, maintenance of the Register of periodicals and journals and correspondence thereon, correspondence relating to mending and binding of manuscripts etc.

Since last year there has been further increase of normal clerical work in the library due to the reconstitution of the Advisory Committee, the members of which

which have to be consulted very frequently in connection with the purchase of Manuscripts and books and publication of work. The formation of the Editorial committees in each of the nine languages for the purpose of publishing useful and important manuscripts has also ~~constituted~~ ^{contributed} to the increase in the volume of clerical work.

5. The number of communications received in the library for the past 5 years and for the period January to April 1947 is furnished below:--

Year	No. of papers.
1942	1129
1943	1245
1944	1353
1945	1312
1946	1564
January to April 1947	588

The typist and the attender have full work and they cannot render any assistance to the clerk. By the employment of an additional clerk last year the librarian and the Assistant Librarian were relieved of their clerical work and were put on the cataloguing of Mackenzie Manuscripts in Kannada and Tamil besides the General speeding up of cataloguing work.

6. In the circumstances I request that Government may be pleased to sanction the continuance of the post of the additional lower division clerk created by me in the Government Oriental Manuscripts Library for a further period of one year from 9-8-1947.

I have the honour to be,
