College of Engg. Guindy - Reservation of seats for South and East African Students

From the Govt. of India, Dept. of External Affairs and Commonwealth Relations No.F.22-18/47-OSI dated 21-6-47.

Please see the letter from the Govt. of India in the C.F. file. At present two seats are reserved for African students in the Engg. Colleges Guindy. The High Commissioner for India in South Africa has informed this Govt. that he is sending one candidate for 1947-48 and that the other seat is not required. The Govt. of India enquired whether this Govt. has any objection to allot one of the seats reserved for African students to one of the Indian Students in Burma. This seat will ordinarily be filled up by a Madras student.

2. Five seats are reserved every year for ^{Burma} Burma evacuee students in the Engg. Colleges Guindy. Recently the D.P.I. ^{arrangement} suggested that this ~~suggestion~~ might be continued, but that the five seats might be distributed among the other Govt. Engg.

Colleges. This suggestion was approved by Govt. The acceptance of the Govt. of India's ^{proposal} suggestions would mean allotting a sixth seat to Burma. ²³ 23 seats in the Engg. Colleges are now reserved for out-siders. It has been decided separately that not more than 19 seats should be reserved for out-side students from

1948-49. In the circumstances it does not seem desirable to allot a sixth seat to Burma. The Govt. of India may be informed that five seats are now reserved for Burma ^{evacuee} students and that one of these seats will be reserved for their candidate provided he satisfies the requisite qualifications. As H. M. (Edn.) is on

tour the same may be circulated to the H.P. M. for orders, if necessary.

As admissions to the Engg. colleges will be made in a day or two this can be done.
