Re.No.526 E/47 dated 6-9-1947.

Sir,

Sub: Schools - Secondary - Medium of instruction.

I have the honour to state that the Correspondent, Besant Theosophical School, Adyar, has applied to me for permission to adopt English as the medium of instruction in Form IV during 1947-48. There is only one section in Form IV. There are two sections in each of the Forms I to III and the medium of instruction in one section is Tamil and in the other Telugu. It is not economical to divide the one section of Form IV into two and to adopt both Tamil and Telugu, as the medium of instruction. I therefore recommend that the request of the Correspondent to adopt English medium in the one section of Form IV may be complied with.

2. In the Government Madrasa-i-Azam, Mount Road, the medium of instruction is Urdu up to III Form. The Principal requests that he may be permitted to adopt English medium in one section of Form IV for the benefit of non-urdu students. The medium in the other two sections of Form IV is urdu. I recommend that the request of the Principal to adopt English medium in one section of Form IV may be complied with.
