GOVERNMENT OF MADRAS

D.O.No.946 B1/47. Office of the Director of Public Instruction,
Cathedral P.O., Madras, Dated 19th June 1947.

My dear Mr. Subramanian,

SUBJECT: Programme for the spread of Basic Education.

REFERENCE: Your D.O.No.30615 B2/47-2, Edn., dated 2-6-47.

5-1150

Please see Dr.Savoor's D.O.reply No.946-B1/47 dated 11-6-47.

In connection with the expansion of basic education, proposals were submitted to Government from time to time and the Government have in their order No.1188, Education, dated 9-6-47 sanctioned the schemes. I have suggested some modifications to this G.O. in my letter R.C.No.368-B1/47 dated 14-6-47. Let me now give you a comprehensive plan of the whole scheme.

2 Before dealing with the programme proper, it may not ~~ext~~ be out of place to say a few words about the introduction of the scheme of basic education in this Province in the year 1946-47. To start with, the Government opened a basic training school in the Sri Ramakrishna Mission Vidyalaya, Perianaickenpalayam, Coimbatore Dt., for the training on basic education lines of about 64 teachers (Secondary grades and Higher Elementary grades) taken from the 34 elementary schools (under Local Body and aided managements) in the compact area near Coimbatore for a period of 9 months. The idea was to post 2 or 3 teachers for each school after their training with a view to start basic education in Grades I and II immediately and then make the schools complete basic schools later on by training the remaining teachers of the school. Another such school was opened in the Telugu area at Vinayasramam (Guntur Dt.) for the training of teachers deputed by local bodies and aided elementary school managements. 72 (68 actually joined) teachers were selected from all the firkas in the Telugu area, 6 from each of the 12 districts. In addition, 12 L.Ts employed in Government and Local Body schools were deputed for training in the Hindustani Talimi Sangh, Sewagram, Wardha for a period of one year with a view to utilizing their services in the starting of new basic training schools in the Province.

3 In another direction, the existing elementary schools which offered to be converted into basic schools were recognised as basic schools provided accommodation and trained teachers on basic education lines were available. Grant was also assessed in the usual way according to the qualifications of the teachers. Teachers who have already undergone the Wardha scheme of training were also considered as equivalent to Secondary Grade or Elementary Grade according to their general educational qualifications.

4 Now to the programme proper. In the year 1947-48, the Government have sanctioned the continuance of the above training schools for a period of 2 years. They have also approved the proposal to depute another batch of 11 L.Ts for training at Wardha. With the trained L.Ts available, steps are being taken to open 3 basic training schools in July 1947, one for the Tamil Nad in the Government Training School for Masters at Cuddalore by transferring the existing senior sections elsewhere, one in the Kerala area and another in the Kannada area. These schools will train both men and women candidates, i.e., co-educational. Detailed proposals regarding staff, equipment, accommodation etc., are being submitted to Government separately.

A

5 It is proposed to train fresh batches of trained teachers and also provide for the training of fresh candidates in the basic training schools. The course for trained teachers will be for 1 year and a two years' course for fresh recruits. The following

is

is the programme for the admission of trainees into the basic training schools for 1947-48.

District.	Name of school.	No. of candidates.	Duration of the course.
COIMBATORE.	Sri Ramakrishna mission Vidyalaya Basic Trg. School.	30 trained teachers (20 L.Ts and 10 Sec.Gr. from Govt.Trg.schools)	1 year commencing from July 1947.
	-do-	45 (fresh secondary grades)	2 years commencing from August 1947.
GUNTUR.	Government Basic Training School, Vinayasramam	30 trained teachers. (20 L.Ts and 10 sec. grade from Govt.Trg.schools)	1 year commencing from August 1947.
	-do-	45 (fresh secondary and ely. grades)	2 years commencing from August 1947.
SOUTH ARCOT.	Govt.Basic Training School, Cuddalore.	30(trained teachers) (secondary and ely. grades employed in local board or aided schools)	1 year.
	-do-	60 (fresh candidates) (Secondary and ely grades).	2 years.
EAST GODAVARI.	Basic Trg. School, Seethanagaram	10 " "	"
MALABAR	Govt.Basic Training School.	60 "	"
SOUTH KANARA	-do-	30 " "	"

All the trainees will be given a stipend of Rs.18/- per mensem. In addition to this, the trained teachers undergoing the one year course will be given their usual salary and Dearness Allowance if they are Government or Local Body servants; in the case of aided institutions, grants and Dearness Allowance will be assessed for those deputed. A notification inviting applications for admission to the courses is being sent to the Government Press for publication in the Fort St.George Gazette.

P.T.O.

At this rate there will be *60 plus 11 or 71 teachers available next year (1948-49) after their refresher course for being utilized in the conversion of the existing training schools into basic training schools or in the opening of new basic training schools, if funds permit. These 71 teachers will be helpful in opening 14 basic training schools in 1948-49. The 30 trained teachers from the Government Basic Training School, Cuddalore will be utilized in the opening of basic schools in the compact area around Cuddalore and in strengthening the Basic Schools near Coimbatore. In 1949-50, 250 teachers of the Secondary ~~or~~ and elementary grade will come out of the basic training schools after finishing their two years course. These teachers will be helpful in converting the elementary schools into basic schools in the compact areas in and around the basic training school centres or firkas as the case may be.

We must have a definite programme for the spread of Basic Education. Unless we train the staff of our Training Schools and convert them into Basic Training Schools it will take an eternity for us to introduce Basic Education throughout the Province and so it is necessary that we should take up the question of training the staff of our Training Schools as soon as possible so that these training schools may begin producing Basic Education Teachers as soon as possible.

It will be necessary for us to begin with atleast to have two centres in which the L.Ts and others who are the staff of the Training School can be trained in Basic Education ~~for the present~~. The only place in which they may be so trained where we have got proper workers is the Basic Training School in the Ramakrishna Vidyalaya at Periyanaickenpalayam.

The Headmaster of the Baisc Training School at Ramakrishna Vidyalaya, Periyanaickenpalayam may be asked about the advisability of taking the training for the staff of the existing Training Schools. How many he can take up this year, what will be the course necessary for the training. He may also be asked to submit other relevant particulars in the matter.

I shall be glad if this training is begun in July i.e., in the beginning of the school year. The D.P.I. may be asked to treat this as urgent and get the necessary particulars as soon as possible.

From the D.P.I. no. 946 B1/47. Dt 19. 6. 47

p 7 c/

pp 7-9 c/

The D.P.I. has submitted a report, regarding the programme adopted for the spread of Basic Education. The report explains the action taken by Govt from time to time for the spread of Basic Education. The following points raised in the D.P.I's letter require notice:-

Portion 'A' of the D.P.I's letter on p 7 c/f:-
The Director has been asked to submit proposals for the deputation of officers to Wardha. Orders regarding the deputation have not yet been issued by Govt.

Portion 'B' of the D.P.I's letter on p 8 c/f
'B' The orders of Govt are that the school at Perianaickanpalayam should train new students coming out of schools for a period of 2 years. The Director proposes to allot only 45 seats for new students and to arrange for the training of 30 teachers in schools for a period of 1 year at Perianaickanpalayam. Perhaps the proposal was made under instruction from HM (Edn). For orders whether it may be app^d.

Portion 'C' of the D.P.I letter on p 8 c/f.
Proposals regarding the deputation of ten women teachers to Seethanagaram are under consideration. Orders have not yet been issued. HM (Edn) & HM (Fin) have seen

⊗ File being sent to Finance

Portion 'D' of the D.P.I's letter on p 8 c/f
The proposal to open a training school for South Kanara was not considered by the Standing Finance Committee

[P.T.O.]

B2

In view of this it appears, that the proposal should be dropped. for orders.

The D.P.I. has been separately asked to depute thirty teachers in Govt ~~schools~~ training schools for attending a refresher course at Perianaickanpalayam for a period of 4½ months. The D.P.I. has not referred to this scheme ~~in this~~ his report. Presumably the training referred to as 'B' on p8cf. is in the place of ~~the one~~ referred to above. The main difference ~~being~~ is that the period of training as fixed by Director is one year, while according to Govt it is for 4½ months.

A

The file may be circulated to HM(Edn) with reference to his note on p ante.

24.6.47

25-6-47

S
26(6)

HM (Edn.)

27.6.47

I am afraid there is a slight misunderstanding in the notes above. 'A' above is not correct. The D.P.I. has referred to it in his report. But the period that was originally fixed is 4½ months for retraining of the L.Ts. and Secondary Grades employed in the staff of our Training Schools, [the Sub Committee of the Basic Education Advisory Board has recommended that it may be one year, that means, about 9 months. In view of the fact that we are already in July, it may not be possible for them to get 9 months. It may be 8 or 7 months and so it may not be possible for us to train two batches of the staff of our Training Schools this year. In the selection of these candidates from among the staff of the Training Schools, they may be chosen in units of three with the specific understanding that they will be sent to particular training schools where they will be asked to ~~take charge of~~ control them as Basic Training ~~Schools~~ School. At that rate if we take 25, it may help us to open 8 Training Schools. Some

K

L

women also may be chosen so that atleast 2 or three women training schools may be opened next year. While choosing candidates, attempts may be made to select candidates from atleast 2 or 3 aided institutions of which one may be a Girls' Institution, with the specific understanding that when these candidates go back, these training schools will switch on to Basic Education.] When staff from aided institutions are used, they may be given the usual stipends which we give to all i.e., Rs.18 and half the pay of the trainees. The other half ~~may~~ be be met by Govt. as usual.

M

The D.P.I. may be asked to report as to when the Cuddalore Training School is going to be opened and also as to when and where he proposes to open the Basic Training Schools in Malabar and South Kanara.

N

With regard to 'B' on p.3 n.f., I am afraid it may not be possible to take more than one division. 45 will be much more than one division. The number may be fixed as 30 or 35.

P

About 'A' and 'C' orders may be expedited.

R

A comprehensive plan for the spread of Basic Education on the lines above may be asked to be submitted by the D.P.I.

Portion 'K' of HM(Edn)'s note on p 4 ante:- The Director has ~~submitted~~ reported separately that arrangements have been made for the deputation of teachers in the Perianaickanpalayam school for training in anticipation of the sanction of Govt. He asks for orders, for raising the period of training from 4½ months to one year. In view of

H.M.(Edn.)'s note, the period of training may be fixed as 9 months or for a lesser period if need be.

Portions "L" and "P" of H.M.'s note

A draft D.O. is submitted for approval.

Portion 'M' of H.M.(Edn.)'s on p.5 ante

It is not clear, what the intention of H.M.(Edn.) is, whether the trainees should be allowed only half to the pay admissible to them, during the period of training or whether they should be given their full pay, one half being met by Govt.(as grant) and the other half by the management. In any case, the management will have to meet the full pay of the substitutes also. When teachers from private schools were admitted for training last year at Perianaickanpalayam, managements were paid full grants on behalf of these teachers in addition to the grant ~~passed~~ assessed on behalf of the substitutes.

The latter, 9 think. 2

The same arrangement will be followed now, I think. 4

Portion "N" of H.M.(Edn.)'s note on p.5 ante:-

The D.P.I. has submitted proposals for the deputation of 29 teachers (21 L.T. Assistants and 8 Secondary Grade teachers) for training in the Gandhi Basic Training School, Periyanaickenpalayam. H.M. has laid down certain (x) principles for selecting ~~of~~ teachers for training. His intention is ~~that~~ primarily teachers in training schools should be sent for training in units of three so that they may be employed after training in the basic schools to be opened ~~shortly~~. The selections made by the Director does not follow this principle. The Director has selected Deputy Inspectors of Schools and Personal Assistants to D.E.Os. also for training. H.M. has observed that teachers in two or three aided schools should be selected for training. The Director has not made any such selections. Reference has been made in the H.M.(Edn.)'s note to selecting some women for training. The Director has not taken any action in this direction either. I don't know why the D.P.I. has not made any attempts to get some teachers of the Aided Training Schools also. If it is the apathy of the Training Schools, I would like the D.P.I. to issue a circular immediately that none of these Training schools will be given recognition unless they take to basic training within a reasonable period i.e., from 3 to 5 years.

B

In view of the difficulty of accommodation for women, perhaps, women may not be selected this year. Even now, if possible, teachers from one Aided Training School atleast may be selected if any are forthcoming.

In the absence of anybody forthcoming, the candidates selected by the D.P.I. may be taken as approved.

A

These people may have a higher standard life and so the stipend for these people may be Rs.25/- as recommended by the D.P.I.

With reference to H.M's orders above, the D.P.I will have to be consulted again. As the course of retraining is to commence from 1st. Oct. '47, ~~It~~ is is for orders whether the selection made by the D.P.I. may be approved (H.M's note at A above) and orders issued accordingly. If the Director sends any further list of candidates with reference to H.M's note at B above, separate orders may be issued in those cases.

2. H.M. has ordered that the stipend may be raised from Rs.18 to Rs.25 a month. When the matter was placed before the Standing Finance Committee in July last the intention was to ~~depute~~ 60 teachers or. be deputed for training for 4½ months and ~~each~~ then

H.M's orders will be taken above.

should be allowed a stipend of Rs. 18 a month. The D.P.I. has now proposed the deputation of only 29 officers for training for 6 months and has suggested a stipend of Rs25 a month for each. The cost of the present proposal will not exceed the estimate originally framed. The suggestion of the Director to fix the course of training for six months may be accepted.

A draft order is submitted for approval.

The draft order which, it is presumed, is based on the orders of the ~~Cabinet~~ S.F.C on the note at Ⓔ may be accepted subject to the following remarks in regard to the payment of stipend.

Stipends: It is proposed to pay a stipend of Rs 25 per mensem to the 29 teachers who are to be deputed for training, as against the rate of Rs18/- ~~[illegible]~~ sanctioned by the Govt. The extra expenditure involved, in the present course of training, on account of the above increase, works out to Rs 1218 for six months. E&P.H. may be requested to circulate the case to H.M. (Fin) also.

The rate of stipend proposed to be paid to the teachers to be deputed for trg at the Perianaickenpalayam School as stated in the note for the S.F.C at Ⓔ is Rs 18/- a month during the period of training. Presumably this rate is based on the proposal submitted by the D.P.I. in July last. The above rate of stipend of Rs 18/- pm has accordingly been approved by the Govt - A on p. 7 above. It is not clear why the D.P.I. himself

X on p2 of Ⓔ

GO not p'ssd.

M on p 13 cf

has now proposed an increased rate of stipend of Rs 25/- p.m. In the absence of any valid reasons justifying the proposed increase, it is respectfully submitted that this Dept finds it difficult to agree to the increase of the rate of stipend from Rs 18/- pm to Rs 25/- pm – cf X on p.7 above. It may be noted in this connection that HM (Edn) has minuted that the stipend may be Rs 25/- pm so that these people (the trainees) may have a higher standard in life.

Further if a rate of Rs 25/- pm is fixed in the present case, the same rate will have to be made applicable to all such cases in future and the resultant additional expenditure to the Govt will be large – cf also EPH Secy's remarks at A on page 9 above.

In the circumstances this Dept may respectfully submit that the rate of stipend may be only Rs 18/- pm as already approved by the Govt and not Rs 25 p.m. as now proposed. EPH may be requested to obtain orders of HM (Fin) in circulation.

Subject to the above remarks the draft order below may be accepted.

The increased stipend is apparently proposed to enable the trainees to meet hostel and other expenditure. The trainees will draw their pay + stipend so that there is no question of their being unable to meet expenses. The rate of Rs 18/- may be adhered to. | B
