No. 1668-A/47-2, dated 26th August 1947.

Sir,

Sub: Books and publications - The American Archivist -
Permission to subscribe.

I have the honour to apply for the permission of the Government to subscribe for the journal, "American Archivist", for the use of the Madras Record Office. The journal is devoted to matters relating to archival theory, administration and technique and is said to contain the latest methods adopted by archivists in America. The Madras Record Office now obtains all the literature issued by the British Records Association by virtue of its membership of that association

and thus keeps itself in touch with the archival developments in England. It also receives free the valuable annual administration reports and other literature issued by the National Archives, United States of America. It would however be useful and desirable to get the American Archivist also. The journal is issued quarterly and the rate of subscription is \$5/- (five dollars) per year. I beg to request that sanction may kindly be accorded for subscribing for this journal.

I have the honour to be,
Sir,
Your most obedient servant,

CURATOR.
